The Ss Hitlers Instrument Of Terror:

The SS Gordon Williamson,1994 The Schutzstaffel German pronunciation tstafl translated to Protection Squadron or defence corps abbreviated SS was a major paramilitary organization under Adolf Hitler and the Nazi Party NSDAP It began at the end of 1920 as a small permanent guard unit known as the Saal Schutz Hall Protection made up of NSDAP volunteers to provide security for Nazi Party meetings in Munich Later in 1925 Heinrich Himmler joined the unit which had by then been reformed and renamed the Schutz Staffel Under Himmler s leadership 1929 45 it grew from a small paramilitary formation to one of the largest and most powerful organizations in the Third Reich Built upon the Nazi ideology the SS under Himmler s command was responsible for many of the crimes against humanity during World War II 1939 45 The SS along with the Nazi Party was banned in Germany as a criminal organization after 1945 Wikipedia [The SS: Hitler's Instrument of Terror](#) Gordon Williamson,2006 **Crossing the Zorn** Edward Monroe-Jones,2010-03-10 Conceived in desperation after the Battle of the Bulge in January 1945 Germany s Operation Nordwind culminated in the frozen Alsatian fields surrounding the Zorn River In what was expected to be an easy offensive the German 10th Waffen SS Panzer Division attacked the American 12th Armored Division near the villages of Herrlisheim and Weyersheim Neither army foresaw the savage violence that ensued Combining the vivid eyewitness accounts of veterans from both sides of the conflict with information gleaned from a variety of long unavailable print sources this richly detailed history casts a fascinating light on a little known but crucial battle in the Second World War Common stalwart German and American soldiers carried out near impossible orders

Angress,1989 **Germany, 1866-1945** Gordon Alexander Craig,1978 Pays close attention to the people parties and pressure groups that influenced German policy in foreign and domestic matters Half the book is devoted to the crucial period following the collapse of Germany in World War I The author deals with Weimare Germany in all its contradictory elemetns and show how forces at work before and during the war combined with postwar conditions to sap the strength of the German republic and so brought Hitler s Nazi regime to power [Hitlerin Saksa ja sen vapaaehtoisliikkeet](#) Mauno Jokipii,2002

Germany were thrown out of their jobs and excluded from public institutions and public life and how the Nuremberg Laws reduced the status of German Jews to second class citizens and set out to sever the ties between Jewish and non Jewish Germans It documents the political calculations and strategy of the Nazi ruling elite in relation to antisemitic measures and the local outbreaks of violence and terror against the Jewish population It also illustrates the widespread indifference of non Jewish Germans In 1935 the Berlin rabbi Joachim Prinz described how the circumstances for the Jewish population had changed The Jew s lot is to be neighbourless We would not find it all so painful if we did not have the feeling that we once did have neighbours Learn more about the PMJ on <https://pmjdocuments.org>
