The Structure Of Biblical Authority

Alexander Balmain Bruce

The Structure Of Biblical Authority:

The Structure of Biblical Authority Meredith G. Kline,1975 **The Structure of Biblical Authority** Meredith G. Kline,1997-11-05 This Wipf Stock reprint edition of The Structure of Biblical Authority by Meredith Kline is a digitally scanned facsimile of the William B Eerdmans Publishing Company edition published in 1975 **Calvin's Doctrine of Biblical Authority** Abd-el-Masih Istafanous,2010-09-06 Calvin s Doctrine of Biblical Authority offers a profound new approach to a long debated topic Istafanous draws upon Calvin s twofold structure regarding salvation to illumine the Reformer s twofold knowledge of God with particular focus on biblical authority In doing so Istafanous presents Calvin s view of biblical authority framed within modern discussions of inspiration In the 1539 edition of the Institutes and in all subsequent editions John Calvin presented justification and sanctification as the twofold grace of God He repeatedly taught this concept in all of his commentaries sermons and other writings More than any other reformer Calvin used the twofold grace to express the full relationship between justification and sanctification In the definitive edition of the Institutes 1559 Calvin introduced the concept of the twofold knowledge of God This framework has been considered by many as the ordering principle of the Institutes and all of Calvin s theology Istafanous argues that the twofold Grace inspired Calvin to introduce the concept of the twofold knowledge in 1559 Thus the twofold grace of God provides the key to understanding the twofold knowledge specifically and Calvin s theology generally **The Enduring Authority of the Christian Scriptures** D. A. Carson,2016-02-29 Valuable insights into key disputed topics from a veritable who s who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come

God's Word Alone---The Authority of Scripture Matthew Barrett,2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God s

people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it's so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches The Drama of Doctrine Kevin J.

Vanhoozer, 2005-01-01 Observing a strange disappearance of doctrine within the church Kevin Vanhoozer argues that there is no more urgent task for Christians today than to engage in living truthfully with others before God He details how doctrine serves the church the theater of the gospel by directing individuals and congregations to participate in the drama of what God is doing to renew all things in Jesus Christ Taking his cue from George Lindbeck and others who locate the criteria of Christian identity in Spirit-led church practices Vanhoozer relocates the norm for Christian doctrine in the canonical practices which he argues both provoke and preserve the integrity of the church's witness as prophetic and apostolic

Hermeneutics, Authority, and Canon D. A. Carson, John Woodbridge, 2005-03-09 Among the many recent discussions of the nature and authority of Scripture I would judge this to be one of the most valuable Particularly in those essays that deal with the actual phenomena of the text of Scripture it displays a level of sophistication and of sympathetic awareness of alternative views that has too often been lacking In contrast to the backs to the wall tone of some conservative defenses of inerrancy these authors write for the most part with the confidence of those who have a coherent and well-grounded position to offer The volume will I believe both help to commend Evangelical doctrine to those who suspect it of blind obscurantism and also contribute significantly to mutual understanding among Evangelicals who are too ready to polarize over their different assessments of what it means to honor Scripture as the Word of God R T France Vice Principal London Bible College These thought-minded essays are the channel through which conservative scholars must steer for competent interaction with current critical theories for helpful direction in focusing the battle over Scripture and for reflection of conflict areas that

Evangelicals must themselves resolve This work rises above the shallow shadow boxing over inerrancy and engages central concerns with academic ability and dignity It puts on the agenda issues that Evangelical leaders must now wrestle Does the Bible contain different kinds of truth Is all divine revelation rational Is the canon really post apostolic No reader will agree with all that is said some will loudly disagree here and there But all students will be stimulated and serious readers edified at the frontiers of current debate Carl F H Henry Lecturer at Large World Visio **Lovely Like Jerusalem** Aidan

Nichols,2009-12-23 You are beautiful as Tirzah my love lovely like Jerusalem Song of Songs The highly regarded spiritual writer and theologian Fr Aidan Nichols O P presents an overview of the Old Testament by showing what it is and its relationship to the New Testament He explains that it is essential for one to be familiar with the Old Testament in order to understand properly and in a deeper way the richness and message of the New In particular Fr Nichols shows how important it is to grasp that connection in order to understand better and to believe in the message and the person of Christ Ignorance of the Old Testament makes it impossible to comprehend the entire divine plan that stretches between the two Testaments Nichols maintains that we are ill equipped to read and understand the great theologians saints and Scripture commentators of the Christian era without a deep familiarity with the Old Testament Even understanding and appreciating the art of the Church remains limited if the Old Testament is a closed book for us Nichols made use of studies by biblical experts from various Christian denominations notably Evangelicals and Anglicans in writing this widely appealing work He also drew on the Fathers and Doctors of the Church to help illuminate the beauty of the relationship between the two Testaments

