FCC Record United States. Federal Communications Commission, 2017 Television & Cable Factbook , 2009 **Media and Change Management** Matthias Karmasin, Sandra Diehl, Isabell Koinig, 2022-02-15 Change management is not just affected globally by environmental and social conditions including political and technological changes but also through convergence which helps conceptualize change over the past decades The media industry in particular is being challenged by the rise of social media the crisis of refinancing especially for quality news media the misinformation epidemic and the changing role of legacy media The evolving nature of media usage and communication the rise of produsage and influencers and intermediaries and their personalized algorithmic content are also factors that impact the industry along with data privacy and privacy management and the new responsibilities of companies such as sustainability agility and resilience etc This book focuses on permanent change management in the media and related industries It provides insights into the most common and crucial phenomena of media and change management in general while also revealing some more specific issues brought about by technical and social innovations The authors expand the meaning of media management beyond the management functions within the industry to include the management of different media The book serves as a useful guide for researchers students and practitioners alike as they are all affected by change processes **Foxocracy** Tobin Smith, 2019-10-29 From a 14 year Fox News contributor guest anchor and two time New York Times bestselling author comes an unprecedented insider s account of the Fox News playbook the production secrets and manipulation strategies Fox News uses to influence viewers divide families weaponize the daily discourse of news and public opinion and addict a core audience on right wing rage and fear Fox News did not start America s culture war but they did have the manipulative and destructive genius to exploit it for billions of dollars For the first time a Fox News veteran exposes and diagrams the toxic strategies and tactics within the Fox News playbook that liberal and progressive candidates will be fighting against in 2020 and beyond It is the very same playbook that Fox News used to move twelve percent of Independents to vote for Donald Trump in 2016 to produce Republican wins in the previous Democrat strongholds of Ohio Wisconsin and Pennsylvania Author Tobin Smith takes readers behind the scenes of the actual production of the fair and balanced opinion panel segments that feed a ravenous audience How are these productions rigged so that right wing pundits always win What techniques does Fox News use in manipulating its viewers tribal instincts to addict them to activate a hatred toward partisan enemies and to hook them on ego gratifying feelings of intellectual and cultural superiority Foxocracy is filled with never revealed conversations with Fox News executives including the late Roger Ailes and opinion programming producers It breaks down the real and often heartbreaking collateral damage among friends and family caused by the waging of an endless culture war And it brings incendiary proof from an insider and on air talent of Fox News s predatory audience manipulation psychology and production tactics And perhaps even more frightening this book reveals how that playbook is now being insidiously upgraded

for maximum effect white tribal identity activation on all forms of social media and means of content delivery F & S Index United States Annual ,2006 **Illuminating the Blackness** Habeeb Akande,2016-05-01

Illuminating the Blackness presents the history of Brazil's race relations and African Muslim heritage The book is divided into two parts Part I explores the issue of race anti black racism white supremacy colourism black beauty and affirmative action in contemporary Brazil Part II examines the reports of African Muslims travels to Brazil before the Portuguese colonisers the slave revolts in Bahia and the West African Muslim communities in nineteenth century Brazil The author explores the black consciousness movement in Brazil and examines the reasons behind the growing conversion to Islam amongst Brazilians particularly those of African descent The author also shares his insights into the complexities of race in Brazil and draws comparisons with the racial histories of the pre modern Muslim world including a comparative analysis of the East African Zanj slave rebellions in ninth century Baghdad with the West African Hausa and Yoruba slave rebellions in nineteenth century Bahia *Ion*

DV-Made China Zhen Zhang,Angela Zito,2015-05-31 In 1990s post Reform China a growing number of people armed with video cameras poured out upon the Chinese landscape to both observe and contribute to the social changes then underway Happening upon the crucial platform of an older independent film movement this digital turn has given us a DV China that includes film and media communities across different social strata and disenfranchised groups including ethnic and religious minorities and LGBTQ communities DV Made China takes stock of these phenomena by surveying the social and cultural landscape of grassroots and alternative cinema practices after the digital turn around the beginning of the new century The volume shows how Chinese independent amateur and activist filmmakers energize the tension between old and new media performance and representation fiction and non fiction art and politics China and the world Essays by scholars in cinema and media studies anthropology history Asian and Tibetan studies bring innovative interdisciplinary methodologies to critically expand upon existing scholarship on contemporary Chinese independent documentary Their inquiries then extend to narrative feature activist video animation and other digital hybrids At every turn the book confronts digital ironies On the one hand its portability facilitates forms of radically private film production and audience habits of small screen consumption

Yet it also simultaneously links up makers and consumers curators and censors allowing for speedier circulation more discussion and quicker formations of public political and aesthetic discourses DV Made China introduces new frameworks in a Chinese setting that range from aesthetics to ethical activism from digital shooting and editing techniques to the politics of film circulation in festivals and online Politics the authors urge travels along paths of aesthetic excitement and aesthetic choices conversely always bear ethical consequences The films their makers their audiences and their distributional pathways all harbor implications for social change that are closely intertwined with the fate of media culture in the new century of a world that both contains and is influenced by China No Truth No Justice Paul Edwards,Audrey

