The Solitaire Mystery Jostein Gaarder:

Kabalmysteriet Jostein Gaarder,1996 In *The Solitaire Mystery* Hans Thomas and his father set out on a car trip through Europe from Norway to Greece the birthplace of philosophy in search of Hans Thomas's mother who left them many years earlier On the way Hans Thomas receives a mysterious miniature book the fantastic memoir of a sailor shipwrecked in 1842 on a strange island where a deck of cards has come to life But how do these stories fit together Who is the little man who keeps cropping up on their trip And why must Hans Thomas learn about the distant past before he can understand his mother's more recent disappearance Structured as a deck of cards each chapter is one card in the deck *The Solitaire Mystery* weaves together fantasy and reality fairy tales and family history Full of questions about the meaning of life it will spur its readers to reexamine their own *Solitaire Mystery* Jostein Gaarder,1990 **The Christmas Mystery** Jostein

Gaarder,1996-11-13 In the corner of a dusty old bookstore Joachim discovers a magic advent calendar When he opens the first window on December first a small piece of paper falls out containing the story of a little girl named Elisabet Using his historical insight and beautiful imagination Jostein Gaarder has created a unique and exciting holiday story for the whole family Beautifully illustrated *The Christmas Mystery* will make a wonderful permanent addition to the literature of Christmas

Gurdjieff and Orage Paul Beekman Taylor,2001-03-01 This title provides a glimpse into the nature of the thought of two influential men and the origins of the spiritual path they taught Known as esoteric teachers Gurdjieff especially is well known in the West to those who follow the occult tradition Scores John Clute,2016-11-24 For more than 50 years John Clute has been reviewing science fiction and fantasy As *Scores* demonstrates his devotion to the task of understanding the central literatures of our era has not slackened There are jokes in *Scores* and curses and tirades and apologies and riffs but every word of every review in the end is about how we understand the stories we tell about the world Following on from his two previous books of collected reviews *Strokes* and *Look at the Evidence* this book collects reviews from a wide variety of sources but mostly from *Interzone* the *New York Review of Science Fiction* and *Science Fiction Weekly* Where it has seemed possible to do so without distorting contemporary responses to books these reviews have been revised sometimes extensively 125 review articles over 200 books reviewed in more than 214 000 words *Philosophising the Dialogos Way towards*

Wisdom in Education Guro Hansen Helskog,2019-03-05 *Philosophising the Dialogos Way towards Wisdom in Education* proposes the innovative and holistic *Dialogos* approach to practical philosophy as a way of facilitating wisdom oriented pedagogy The book encourages individual and collective development through dialectical interplays between personal life philosophical concepts and subject matter Based on two decades of the author's reflective pedagogical practice research this book develops a philosophy of dialogical relationships It analyses approaches to philosophical practice and suggests facilitation moves and philosophical exercises that can be adapted across educational levels school subjects and higher education disciplines Chapters provide examples of transformative philosophical group dialogues and suggest pathways

towards multi perspective thinking mutual understanding and wisdom in culturally diverse contexts Philosophising the Dialogos Way towards Wisdom in Education can be used as a holistic approach to democracy education peace education education for sustainable living and wellbeing The book will be of great interest to academics researchers and students in the fields of teacher education philosophy of education and higher education It will also appeal to practising professionals such as teachers and teacher educators in secondary and higher education The Soulbane Stratagem Norman Jetmundsen,2000

Folktales and Fairy Tales Anne E. Duggan Ph.D.,Donald Haase Ph.D.,Helen J. Callow,2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource *News of Norway* ,1991 *Translation Review* ,1995 The Publishers Weekly ,1997

Kliatt Young Adult Paperback Book Guide ,1996 **Essentials of Children's Literature** Carol Lynch-Brown,Carl M. Tomlinson,1999 The sixth edition Essentials of Children s Literature offers a concise straightforward presentation of children s literature that engages students and motivates them to share literature with children Written with a comprehensive facts only approach this lucid resource offers an abundance of examples to illustrate how to use children s literature in the classroom **Vita Brevis** Jostein Gaarder,2010-11-25 A box of Latin manuscripts comes to light in an Argentine flea market An apocryphal invention by some 17th or 18th century scholar or a transcript of what it appears to be a hitherto unheard of letter to St Augustine to a woman he renounced for chastity VITA BREVIS is both an entrancing human document and a fascinating insight into the life and philosophy of St Augustine Gaarder s interpretation of Floria s letter is as playful inventive and questioning as SOPHIE S WORLD **The Rhetoric of Character in Children's Literature** Maria Nikolajeva,2002 Now available in paperback Until now there was no theoretical research of character in children s fiction and very few comprehensive theoretical studies of literary characters in general In her latest intellectual foray the author of

From Mythic to Linear ponders the art of characterization Through a variety of critical perspectives she uncovers the essential differences between story what we are told and discourse how we are told and carefully distinguishes between how these are employed in children s fiction and in general fiction Yet another masterful work by a leading figure in contemporary criticism **Reflections of Change** International Research Society for Children's Literature.

Congress,International Research Society for Children's Literature,1997-01-30 Over the past fifty years children s literature has freed itself of many traditional restrictions and become a field of exciting innovations in both form and content The new status of children s literature has been accompanied by an unprecedented growth in research on children s literature internationally This volume explores the many changes that have taken place in the past half century in children s literature showing how those changes reflect our rapidly changing world and attempt to prepare children for the new millennium Among the issues discussed are the shifting boundaries between children s literature and adult literature postmodern trends paradigm shifts national literatures and the reconceptualization of the past *The Literary Review* ,1996 **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index **Kaapse bibliotekaris** ,1997 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 *Library of Congress Information Bulletin* ,2005