Justification and the Kingdom of God, Volume Three Paul Chul Hong Kang,2025-02-20 The Justification and Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God s image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God s image uncovering hidden treasures Now the challenge is whether the reader will accept these treasures The Kingdom of Faith asks a significant question What is the highest goal of your life The Bible teaches that this goal is the growth of God s image within humanity a promise that has never failed A life conformed to the image of Jesus Christ brings great joy to humanity s Heavenly Father and glorifies him Such a life invites the help of the Holy Spirit and carries eternal value in Jesus This book encourages readers to see earthly life as a precious opportunity to think speak and live in a way that loves God and one s neighbor by faith This reminds readers that Our Father does far more abundantly than all that we ask or think according to the power that works within us **Invitation to Christian Ethics** Ken Magnuson,2020-09-29 A comprehensive introduction to

Christian ethics addressing today s most challenging moral issues Invitation to Christian Ethics is an indispensable guide for helping pastors counselors and everyday Christians navigate today s difficult moral questions Readers will benefit from Ken Magnuson s survey of ethics from a biblical perspective as well as contemporary theories of moral reasoning This survey is

followed by twelve chapters devoted to some of the thorniest issues Christians encounter today such as Sexuality including homosexuality sexual identity and gender Marriage and divorce Infertility and assisted reproductive technologies Abortion Physician assisted suicide Race relations Creation care Capital punishment Just war pacifism and the use of lethal force Magnuson provides biblical insight into each topic and presents key moral considerations He also answers specific practical questions that arise and concludes with a summary of his recommended approach to each issue Readers will learn how to grapple with difficult moral questions and will receive guidance for some of life's most challenging ethical conundrums

How the Bible Works Brian Malley, 2004 What do evangelicals believe when they believe in the Bible Despite hundreds of English versions that differ in their texts evangelicals continue to believe that there is a stable text the Bible which is the authoritative word of God and an essential guide to their everyday lives To understand this phenomenon of evangelical Biblicism anthropologist and biblical scholar Brian Malley looks not to the words of the Bible but to the Bible believing communities For as Malley demonstrates it is less the meaning of the words of the Bible itself than how the Bible provides a proper ground for beliefs that matters to evangelicals Drawing on recent cognitive and social theory and extensive fieldwork in an evangelical church Malley's book is an invaluable guide for seminarians social scientists of religion or for anyone who wants to understand just how the Bible works for American evangelicals Biblical Authority after Babel Kevin J.

Vanhoozer, 2016-10-18 Christianity Today Book Award Winner A Jesus Creed Church History Book of the Year In recent years notable scholars have argued that the Protestant Reformation unleashed interpretive anarchy on the church Is it time to consider the Reformation to be a 500 year experiment gone wrong World renowned evangelical theologian Kevin Vanhoozer thinks not While he sees recent critiques as legitimate he argues that retrieving the Reformation's core principles offers an answer to critics of Protestant biblical interpretation Vanhoozer explores how a proper reappropriation of the five solas sola gratia grace alone sola fide faith alone sola scriptura Scripture alone solus Christus in Christ alone and sola Deo gloria for the glory of God alone offers the tools to constrain biblical interpretation and establish interpretive authority He offers a positive assessment of the Reformation showing how a retrieval of mere Protestant Christianity has the potential to reform contemporary Christian belief and practice This provocative response and statement from a top theologian is accessibly written for pastors and church leaders

Plundering the Egyptians John J. Yeo, 2009-11-16 Plundering the Egyptians focuses on the study of the Old Testament at Westminster Theological Seminary from 1929 to 1998 More specifically it presents the lives and academic labors of Robert Dick Wilson 1929 1930 Edward Joseph Young 1936 1968 Raymond Bryan Dillard 1969 1993 and Tremper Longman III 1981 1998 These featured scholars were highly influential in changing the shape of Old Testament studies at Westminster through the introduction of novel scholarly tools and ideas that reveal methodological and theological development Their individual historical contexts scholarly contributions and interactions with historical critical scholarship are presented and analyzed Modifications in their respective methodologies are highlighted and

