Workforce Development Politics Robert Giloth, 2010-06-25 A look at local efforts to improve job training **Data**

Science in the Public Interest: Improving Government Performance in the Workforce Joshua D. Hawley, 2020-07-22

This book is about how new and underutilized types of big data sources can inform public policy decisions related to workforce development Hawley describes how government is currently using data to inform decisions about the workforce at the state and local levels He then moves beyond standardized performance metrics designed to serve federal agency requirements and discusses how government can improve data gathering and analysis to provide better up to date information for government decision making [Economic Development in American Cities](#) Michael I. J. Bennett, Robert P.

Giloth, 2012-02-01 *Economic Development in American Cities* addresses the roles of municipal leaders and civic partners in promoting social equity by examining the experiences of five American cities in the 1990s Austin Cleveland Rochester Savannah and Seattle These five cities were chosen for their activist municipal administrations robust policy agendas and viable partnerships Contributors familiar with each city evaluate the impact of equity investments and extract lessons for municipal leaders and policy agendas Building on the past experiences of progressive cities each case study city offers fresh perspectives and examples told through a rigorous analysis of socioeconomic data and program outcomes combined with engaging stories about specific municipal administrations and policy agendas **Local Economic and Employment**

This report provides valuable insights into how labour policies can be expanded to meet economic development and social cohesion goals while also reconciling national and local concerns **Governing Urban Economies** Neil Bradford, Allison

Bramwell, 2014-04-30 Today more than ever cities matter to the economic and social well being of the vast majority of Canadians Canada's urban centers are simultaneously the engines of the national economy and the places where the risks of social exclusion are most concentrated making innovative and inclusive urban governance an urgent national priority *Governing Urban Economies* is the first detailed scholarly examination of relations among governmental and community based actors in Canadian city regions Comparing patterns of municipal community relations and federal provincial interactions across city regions this volume tracks the ways in which urban coalitions tackle complex economic and social challenges Featuring an inter disciplinary group of established and up and coming scholars this collection breaks new ground in the Canadian urban politics literature and will appeal to urbanists working in a range of national contexts *Advancing*

Equity Planning Now Norman Krumholz, Kathryn Wertheim Hexter, 2019-01-15 What can planners do to restore equity to their craft Drawing upon the perspectives of a diverse group of planning experts *Advancing Equity Planning Now* places the concepts of fairness and equal access squarely in the center of planning research and practice Editors Norman Krumholz and Kathryn Wertheim Hexter provide essential resources for city leaders and planners as well as for students and others

interested in shaping the built environment for a more just world Advancing Equity Planning Now remind us that equity has always been an integral consideration in the planning profession The historic roots of that ethical commitment go back more than a century Yet a trend of growing inequality in America as well as other recent socio economic changes that divide the wealthiest from the middle and working classes challenge the notion that a rising economic tide lifts all boats When planning becomes mere place making for elites urban and regional planners need to return to the fundamentals of their profession Although they have not always done so planners are well positioned to advocate for greater equity in public policies that address the multiple objectives of urban planning including housing transportation economic development and the removal of noxious land uses in neighborhoods Thanks to generous funding from Cleveland State University the ebook editions of this book are available as Open Access volumes from Cornell Open cornellpress.cornell.edu cornellopen.org and other repositories
