

A detailed pencil sketch of several sailboats on a calm body of water. The boats are depicted with various sail configurations, including full sails and spinnakers. The drawing is done in a soft, artistic style with light shading to suggest the texture of the sails and the gentle movement of the water.

A Yacht Voyage Round England - W. H. G. Kingston W. H. G. Kingston, 2009-11-17 A passage from the book We had come home from school much earlier than usual on account of illness having broken out there but as none of the boys were dangerously ill and those in the infirmary were very comfortable we were not excessively unhappy William Henry Giles Kingston 1814 1880 was a writer of tales for boys He was born in London but spent much of his youth in Oporto His first book The Circassian Chief appeared in 1844 His first book for boys Peter the Whaler was published in 1851 and had such success that he retired from business and devoted himself entirely to the production of this kind of literature in which his

popularity was deservedly great and during 30 years he wrote upwards of 130 tales including Digby Heathcote 1860 The Three Midshipmen 1862 The Three Lieutenants 1874 The Three Commanders 1875 and In the Rocky Mountains 1878 He also conducted various papers including The Colonist and Colonial Magazine and East India Review He was also interested in emigration volunteering and various philanthropic schemes For services in negotiating a commercial treaty with Portugal he received a Portuguese knighthood and for his literary labours a Government pension The very day of our arrival home when we were seated at dinner and my brother Oliver and I were discussing the important subject of how we were to spend the next ten or twelve weeks we heard our papa who is a retired captain of the Royal Navy and who was not attending to what we were talking about say as he looked across the table to mamma Would you object to these boys of ours taking a cruise with me round England this summer We pricked up our ears you may be sure to listen eagerly to the reply Looking at Oliver then at me she said I should like to know what they think of it As they have never before taken so long a cruise they may get tired and wish themselves home again or back at school *A Yacht Voyage Round England* H.