often indicate significant shifts within the Old Princeton Westminster trajectory from an anti critical stance toward a position of openness toward historical critical methodology and its conclusions The implications of these shifts within Westminster are important because they mirror the current changes and challenges in evangelicalism today God's Kingdom through His Priest-King J. Alexander Rutherford,2019-05-24 Though many studies have probed the significance of the Davidic Covenant 2 Sam 7 1 17 within the biblical canon few have endeavoured to explore its significance within the narrative of Samuel This thesis argues that by weaving references to God s promises made to David collectively known as the Davidic Covenant throughout his narrative that author of Samuel reveals God s will to strip away all human pretension by bringing His promises to fulfillment through the lowly David whose ascension to kingship and endurance therein is owing all to God In this way the author fulfills his purpose to demonstrate God s sovereign working in history to establish His kingdom on earth through His chosen priest king a descendant of David in fulfillment of the promises He made beforehand Engaging in a literary close reading of the text of Samuel the author shows how the narrative of Samuel is shaped towards this end

Adam, Christ and Covenant A. T. B. McGowan,2016-07-21 McGowan reviews challenges to and disagreements over Reformed covenant theology and proposes that its strengths can best be retained by separating the two key ideas of union with Adam Christ and God s covenantal dealings with his people *Word, Water, and Spirit* John V. Fesko,2013-08-26 This book represents a substantial accomplishment one that provides a useful resource for those wanting to deepen their understanding of the sacraments particularly baptism Reflecting a massive amount of research against the background of an in depth survey of various views of baptism in church history Fesko provides an extensive exegetical and biblical theological study of the covenantal and eschatological significance of baptism followed by systematic theological reflections on key issues like baptism as a means of grace the efficacy of baptism the biblical warrant for infant baptism and against paedocommunion and the importance of baptism for the church One need not agree with his reflections at every point to benefit from his considerable labors Richard B Gaffin Jr Professor of Biblical and Systematic Theology Emeritus Westminster Theological Seminary *Covenant Theology* Guy Prentiss Waters,J. Nicholas Reid,John R. Muether,2020-10-16 A Comprehensive Exploration of the Biblical Covenants This book forms an overview of the biblical teaching on covenant as well as the practical significance of covenant for the Christian life A host of 26 scholars shows how covenant is not only clearly taught from Scripture but also that it lays the foundation for other key doctrines of salvation The contributors who engage variously in biblical systematic and historical theology present covenant theology not as a theological abstract imposed on the Bible but as a doctrine that is organically presented throughout the biblical narrative As students pastors and church leaders come to see the centrality of covenant to the Christian faith the more the church will be strengthened with faith in the covenant keeping God and encouraged in their understanding of the joy of covenant life **Canon Revisited** Michael J. Kruger,2012-04-30 Given the popular level conversations on phenomena like the Gospel of Thomas and Bart

Ehrman's Misquoting Jesus as well as the current gap in evangelical scholarship on the origins of the New Testament Michael Kruger's Canon Revisited meets a significant need for an up to date work on canon by addressing recent developments in the field He presents an academically rigorous yet accessible study of the New Testament canon that looks deeper than the traditional surveys of councils and creeds mining the text itself for direction in understanding what the original authors and audiences believed the canon to be Canon Revisited provides an evangelical introduction to the New Testament canon that can be used in seminary and college classrooms and read by pastors and educated lay leaders alike In contrast to the prior volumes on canon this volume distinguishes itself by placing a substantial focus on the theology of canon as the context within which the historical evidence is evaluated and assessed Rather than simply discussing the history of canon rehashing the Patristic data yet again Kruger develops a strong theological framework for affirming and authenticating the canon as authoritative In effect this work successfully unites both the theology and the historical development of the canon ultimately serving as a practical defense for the authority of the New Testament books Inspiration and inerrancy. Inaugural address [The authority of holy Scripture] by C.A. Briggs. Together with papers upon biblical scholarship and inspiration by L.J. Evans and H.P. Smith, and an intr. by A.B. Bruce Alexander Balmain Bruce, 1891 *Believer's Baptism* Thomas R. Schreiner, Shawn Wright, E. Ray Clendenen, 2007-01-01 The second volume in the NEW AMERICAN COMMENTARY STUDIES IN BIBLE THEOLOGY series addresses the issue of believer's baptism its Scriptural basis historical and theological challenges to the practice and how it applies to faith today

Thank you for downloading **The Structure Of Biblical Authority**. As you may know, people have look numerous times for their chosen novels like this The Structure Of Biblical Authority, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they cope with some harmful bugs inside their desktop computer.
