The Army and Politics in Zimbabwe Blessing-Miles Tendi, 2020-01-16 An essential biographical record of General Solomon Mujuru one of the most controversial figures within the history of African liberation politics **SADC Gender Protocol 2015 Barometer** Morna, Colleen Lowe, Dube, Sifiso, 2016-02-22 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 SADC GENDER PROTOCOL BAROMETER 2015 2015 is here In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance The SADC Gender Protocol is the only sub regional instrument that brings together existing global and continental commitments to gender equality and enhances these through time bound targets Aligned to Millennium Development Goal Three the original 28 targets of the Protocol targets expire in 2015 Now that 2015 is here we need to step back assess and reposition In June 2014 SADC Gender Ministers agreed to review the targets of the Gender Protocol in line with the Sustainable Development Goals SDGs In May this year ministers added that they want the Protocol to be accompanied by a Monitoring Evaluation and Results Framework The 2015 Barometer shows that implementation is now the biggest missing gap in the quest for gender equality Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 **Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set)** Union of International Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events **Former Guerrillas in Mozambique** Nikkie Wiegink, 2020-04-03 A sensitive ethnography of former Mozambican National Resistance RENAMO combatants After sixteen years of civil war 1976 1992 between the Mozambican National Resistance RENAMO and the government of Mozambique over 90 000 former combatants were disarmed and demobilized by a United Nations led program Former combatants were to find their ways as civilians again assisted by community based reintegration rituals While the process was often presented as a success story of peace renewed armed conflict involving RENAMO combatants in 2013 and onward suggests that the reintegration of former

guerrillas was a far more complex story In *Former Guerrillas in Mozambique* Nikkie Wiegink describes the trajectories of former RENAMO combatants in Maringue a rural district in central Mozambique Rather than focus on violence trauma and the reacceptance of these ex combatants by the community Wiegink emphasizes the ways in which RENAMO veterans have navigated unstable and sometimes dangerous social and political environments during and after the war She examines the experiences of both male and female war veterans and their attempts at securing a tolerable life Based on fourteen months of fieldwork conducted long after the war ended *Former Guerrillas in Mozambique* offers a critique of a notion of reintegration that assumes that the lives of former combatants are shaped first by a break with society when joining the armed group and later by a break with the past when demobilizing and a return to a status quo Wiegink argues instead that former combatants motivations experiences and interactions are not necessarily characterized by a rigid separation from their RENAMO past but rather comprise a mixture of ruptures and continuities of relationships and networks including families the spiritual world fellow former combatants political parties and the state

*Female Fighters* Reed M. Wood, 2019-08-27 The presence of women combatants on the battlefield especially in large numbers strikes many observers as a notable departure from the historical norm Yet women have played a significant active role in many contemporary armed rebellions Over recent decades numerous resistance movements in many regions of the globe have deployed thousands of female fighters in combat In *Female Fighters* Reed M Wood explains why some rebel groups deploy women in combat while others exclude women from their ranks and the strategic implications of this decision Examining a vast original dataset on female fighters in over 250 rebel organizations Wood argues rebel groups can gain considerable strategic advantages by including women fighters Drawing on women increases the pool of available recruits and helps ameliorate resource constraints Furthermore the visible presence of female fighters often becomes an important propaganda tool for domestic and international audiences Images of women combatants help raise a group s visibility boost local recruitment and aid the group s efforts to solicit support from transnational actors and diaspora communities However Wood finds that regardless of the wartime resource challenges they face religious fundamentalist rebels consistently resist utilizing female fighters A rich data driven study *Female Fighters* presents a systematic comprehensive analysis of the impact women s participation has on organized political violence in the modern era

*New Public Management in Africa* Benon C. Basheka, Lukamba-Muhiya. Tshombe, 2017-08-25 The administrative sciences have been dominated by a turn to managerial perspectives in the late 20th and early 21st centuries and in the spirit of this turn New Public Management or NPM promises to produce efficient responsible and client oriented public services The reforms carried out in the pursuit of New Public Management are often accompanied by great optimism and rapid enthusiastic steps toward implementation Even in highly developed industrial countries however these fundamental reforms often overlook the political and cultural contexts of the implementing country New Public Management in Africa *Emerging Issues and Lessons* provides much needed theoretical foundations for NPM reforms in the African context

and reflects on the success of existing reforms in the development of several African states The individual contributions in this timely volume provide important analyses of academic discourse practical policy achievements and desiderata The book as a whole however provides a valuable impetus for public administration research in and on African states sharing findings on the results of reforms to date and adjustments required for these reforms to succeed For public administration researchers outside of Africa this book offers a review of New Public Management case studies that are unavailable or difficult to find elsewhere contributing much to the exchange between African and Western administration science research and demonstrating that African administrative research is well prepared to help resolve global challenges

Violence and Candidate Nomination in Africa Merete Bech Seeberg, Michael Wahman, Svend-Erik Skaaning, 2020-06-04 This comprehensive volume brings together a diverse set of scholars to analyse candidate nomination intra party democracy and election violence in Africa Through a combination of comparative studies and country specific case studies spanning much of Sub Saharan Africa including Kenya Zambia and South Africa the authors shed light on violence during candidate nomination processes within political parties The book covers several cases that vary significantly in terms of democracy party dominance and competitiveness and the institutionalization and inclusiveness of candidate selection processes The authors investigate how common violence is during candidate nomination processes whether the drivers of nomination violence are identical to those of general election violence whether nomination violence can be avoided in high risk cases such as dominant party regimes with fierce intra party competition for power and which subnational locations are most likely to experience nomination violence Through its focus on violence in nomination processes this book firmly places the role of political parties at the centre of the analysis of African election violence While adding to our theoretical and empirical understanding of nomination violence the book contributes to the literature on conflict the literature on democratization and democratic consolidation and the literature on African political parties This book was originally published as a special issue of the journal Democratization

**U.S. Security Cooperation with Africa** Robert J. Griffiths,2016-04-14 As Africa s strategic importance has increased over the past decade and a half United States security cooperation with the continent has expanded The most visible dimension of this increased engagement was the establishment of the U S Military Command for Africa AFRICOM Some critics are skeptical of AFRICOM s purpose and see the militarization of U S Africa policy while others question its effectiveness Recognizing the link between development and security AFRICOM represents a departure from the traditional organization of military commands because of its holistic approach and the involvement of the Department of State as well as other U S government stakeholders Nevertheless AFRICOM s effort to combine security and

development faces formidable conceptual and operational challenges in trying to ensure both American and African security interests. The human security perspective's emphasis on issues that go beyond traditional state-centered security to include protecting individuals from threats of hunger, disease, crime, environmental degradation, and political repression, as well as focusing on social and economic justice, is an important component of security policy. At the same time, the threat of violent extremism heavily influences U.S. security cooperation with Africa. In this examination of the context of U.S.-African security relations, Robert J. Griffiths outlines the nature of the African state, traces the contours of African conflict, surveys the post-independence history of U.S. involvement on the continent, and discusses policy, organization, and implementation, and the impact of U.S. experiences in Iraq and Afghanistan on the U.S.-Africa security relationship. Africa's continuing geostrategic significance, the influence of China and other emerging markets in the region, and America's other global engagements, especially in light of U.S. fiscal realities, demonstrate the complexity of U.S.-African security cooperation. **Bpsc Bihar**
