Silence in the Quagmire Harriet E. H. Earle, 2025-05 In *Silence in the Quagmire* Harriet E H Earle uses silence to construct a narrative of the Vietnam War via U S comics Unlike the vast majority of cultural artifacts and scholarly works about the war which typically focus on white working class American servicemen and their experiences of combat Earle s work centers less visible players the Vietnamese on both sides of the conflict women and girls and returning veterans Earle interrogates the ways this conflict is represented in American comic books with special focus on these missing groups She discusses how and more critically why these groups are represented as they are if they re represented at all and the ways these representations have affected views of the war during and since Using Michel Foucault s understanding of silence as discourse Earle considers how both silence and silencing are mobilized in the creation of the U S centric war narrative Innovative in its structure and theoretical scaffolding *Silence in the Quagmire* deepens our understanding of how comic books have represented the violence and trauma of conflict

Anderson,2017-04-21 The term friendly fire was coined in the 1970s but the theme appears in literature from ancient times to the present It begins the narrative in Aeschylus's Persians and Larry Heinemann's Paco's Story It marks the turning point in Homer's Iliad Virgil's Aeneid the Chanson de Roland Stephen Crane's The Red Badge of Courage and Tim O'Brien's Going

After Cacciato It is the subject of transformative disclosure in Jaan Kross's *Czar's Madman* Ron Kovic's *Born on the Fourth of July* O'Brien's *In the Lake of the Woods* and A.B. Yehoshua's *Friendly Fire* In some stories events propel the characters into a friendly fire catastrophe as in Thomas Taylor's *A Piece of this Country* and Oliver Stone's 1986 film *Platoon* This study examines friendly fire in a broad range of literary contexts

The Morality of the Laws of War Marcela Prieto Rudolph, 2023-05-04 Combatants are equal under the laws of armed conflict regardless of whether the wars they fight are just or unjust legal or illegal They are permissible targets and can kill each other in battle This basic feature of international law has been recently put into question by a group of moral philosophers known as revisionists who argue that just combatants in an unjust war should be considered innocents and their deaths considered murder Dr Prieto Rudolph explains and assesses the conflict between the revisionist argument and the existing legal norms in *The Morality of the Laws of War* War Law and Murder The book provides an in-depth assessment of modern ethical thought on killing in wartime deconstructing the revisionist view of war and offering a new perspective on the legal equality of combatants Prieto Rudolph not only examines the tension between the revisionist morality and the traditional thesis of symmetry between combatants but proposes a contingent justification of the latter and an alternative morality of war Underlying both is the inescapable fact that regulating war is always a moral compromise At the same time she argues that there is urgent moral pressure to improve our laws to bring them closer to an ideal whereby war does not exist *The Morality of the Laws of War* is a must read for scholars of moral philosophy and international law from students to experts providing a thorough account of contemporary debates on the ethics of warfare and using nuanced arguments to illuminate a fresh perspective

art war that raged between 1979 and 1984 over what kind of memorial should be built to honor the men and women who died in the Vietnam War The story intertwines art politics historical memory patriotism racism and a fascinating set of characters from those who fought in the conflict and those who resisted it to politicians at the highest level At its center are two enduring figures Maya Lin a young Asian American architecture student at Yale whose abstract design won the international competition but triggered a fierce backlash among powerful figures and Frederick Hart an innovative sculptor of humble origins on the cusp of stardom James Reston Jr a veteran who lost a close friend in the war and has written incisively about the conflict s bitter aftermath explores how the debate reignited passions around Vietnam long after the war s end and raised questions about how best to honor those who fought and sacrificed in an ill advised war Richly illustrated with photographs from the era and design entries from the memorial competition *A Rift in the Earth* is timed to appear alongside Ken Burns s eagerly anticipated PBS documentary *The Vietnam War* The memorial appears as a rift in the earth a long polished black stone wall emerging from and receding into the earth Maya Lin I see the wall as a kind of ocean a sea of sacrifice I place these figures upon the shore of that sea Frederick Hart

The American War in Viet Nam Susan Lyn Eastman, 2024-01-12 We have been waiting for a book on war and memory about the American War in Vietnam both about the Americans and the Vietnamese in the new century of the Desert Wars of Afghanistan and Iraq Susan Lyn Eastman has fulfilled that expectation and she has done so with a study impressive in its range of topical issues texts and commentary Philip D Beidler Margaret and William Going Professor of English University of Alabama After more than four decades the Viet Nam War continues to haunt our national memory culture politics and military actions In this probing interdisciplinary study Susan Lyn Eastman examines a range of cultural productions from memorials and poetry to cinematic and fictional narratives that have tried to grapple with the psychic afterlife of traumatic violence resulting from the ill fated conflict in Southeast Asia Underpinning the book is the notion of prosthetic memory which involves memories acquired by those with no direct experience of the war such as readers and filmgoers Prosthetic memories Eastman argues refuse to relegate the war to the forgotten past and challenge the authenticity of experience thus ensuring its continued relevance to debates over America s self conception specifically her coinage of the New Vietnam Syndrome and the country s role in world affairs when it comes to contemporary military interventions With the notable exception of the Veterans Memorial in Washington Eastman s focus is on works produced from the Persian Gulf War 1990 91 through the post 9 11 War on Terror She looks not only at American representations of the war from movies like Randall Wallace s *We Were Soldiers* to poems by W D Ehrhart Yusef Komunyakaa and others but also at novels by Vietnamese authors Bao Ninh and Huong Thu Duong The experiences of women figure prominently in the book Eastman devotes a chapter to the Vietnam Women s Memorial and another to Sandie Frazier s novel *I Married Vietnam* and Oliver Stone s film *Heaven and Earth* based on memoirs by Le Ly Hayslip And by examining Jessica Hagedorn s *Dream Jungle* a novel inspired by the filming of *Apocalypse Now* she considers how the war s

repercussions were felt in other countries in this case the Philippines Her investigation of Vietnamese American authors Lan Cao Andrew Lam and GB Tran adds a transnational dimension to the study SUSAN LYN EASTMAN teaches in the Department of English at the University of Tennessee at Chattanooga
