Revisionism and Diversification in New Religious Movements Eileen Barker,2016-04-08 New Religious Movements tend to start their lives with a number of unequivocal statements not only of a theological nature but also about the world and appropriate

behaviours for the believer Yet these apparently inalienable Truths and their interpretations frequently become revised adjusted or selectively adopted by different believers This book explores different ways in which as NRMs develop stagnate fade away or abruptly cease to exist certain orthodoxies and practices have for one reason or another been dropped or radically altered Sometimes such changes are adapted by only a section of the movement resulting in schism Of particular concern are processes that might lead to violent and or anti social behaviour As part of the Ashgate Inform series and in the spirit of the Inform Seminars this book approaches its topic from a wide range of perspectives Contributors include academics current and former members of NRMs and members of cult watching movements All the contributions are of a scholarly rather than a polemic nature and brought together by Eileen Barker the founder of Inform

Controversial New Religions James R. Lewis, Jesper Aa. Petersen, 2014-07-16 In terms of public opinion new religious movements are considered controversial for a variety of reasons Their social organization often runs counter to popular expectations by experimenting with communal living alternative leadership roles unusual economic dispositions and new political and ethical values As a result the general public views new religions with a mixture of curiosity amusement and anxiety sustained by lavish media emphasis on oddness and tragedy rather than familiarity and lived experience This updated and revised second edition of *Controversial New Religions* offers a scholarly dispassionate look at those groups that have generated the most attention including some very well known classical groups like The Family Unification Church Scientology and Jim Jones s People s Temple some relative newcomers such as the Kabbalah Centre the Order of the Solar Temple Branch Davidians Heaven s Gate and the Falun Gong and some interesting cases like contemporary Satanism the Raelians Black nationalism and various Pagan groups Each essay combines an overview of the history and beliefs of each organization or movement with original and insightful analysis By presenting decades of scholarly work on new religious movements written in an accessible form by established scholars as well as younger experts in the field this book will be an invaluable resource for all those who seek a view of new religions that is deeper than what can be found in sensationalistic media stories

Jensen *Falun Gong Stories* William Franklin McCoy, Lijuan Zhang, 2001 **General Contributions on Theology** Joshua Kyle T. Rovero, 2025-09-17 A New Model of Theology Here in this monumental work by Joshua Kyle T. Rovero he presents a new theological framework now formally systematized as a future basis for a new form of theology that is innovative and good at best Sourced from his philosophy this centers religion as a defined essence of humanity's organs of world disclosure one that is responsible for revealing the abstract in the experience of humanity in the world Religion and Mobility in a Globalising Asia SinWen Lau, 2017-07-05 This volume examines the dynamic mutually constitutive relationship between religion and mobility in the contemporary era of Asian globalisation in which an increasing number of people have been displaced forcefully or voluntarily by an expanding global market economy and lasting regional political strife Seven case studies provide up to date ethnographic perspectives on the translocal transnational dimension of religion and the religious spiritual aspect of movement The chapters draw on research into Buddhism Islam Chinese qigong Christianity and communal ritual as these religious beliefs and practices move in and across Singapore Taiwan China Malaysia Hong Kong the upper Mekong region the Thai Burma border the Middle East and France With these diverse and rich ethnographic cases on translocal transnational Asian religious practices and subjectivities the book transcends the conventional nation state centered framework to look into how mobile religious agents are redefining boundaries of local regional national identities and recreating translocal transnational and interregional connectivity In so doing it illustrates the importance of promoting a dynamic understanding of Asia not just as a geopolitical entity but as an ongoing social and religious formation in late modernity This book was published as a special issue of the Asia Pacific Journal of Anthropology **Historical Dictionary of New Religious Movements** George D. Chryssides, 2012 New religious movements commonly known as cults are defined as organizations that have arisen within the last 200 years Most treatments of these movements have typically resorted to sensationalism rather than objectivity and New religious movements tend to receive negative media publicity Despite their unfavorable portrayal in popular culture however new religious movements are a global phenomenon and much remains to be studied about these movements In this newly updated second edition of the Historical Dictionary of New Religious Movements George D. Chryssides traces the rise and development of new religious movements throughout the world An updated introduction summarizes the phenomenon of new religious movements and lays out the changes to the dictionary since the 2001 edition while the main body of the dictionary consists of close to 600 cross referenced entries on key figures ideas themes and places related to various new religious movements An index organizes the information in the dictionary and a comprehensive bibliography leads the researcher to further sources This book is an excellent access point for students researchers and anyone wanting to know more about new religious movements *The Challenge of Change* Chalmers Johnson, 2003 **Chinese Religiosities** Mayfair Mei-hui Yang, 2008-11-04 Extraordinarily timely and useful As China emerges as an economic and political world power that seems to have done away with religion in fact it is witnessing a

religious revival The thoughtful essays in this book show both the historical conflicts between state authorities and religious movements and the contemporary encounters that are shaping China's future I am aware of no other book that covers so much ground and can be used so well as an introduction to this important field Peter van der Veer University of Utrecht

Taipei Review, 2001 **Secularization and the World Religions** Hans Joas, Klaus Wiegandt, 2022-04-01 The question of religion its contemporary and future significance and its role in society and state is currently perceived as an urgent one by many and is widely discussed within the public sphere But it has also long been one of the core topics of the historically oriented social sciences The immense stock of knowledge furnished by the history of religion and religious studies theology sociology and history has to be introduced into the public conscience today This can promote greater awareness of the contemporary global religious situation and its links with politics and economics and counter rash syntheses such as the clash of civilizations This volume is concerned with the connections between religions and the social world and with the extent limits and future of secularization The first part deals with major religious traditions and their explicit or implicit ideas about the individual social and political order The second part gives an overview of the religious situation in important geographical areas Additional contributions analyze the legal organization of the relationship between state and religion in a global perspective and the role of the natural sciences in the process of secularization The contributors are internationally renowned scholars like Winfried Brugger Jos Casanova Friedrich Wilhelm Graf Hans Joas Hans G Kippenberg Gudrun Krümer David Martin Eckart Otto and Rudolf Wagner **Cultic Studies Journal**, 2000
