Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes 1 3 John In her commentary on John s letters Karen H Jobs writes to bridge the distance between academic biblical studies and pastors students and laypeople who are looking for an in depth treatment of the issues raised by these New Testament books She approaches the three letters of John as part of the corpus that includes John s gospel while rejecting an elaborate redactional history of that gospel that implicates the letters Jobs treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God Sin and its Remedy in Paul John K. Goodrich, Nijay K. Gupta, 2022-08-25 Though much studied Pauline soteriology can be seen afresh by giving focused attention to the apostle s language and conception of sin Sometimes Paul appears to present sin and disobedience as transgression while at other times sin is personified as an enslaving power Is there a single model or perspective that can account for Paul s conceptual range in his discussion of sin What does careful study of Paul s letters reveal about the christological and pneumatological remedies to the problem of sin as he conceives of them These questions are explored in the context of individual Pauline letters building a richer understanding of the apostle s attitude to sin and its remedy **Joshua / Judges for Beginners** Mike Mazzalongo, 2025-02-03 The books of Joshua and Judges reviews the significant changes and turmoil experienced by the Jewish people as they transitioned from a nomadic existence in the wilderness to a settled nation occupying the Promised Land *Unveiling Mary Magdalene* Liz Curtis Higgs, 2009-02-19 The veil has been lifted Discover the Gospel truth about the most myth understood woman of the New Testament Was Mary Magdalene a prostitute An adulteress The wife of Jesus An ancient goddess Liz Curtis Higgs best selling author of *Bad Girls of the Bible* and *Really Bad Girls of the Bible* combines heartfelt contemporary fiction with extensive biblical research to bring to life the real Mary Magdalene of the Bible With her own eyes she saw him With her own ears she heard him With her own hands she touched him *Unveiling Mary Magdalene* opens with the fictional journey of Mary Margaret Delaney a madwoman adrift in modern Chicago Her moving story closely paralleling the biblical account is followed by a verse by verse study of the first century Mary Magdalene and her life changing encounters with the Christ Liz has done it again What hope and promise this will bring Kay Arthur The unforgettable portrait of a courageous woman Rebecca St James The History of Revelation Floyd I. Buffenbarger, 2012-01-16 An in depth study of the history and culture setting behind the book of Revelation and the cruel leaders leading up to the apostle John s banishment to the isle of Patmos Patmos during John s time was the place where prisoners were sent live out their last days Yet today Patmos is a beautiful Greek island resort in the Aegean Sea just off the coast of Turkey It is here on the island that John will receive the vision to write while on the Lord s day John will be told to write those things that Daniel was commanded to close up and seal until the time of the end **Free at Last!** Lawrence A.

Pile,2019-07-22 The book is a straightforward commentary on the New Testament book of Galatians proceeding mostly verse by verse I make frequent application to the ways contemporary cult leaders and teachers and spiritually abusive pastors misinterpret and misapply the teachings of the scriptures The New Testament and the Future of the Cosmos Ryan P.

Juza,2020-11-05 The New Testament and the Future of the Cosmos is an exploration into the cosmic eschatology of the New Testament It invites the reader to grapple with two interrelated questions along with the author 1 What did the writers of the New Testament teach about the fate of the cosmos and 2 can we synthesize their teachings into a coherent New Testament theology By offering a close reading of key texts that inform the topic most notably Matt 24 29 31 Mark 13 24 27 Luke 21 25 28 Rom 8 19 22 Heb 12 25 29 2 Pet 3 4 13 and Rev 21 1 5 it is argued that one can with certain qualifications ascertain a clear and coherent New Testament message pertaining to the future of the cosmos Along the way new exegetical ground is broken in several passages by identifying a previously unnoticed theme that runs throughout the New Testament concerning the future of the cosmos God s judgment of the heavenly powers of evil as a key component to the cosmic transition At present these hostile powers hold the cosmos captive to death but on the Day of the Lord they will be overthrown setting the stage for a materially transformed world to emerge from the hand of God **2 Corinthians, Volume 8** David E.

Garland,2025-03-04 Theologians have not often mined 2 Corinthians for its theological gemstones but careful reading uncovers significant doctrinal insights It is not just an occasional letter that battles those inside and outside of the congregation who have belittled Paul for lacking power and glory He writes as a pastor dousing the flames of dissension disgruntlement toxic leadership and deviant theology Therefore what he says can be meaningful to ministers today who may face the same kinds of problems and seek to live a cruciform ministry The letter has relevance for the church universal and Paul s responses to the various issues are grounded in a well developed theological substructure The letter offers profound insights into the Trinity atonement reconciliation being in Christ cruciform ministry and the hope of the resurrection
