The shifter has turned rogue and it is their job to hunt him down. Mark relocates the Squad to their base in West Virginia. When a camper mysteriously goes missing just a few hours away from their compound Lexi and Reece are sent to investigate. Lexi has a feeling that Mark knows more about the rogue wolf than he is willing to admit. When their two missions unexpectedly collide they are caught in a trap that could end up changing everything forever. Corpse Thieves With the vampire virus slowly but surely working its way through Lexi and Reece they must soon face down the being that has infected them or risk losing their souls to darkness. He is torn between his duty to his team and the lifelong dream that is now being offered to him. While he can postpone the inevitable he will eventually have to make a decision. Not even he knows what his final choice will be. It doesn't take long before their newest mission takes a turn for the worse. Lexi is confronted with an awful truth about herself that she has been trying her hardest to deny. Her survival depends on tapping a talent that could cause her own team to turn against her if they learn of its existence. Snake Charmer Defying the cycle of the moon that binds all shape shifters Lexi transforms into her alter ego in an attempt to flee from her sorrow and anguish. Little does she know that no matter how far or fast she runs she can't escape from her grief at being abandoned by her mate. Stepping back into her normal life isn't easy but Lexi must set aside her personal problems when one of her friends goes missing during their next mission. The team needs her to step up and become an alpha in deed rather than just in name. Even during her prolonged time spent as a werewolf the vampirism has been insidiously spreading through her.
