Zoo Station A John Russell Wwii Spy Thriller:

Zoo Station David Downing, 2007-05-01 By 1939 Anglo American journalist John Russell has spent over a decade in Berlin where his son lives with his mother. He writes human interest pieces for British and American papers avoiding the investigative journalism that could get him deported. But as World War II approaches he faces having to leave his son as well as his girlfriend of several years, a beautiful German starlet. When an acquaintance from his old communist days approaches him to do some work for the Soviets, Russell is reluctant but he is unable to resist the offer. He becomes involved in other dangerous activities, helping a Jewish family and a determined young American reporter. When the British and the Nazis notice his involvement with the Soviets, Russell is dragged into the murky world of warring intelligence services. *Stettin Station* David Downing, 2010-05-01 In the fall of 1941 Anglo American journalist John Russell is still living in Berlin, tied to the increasingly alien city by his love for two Berliners: his fourteen-year-old son Paul and his longtime girlfriend Effi. Forced to work for both German and American Intelligence, he's searching for a way out of Germany. Can he escape and take Effi with him? **Lehrter Station** David Downing, 2012-05-08 Caught between Soviets and Americans, John Russell can't escape his role as an accidental spy. Book 5 in the John Russell historical thriller series. It's 1945 and British journalist John Russell has finally reunited with his German girlfriend Effi in London after a dangerous flight from war-torn Berlin. But Russell realizes his new life in England isn't going to last when he is tracked down by Soviet agent Shchepkin, who helped Russell escape the disastrous last days of the war and the Russian army's destruction of Berlin. It is time to repay the debt, and Shchepkin's bosses in Moscow are not the forgiving types. Russell has no choice but to agree to be transferred back to Germany where he will resume his cover as an investigative journalist and hand over US intelligence reports on the German Communist Party. Meanwhile, Effi struggles to revive her acting career but she cannot fight the desire to uncover ex-Nazi Party members still at large in Berlin. In this dangerous new world where alliances change every day, will John and Effi be able to leave the past behind? Or are the new enemies the same as the old? **Potsdam Station** David Downing, 2010 Trapped in Berlin in the darkest days of 1945, British journalist John Russell, his girlfriend, and his son struggle to survive as the Third Reich collapses around them. **Wedding Station** David Downing, 2021-03-02 The prequel to David Downing's bestselling *Station* series introduces John Russell, an Englishman with a political past who must keep his head down as the Nazis solidify their power. February 27, 1933. In this stunning prequel to the John Russell espionage novels, the Reichstag parliament building in Berlin is set ablaze. It's just a month after Hitler's inauguration as Chancellor of Germany, and the Nazis use the torching to justify a campaign of terror against their political opponents. John Russell's recent separation from his wife threatens his right to reside in Germany, and any meaningful relationship with his six-year-old son Paul. He has just secured work as a crime reporter for a Berlin newspaper, and the crimes which he has to report—the gruesome murder of a rent boy, the hit-and-run death of a professional genealogist, the suspicious disappearance of a Nazi-supporting celebrity fortune teller—are increasingly

entangled in the wider nightmare engulfing Germany Each new investigation carries the risk of Russell s falling foul of the authorities at a time when the rule of law has completely vanished and the Nazis are running scores of pop up detention centers complete with torture chambers in every corner of Berlin Silesian Station David Downing,2008 John Russell plays a dangerous spy game on the eve of World War II Masaryk Station David Downing,2014-01-07 In this thrilling story of espionage Berlin is still occupied by the four Allied powers in 1948 and has become the cockpit of a new Cold War The legacies of the war have become entangled in the new Soviet American conflict creating a world of bizarre loyalties and a paradise for spies **Union Station** David Downing,2025-01-14 In this fascinating historical thriller a British journalist and former spy is adrift in McCarthy era Los Angeles until his research into a wartime conspiracy brings him face to face with the perilous instability of a post Stalin Berlin John Russell an English journalist who specializes in human interest pieces had always been a reluctant spy It s a dangerous life especially when you are tasked with being a double agent for Soviet and American intelligence in a city as fraught with hazard as Nazi occupied Berlin But it s been years now since Russell was finally able to extricate himself from his life of espionage through a shady deal with a high ranking Soviet official Now it s 1953 and Russell and his family his long time partner Effi Koenen a burgeoning star on an American sitcom and their daughter Rosa a young artist on the cusp of adulthood live a life of relative comfort in Los Angeles Feeling somewhat adrift Russell has just begun work on a book investigating American firms that continued doing business with Germany during Nazi occupation Then he notices someone is tailing him around Los Angeles Has someone not taken kindly to his research Or could it be that the deal Russell struck all those years ago has left him with unfinished business The answer may lie in Berlin where John and Effi decide to return for the Third Annual Berlin International Film Festival Braving the political disorder of a city that was once their home the two are thrust into a perilous mission to protect the life and safety they worked so hard to build **Zoo Station** David Downing,2017-04-13 Berlin 1939 Ancien communiste John Russell travaille pour la presse anglo saxonne Lorsqu un agent russe lui commande une s rie d articles logieux sur l Allemagne nazie destin e la Pravda dans le but de pr parer le pacte de non agression Russell se montre d abord r ticent puis accepte Ses contacts avec Moscou et Berlin attirent bient t l attention des services secrets anglais Apr s la mort myst rieuse d un journaliste Russell se retrouve possesseur d un terrible secret S il doit prot ger sa petite amie actrice dans les films officiels du r gime ainsi que son fils Russell pourra t il rester neutre face l horreur qui s annonce Avec un r alisme rare et un suspense soutenu David Downing interroge l une des plus sombres p riodes de notre histoire peut on refuser de s engager quand le pire est venir Ce premier volume des aventures de Russell qui ont rendu leur auteur c l bre en Angleterre et aux Etats Unis nous invite dans l intimit d un h ros en qu te d int grit que l on sera impatient de retrouver Dans l unit d lite des ma tres de l espionnage aux c t s de Philip Kerr David Downing excelle voquer les moindres d tails de la marche de l Allemagne vers la guerre The Washington Post L une des uvres les plus intelligentes et les plus convaincantes sur l Allemagne d avant guerre Wall Street Journal

widow's son who was eleven years old in the spring of 1938 discovers the carefully hidden diary the boarder had kept during his stay even though he never should have written any of its contents down What Walter finds is a chronicle of one the most tumultuous years in German history narrated by a secret agent on a deadly mission Josef Hofmann was not the returned Argentinian immigrant he'd said he was he was a communist spy under Moscow's command trying to reconnect with remaining members of Germany's suppressed communist party Hofmann's bosses believe the common workers are the only way to stop the German war machine from within Posing as a railroad man Hofmann sets out on his game of Russian roulette approaching Hamm's ex party members one at a time and delicately feeling out their allegiances He always knew his mission would most likely end in his death and he was satisfied to make that sacrifice for the revolution if it could help stop Hitler and his abominable ideology But as he grows close to the Gersdorffs accidentally stepping into the role of the father Walter never had Hofmann begins to wish for another kind of hope in his life *Lenin's Roller Coaster* David Downing, 2017-03-07
