Who is the Holy Spirit Amos Yong, 2011-06-01 Y **Breath of Life**
Rabbi Rachel Timoner, 2011-10-01 This essential introduction to Judaism's notions of spirit as they relate to God is designed to inform both Jews and Christians who are studying what it means when we say that God is spirit Exploring the Hebrew Bible Midrash and other rabbinic writings Rabbi Timoner uncovers surprising insights about how God as spirit influences Jewish ideas of creation revelation and redemption Written with an accessible and engaging voice full of stories and relevant teachings Breath of Life speaks to lay readers and scholars alike as it pursues a new perspective on Judaism's sacred texts This book promises Christian readers meaningful insights on their own notions of God as Holy Spirit while giving Jewish readers a new look at their own tradition In easy but deceptively profound language Rachel Timoner deftly savors the essential unknowability of God the ubiquity of Torah and the mystery of redemption She's given us an immensely literate and

serious contemporary Jewish theology *Breath of Life* is a spiritual tour de force Rabbi Lawrence Kushner Scholar in residence at Congregation Emanu El of San Francisco and author of many books including *Kabbalah A Love Story* Any reader keen to cultivate a robust spirituality should read this little book Jews and Christians may discover here something to talk about scriptures we share and a quality of God we have in common John R Jack Levison author of *Filled with the Spirit* Professor of New Testament Seattle Pacific University **Pentecostal Theology and Jonathan Edwards** Amos Yong, Steven M. Studebaker, 2019-11-14 This volume brings America's theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness **The Spirit Driven Church** Terje Hegertun, 2017-06-28 Must the church be either charismatic or sacramental In this book Terje Hegertun argues that she has the privilege of being both The Day of Pentecost formed her identity and shaped her conviction of being lifted on the arms of grace and pushed forward by the power from on high In the midst of her vulnerability and failure the worldwide faith community is a composition of the Spirit One of the greatest gifts the church may offer the world is simply to be church a charismatic sacramental fellowship a dwelling place of God's Spirit A church nurtured by graceful charismatic and sacramental gifts fosters a mature congregational spirituality distinguished by hospitable relations Thus the Spirit of God plays the main role of being the comprehensive principle of Christian unity across denominational lines *Giver of Life* Fr. John W. Oliver, 2011-01-01 Presents the Orthodox perspective on who the Holy Spirit is where the mystery of God comes alive Delving deep and subtly into Orthodox tradition and theology *The Giver of Life* articulates the identity of the Holy Spirit as the third Person of the Trinity as well as the role of the Holy Spirit in the salvation of the world Written with a poetic sensibility Fr Oliver begins with Pentecost an event uniquely celebrated in Orthodoxy as a time when greenery of all kinds is brought into churches The splash of green foliage calls to mind not just life but a special kind of life It is the life that transcends biological existence and flows from the very Godhead Itself it is life that's a state of being immortal everlasting changeless Ferns and flowers fade and die but souls filled with this life from above flourish forever Reflecting on the relationship of the Holy Spirit to the Church to the world and to the human person *Giver of Life* looks to the impressive biblical and liturgical tradition of Orthodox Christianity This is a book weighty in content but accessible in tone not an academic study of the mind but a lived experience of the heart *He Ascended into Heaven* Tim Perry, Aaron Perry, 2010-05-01 Why do you stand looking up toward heaven

That's what the angels said to the baffled disciples who had just experienced the Ascension of Jesus Christ. Peter James John and the others stood there squinty into the sky trying to make sense of it all. Tim and Aaron Perry confess to being baffled too. For centuries Christians have confessed He ascended into heaven in their creeds but what do these words actually mean? The Perrys offer a probing look at this unfamiliar doctrine and offer new insight into how the actual event can shape the life of a follower of Jesus. Theologians have long made the bold claim that we need to work the Ascension into our theology. They claim in fact that without the Ascension our theology is weak. The cry of the Church has been Why and Show me. Theologians have yet to answer that pressing question and answer that claim. Until right now. In your hands is one of the only books written that makes the Ascension a part of the Christian life and I hope you read and devour this insightful study and become an Ascensional follower of Jesus. Scot McKnight, author of *The Jesus Creed* and *40 Days Living the Jesus Creed*. *Mystery Manifest* Gail Ramshaw, 2025-02-04. Renowned liturgist and scholar Gail Ramshaw mines the treasures of the Bible, patristic sermons, theological treatises, mystical reveries, liturgical texts, hymns, and poetry to craft a richly textured collection and framework for thinking about the language Christians use to address and describe the triune God. More than a compilation yet more practical than a purely theological treatise, *Mystery Manifest* is a volume that liturgists, ministers, and theologians will return to again and again seeking wisdom and insight into the figures of speech humans have developed to express the ineffable. With astute analysis and an eye for the creativity of our language over time, Ramshaw grounds readers in the realm of metaphor as practice before presenting an example: the metaphor of God the Fire as a finely layered illustration. She then covers each of the Persons of the Trinity in turn before culminating with Trinitarian and extended metaphors for God. Readers will find in these pages a wealth of resources for liturgical study, homiletical preparation, worship preparation, and theological reflection. Scholars and ministers alike will want to keep a copy readily available on their shelves. *For Him Who Has Eyes to See* Edmund J. Rybarczyk, 2016-09-30. Too many Christians are afraid of beauty. This fear disconnects these Christians from their larger culture, a culture that is increasingly visual, increasingly aware of the presence and power of images, and more commonly fascinated by the power of beauty and form. This historical theological overview presents the thought of ten theologians and one philosopher in an attempt to give Christians helpful vocabulary concerning beauty and aesthetics. It is time to use beauty and aesthetics for the mission of Christ. And yet rather than simply parrot the larger post-Christian culture, Christians and churches need to employ beauty and aesthetics in a manner that echoes God's own revelation, creation, and redemption through Jesus Christ. We need to develop a sensitivity that can perceive beauties ignored. We need theological framing that both respects the glory of God's handiwork and keeps it from becoming idolatrous. We need to live with wonder for the bounty that routinely surrounds us. In short, we need eyes to see. *The Principles of Protestantism* James Philip Lilley, 1898. **Authorized Report of the Proceedings of the ...
