The St Louis African American Community And The Exodusters:

The St. Louis African American Community and the Exodusters Bryan M. Jack, 2008-02-01 In the aftermath of the Civil War thousands of former slaves made their way from the South to the Kansas plains Called Exodusters they were searching for their own promised land Bryan Jack now tells the story of this American exodus as it played out in St Louis a key stop in the journey west Many of the Exodusters landed on the St Louis levee destitute appearing more as refugees than as homesteaders and city officials refused aid for fear of encouraging more migrants To the stranded Exodusters St Louis became a barrier as formidable as the Red Sea and Jack tells how the city s African American community organized relief in response to this crisis and provided the migrants with funds to continue their journey The St Louis African American Community and the Exodusters tells of former slaves such as George Rogers and Jacob Stevens who fled violence and intimidation in Louisiana and Mississippi It documents the efforts of individuals in St Louis such as Charlton Tandy Moses Dickson and Rev John Turner who reached out to help them But it also shows that black aid to the Exodusters was more than charity Jack argues that community support was a form of collective resistance to white supremacy and segregation as well as a statement for freedom and self direction reflecting an understanding that if the Exodusters right to freedom of movement was limited so would be the rights of all African Americans He also discusses divisions within the African American community and among its leaders regarding the nature of aid and even whether it should be provided In telling of the community s efforts a commitment to civil rights that had started well before the Civil War Jack provides a more complete picture of St Louis as a city of Missouri as a state and of African American life in an era of dramatic change Blending African American southern western and labor history The St Louis African American Community and the Exodusters offers an important new lens for exploring the complex racial relationships that existed within post Reconstruction America

Bridging the Red Sea Bryan M. Jack, 2004 **The St. Louis African American Community and the Exodusters** Bryan M. Jack, 2007 A story of former slaves searching for their own promised land after the Civil War Fleeing the South and trying to reach Kansas many became stranded in St Louis Jack tells how the city s African American community provided food shelter and funds to help the Exodusters complete their journey Provided by publisher **Ideas and Movements That Shaped America** Michael Green, Scott L. Stabler, 2015-07-28 America was founded on bold ideas and beliefs This book examines the ideas and movements that shaped our nation presenting thorough accessible entries with sources that improve readers understanding of the American experience Presenting accessibly written information for general audiences as well as students and researchers this three volume work examines the evolution of American society and thought from the nation s beginnings to the 21st century It covers the seminal ideas and social movements that define who we are as Americans from the ideas that underpin the Bill of Rights to slavery the Civil Rights movement and the idea of gay rights even if U S citizens often strongly disagree on these topics Organized topically rather than chronologically this encyclopedia combines primary

sources and secondary works or historical analyses with text describing the ideas and movements in question In addition each entry includes a list of suggestions for further reading that directs readers to supplementary sources of information The set s unique perspective serves to depict how American society has evolved from the nation s beginnings to the present revealing how Americans as a people have acted and responded to key ideas and movements

[The New Negro in the Old South](#) Gabriel A. Briggs,2015-11-13 Standard narratives of early twentieth century African American history credit the Great Migration of southern blacks to northern metropolises for the emergence of the New Negro an educated upwardly mobile sophisticate very different from his forebears Yet this conventional history overlooks the cultural accomplishments of an earlier generation in the black communities that flourished within southern cities immediately after Reconstruction In this groundbreaking historical study Gabriel A Briggs makes the compelling case that the New Negro first emerged long before the Great Migration to the North The New Negro in the Old South reconstructs the vibrant black community that developed in Nashville after the Civil War demonstrating how it played a pivotal role in shaping the economic intellectual social and political lives of African Americans in subsequent decades Drawing from extensive archival research Briggs investigates what made Nashville so unique and reveals how it served as a formative environment for major black intellectuals like Sutton Griggs and W E B Du Bois The New Negro in the Old South makes the past come alive as it vividly recounts little remembered episodes in black history from the migration of Colored Infantry veterans in the late 1860s to the Fisk University protests of 1925 Along the way it gives readers a new appreciation for the sophistication determination and bravery of African Americans in the decades between the Civil War and the Harlem Renaissance

Organizing Black America: An Encyclopedia of African American Associations Nina Mjagkij,2003-12-16 With information on over 500 organizations their founders and membership this unique encyclopedia is an invaluable resource on the history of African American activism Entries on both historical and contemporary organizations include African Aid Society African Americans for Humanism Black Academy of Arts and Letters Black Women s Liberation Committee Minority Women in Science National Association of Black Geologists and Geophysicists National Dental Association National Medical Association Negro Railway Labor Executives Committee Pennsylvania Freedmen s Relief Association Women s Missionary Society African Methodist Episcopal Church and many more