Edwards,2002-06-01 A heartfelt account by the mother of a young man who was killed in his cell by a dangerous fellow prisoner with whom he had been wrongly placed by the Prison Service that was later castigated by the European Court of Human Rights It tells of a mammoth campaign for justice and to hold the authorities to account when faced with a wall of silence and indifference The author who now addresses audiences across the UK is keen to spread her message to the USA and available to travel there for that purpose at her own expense **Mental Health Issues and the Media** Gary

Morris,2006-09-27 Mental Health Issues and the Media provides students and professionals in nursing and allied professions in psychiatry psychology and related disciplines with a theoretically grounded introduction to the ways in which our attitudes are shaped by the media A wide range of contemporary media help to create attitudes surrounding mental health and illness and for all health professionals the ways in which they do so are of immediate concern Health professionals need to be aware of media influences on their own perceptions and attitudes take account of both the negative and positive aspects of media intervention in mental health promotion and public education understand the way in which we all interact with media messages and how this affects both practitioners and service users Covering the press literature film television and the Internet this comprehensive text includes practical advice and recommendations on how to combat negative images for service users healthcare workers and media personnel News Media Yellow Book ,2008 *Africa Rising* Vijay

Mahajan,2011-07-07 With more than 900 million consumers the continent of Africa is one of the world s fastest growing markets In Africa Rising renowned global business consultant Vijay Mahajan reveals this remarkable marketplace as a continent with massive needs and surprising buying power Crossing thousands of miles across the continent he shares the lessons that Africa s businesses have learned about succeeding on the continent shows how global companies are succeeding despite Africa s unique political economic and resource challenges introduces local entrepreneurs and foreign investors who are building a remarkable spectrum of profitable and sustainable business opportunities even in the most challenging locations reveals how India and China are staking out huge positions throughout Africa and shows the power of the diaspora in driving investment and development Recognize that Africa is richer than you think Africa is richer than India on the basis of gross national income GNI per capita and a dozen African countries have a higher GNI per capita than China Aim for

Africa Two Opportunities exist in all parts of the market particularly the 400 million people in the middle of the market Find opportunities to organize the market From retailing to cell phones to banking companies are succeeding by building infrastructure Develop strategies for the most youthful market in the world Companies are recognizing opportunities from diapers to music to medicine in a market growing younger every day Understand that Africa is not a media dark continent From Nollywood to satellite to broadband media is exploding on the continent Recognize the hidden strength of the African diaspora The African diaspora brings resources and knowledge to African development and expands the African opportunity beyond the continent Build Ubuntu markets Create profitable businesses sustainable growth and social organizations by meeting basic human needs

Media Dictatorship Cedrick Ngalande,2022-07-18 Media Dictatorship How Schools and Educators Can Defend Freedom of Speech outlines how the American media amasses enormous power and uses it to control every aspect of the people s lives including schools elections science and freedom of thought Even religious institutions supposedly answerable to God only are now being influenced and controlled by media This book discusses the devastating consequences of such control on democracy and our civilization and then offers suggestions on what can be done to identify media propaganda and defend freedom of speech The school system has always been the first line of defense for patriotism and democracy It is important for teachers to understand the consequences of a powerful media that does not tolerate diversity of thought This book will encourage teachers to cultivate independence of thought among students School administrators too have a responsibility to ensure that school campuses are sanctuaries of freedom of thought where leaders of tomorrow are taught to be tolerant of opposing views In the larger public outside the school campus Media Dictatorship will spur a robust debate about the kind of media that can help nurture our democracy and civilization

Mobile News Andrew Duffy,Rich Ling,Nuri Kim,Edson Tandoc, Jr.,Oscar Westlund,2020-12-17 The rise of the smartphone has shifted news from fixed publication to a flow of updateable information The chapters in this book investigate the implications for audiences industry

and society as news becomes mobile Wherever we go news from anywhere can reach us on our smartphones And wherever we are we can search up information specific to that place News is produced by mobile journalists MoJos as well as by citizens armed with smartphones reporting breaking news from crisis zones where information is uncertain or hyperlocal news from neighbourhoods where little happens Mobile technology allows citizens to engage deeply with a cause or to skim headlines so they know a little about a lot of things News is distributed on mobile networks and consumed by mobile audiences as they make their daily way through time and space coloured by their mobile devices It is consumed in the niches of life It intersects with place in new ways as geolocated news It pursues us wherever we are through push notifications And news has moved from fixed to fluid a flow of updateable information rather than a regularly issued product In this book the contributors take varied viewpoints on mobility and news its impact on what news is how journalists produce it and how it fits into everybody s everyday life The chapters in this book were originally published as a special issue of Digital Journalism
