The Southern Haunting Of Truman Capote:

The Southern Haunting of Truman Capote Marie Rudisill, 2000-10-01 Like many Southern writers of the 1930s and 1940s who as a group created the richest most memorable body of regional literature in the history of American letters Truman Capote eventually journeyed northward As the years passed Capote's moorings to his Southern past grew weaker and weaker and he deliberately cut himself off from the people and places that provided fodder for much of his early fiction The Southern Haunting of Truman Capote is a thoughtful reflection on the literary origins of four of Capote's important early works A Christmas Memory The Grass Harp Children on Their Birthdays and Other Voices Other Rooms in light of the boyhood experiences that inspired them Marie Rudisill a younger sister of Capote's mother was the only one of her nephew's companions to have known him well his entire life Because of this close relationship she gained a unique perspective on her nephew's development as one of America's leading novelists Written at the encouragement of Capote's longtime editor Joe Fox The Southern Haunting of Truman Capote provides a useful point of view for understanding Capote's work *The New Encyclopedia of Southern Culture* M. Thomas Inge, Charles Reagan Wilson, 2014-02-01 Offering a comprehensive view of the South's literary landscape past and present this volume of The New Encyclopedia of Southern Culture celebrates the region's ever flourishing literary culture and recognizes the ongoing evolution of the southern literary canon As new writers draw upon and reshape previous traditions southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures a development thoughtfully explored in the essays here Greatly expanding the content of the literature section in the original Encyclopedia this volume includes 31 thematic essays addressing major genres of literature theoretical categories such as regionalism the southern gothic and agrarianism and themes in southern writing such as food religion and sexuality Most striking is the fivefold increase in the number of biographical entries which introduce southern novelists playwrights poets and critics Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship **Mockingbird** Charles J. Shields, 2024-05-01 This biography will not disappoint those who loved the novel and the feisty independent fiercely loyal Scout in whom Harper Lee put so much of herself Garrison Keillor The New York Times Book Review An extensively revised and updated edition of the New York Times bestselling biography of Harper Lee reframed from the perspective of the recent publication of Lee's *Go Set a Watchman* To Kill a Mockingbird the twentieth century's most widely read American novel has sold thirty million copies and still sells a million yearly In this in depth biography first published in 2006 Charles J Shields brings to life the woman who gave us two of American literature's most unforgettable characters Atticus Finch and his daughter Scout Years after its initial publication with revisions throughout the book and a new epilogue Shields finishes the story of Harper Lee's life up to its end There's her former agent getting her to transfer the copyright for To Kill a Mockingbird to him the death of Lee's dear sister Alice a fuller portrait of Lee's editor Tay Hohoff and most vitally

the release of Lee's long buried first novel and the ensuing public devouring of what has truly become the book of the year if not the decade. Go Set a Watchman To every To Kill a Mockingbird reader I send this message The story isn't over There's so much more to come and you'll find it all in Charles Shields' delightful and insightful Mockingbird Homer Hickam 1 New York Times bestselling author Lively absorbing If you treasure Scout one of literature's more endearing characters you'll like the woman who emerges in Mockingbird The Miami Herald

Sook's Cookbook Marie Rudisill, 2008-09-15 Sook's Cookbook brims with delicious uniquely southern recipes such as green olive jambalaya watermelon rind preserves and poinsettia cake as well as classic buttermilk biscuits and lemon meringue pie Marie Rudisill first began working on Sook's Cookbook with her nephew Truman Capote in the late 1940s to pay tribute to her charming eccentric aunt Sook Faulk After putting the project aside for many years Rudisill developed the book's methodology on her own using nineteenth century plantation daybooks for inspiration she paired recipes with profiles of family and community cooks In these pages you'll meet Sook made famous in Capote's story A Christmas Memory with her kitchen windowsill herb garden complete with two pet chameleons to ward off bugs and her penchant for cooking on her big black woodstove year round even on the hottest summer days Recipes for tea sugar cookies and lemon and parsley butter tea sandwiches follow the profile of Marie's aunt Jenny who ran the Faulk household as well as her own renowned hat and accessory shop Rudisill also spotlights often overlooked cooks Little Bit the official house cook and Corrie Wolff a housekeeper and occasional cook whose recipes feature the Cajun and Creole flavors of Louisiana as well as Sem who prepared special food for parties weddings and funerals In his foreword Gourmet contributing editor John T Edge calls Sook's Cookbook first published in 1989 one of the most compelling regional cookbooks of the latter half of the twentieth century He also celebrates Marie Rudisill's character and spirit from her sassy appearances on the Tonight Show where she became known as the Fruitcake Lady to her deep appreciation of the people and the old southern ways she knew and loved in Monroeville Alabama Much more than a cookbook these pages pay homage to a small town in the Deep South and the intriguing people who made it come alive
