The Stories We Tell Mike Cosper, 2014-08-31 The average American watches 5 hours of TV every day Collectively we spend roughly 30 billion on movies each year Simply put we re entertainment junkies But can we learn something from our insatiable addiction to stories Mike Cosper thinks so From horror flicks to rom coms the tales we tell and the myths we weave inevitably echo the narrative underlying all of history the story of humanity s tragic sin and God s triumphant salvation This entertaining book connects the dots between the stories we tell and the one great Story helping us better understand the longings of the human heart and thoughtfully engage with the movies and TV shows that capture our imaginations

The Stories We Tell Valerie N. Faulkner, Patricia L. Marshall, Lee V. Stiff, 2019-08-29 The Stories We Tell Math Race Bias Opportunity positions educators as professional decision makers whose every day choices are deeply consequential After exploring topics ranging from the early identification of talent the use of demographic characteristics to make academic decisions and the problematic casting of a gap in mathematical performance as about the students themselves the book explores how professional decision making and a more precise use of data can impact mathematical performance outcomes With gentle precision the book analyzes the patterns of practice in place as educators sort children according to perceived needs Through case studies the authors reconfigure the mathematics achievement gap as being about opportunity provided or denied at both the classroom and systemic levels The book has implications for school personnel as well as others curious about how opportunity impacts outcomes and how data is or is not used to make decisions about children Educators who challenge themselves to engage with the possibility of bias and then face the stories we tell ourselves about the race talent development student merit relationship will have the opportunity to write a powerful and equitable story going forward

The Stories We Tell Joanna Gaines, 2022-11-08 AN INSTANT NEW YORK TIMES BESTSELLER Imagine if all the worn out untrue painful chapters of our lives started to quiet and the beautiful unique pieces of who we are were to rise Imagine if the stories we tell brought us back to our true selves back to one another Imagine if they spoke of how we loved and lost and tried our best How we saw it all even the parts that hurt Joanna Gaines new book The Stories We Tell invites us on an authentic and deeply vulnerable journey into her story and helps shine a light on the beauty of our own guiding us to release the weights that hold us back so we may live and share our story in truth We ve all dropped anchor in places that suited us for a time a city a perspective a lie we mistook as truth This book is an invitation to a kind of life where you know how to hold what you believe about yourself and the quiet worlds behind the people you pass with gracious and open hands To see your story as greater than any past or future thing but for all the beauty and joy and hope it holds today It s an invitation to take stock of the chapters you ve lived the good and the bad the beautiful and the ugly glean what s gold and carry only that forward Let it slow your feet and steady your life in motion so you can see where you stand today from a new point of view No longer through weary or uncertain eyes but a lens brimming with hope The only way to break free was to rewrite my

story Because something would happen every time my pen stopped It was like my soul was coming back to my body Like the deepest parts of me that got knocked around and drowned out by all the crap I let the world convince me about who I was came back to the surface And what was left was only what was real and true I was finally standing in the fullness of my story I felt hopeful I felt full Our story may crack us open but it also pieces us back together We all have a story to tell This happens to be mine every chapter a window into who I am the journey I m on and the season I m in right now Because this is my story maybe you won t always relate or maybe it will feel like you re looking in a mirror Whatever we have in common and whatever differences lie between us I only hope my story can help shine a light on the beauty of yours That my own soul work will stir something of your own And that by the time you get to the end of my story you re also holding the beautiful beginnings of your own A story only you can tell And I hope that you will Joanna *The Stories We Tell Ourselves* J.
