Celtic Songs and Blessings Esther de Waal,2020-01-01 IN THIS introduction to songs and blessings collected from the oral tradition of the Hebrides Esther de Waal uses the poems themselves to evoke a vision of the wholeness of life We are seen to belong to a common creation responsible for the natural world but essentially at peace with it secure in the knowledge that wherever we go we are under God s heaven and that God can be found close at hand under our very roofs We are

encouraged to make some of the prayers included here our own to find ourselves befriended by God and the saints as we talk to them with unforced simplicity and candour So we discover that it is through the rites of ordinariness that the rhythm of eternity penetrates our days and nights *Meeting Spirit Beings* Bob Woodward,2024-04-15

How can we connect and converse with our personal spirit guides our guardian angel and even the Christ In a compelling and uplifting new work Bob Woodward offers advice and suggestions on how we can link consciously with the spirit beings who seek to support us in everyday life He demonstrates how by reaching out to them we can facilitate greater engagement and even direct dialogue In the first part of *Meeting Spirit Beings* we are introduced to human qualities that can awaken us to our personal spirit guides Intentionality silence trust and gratitude are all important milestones on our inner path Bob shares personal reflections as well as actual conversations with his own guides who offer insights into methods and processes In the second part of the book we are encouraged to build a mindful relationship with our guardian angel who accompanies us on earth after death

and during future incarnations We are taught how to coordinate our life's path with our angel and to facilitate a healing and supportive relationship Finally the author offers transcripts of an extraordinary series of conversations with the Christ being a dialogue he initiated one Christmas If Christ is there to offer love and support to all human beings should it not be possible to enter into direct dialogue with him Bob's attempts result in an inspiring series of discussions that offer beautiful perceptions of the meaning of life death and eternity
