The Strange Case of Richard Milhous Nixon Jerry Voorhis,1972 **The Strange Case of Richard Milhous Nixon** Horace Jeremiah Voorhis,1973 *The Strange Case of Richard Milhous Nixon* Jerry Voorhis,1973 The author of this book perhaps more intimately than anyone knows Richard M Nixon the political animal He faced him in the arena of politics on Mr Nixon s maiden appearance in 1946 and lost Tracing the story from that date up through the Checkers speech the Nixon loss in the California gubernatorial race You don t have Dick Nixon to kick around any more to the contradictory social and economic Game Plans to the astonishing Red China turnaround and the Law and Order posture to Watergate and beyond here is the first book that gets at the basic human riddle of Richard M Nixon Back cover *On Nixon's Madness* Zachary Jacobson,2023-03-28 Was Richard Nixon actually a madman or did he just play one When Richard Nixon battled for the presidency in 1968 he did so with the knowledge that should he win he would face the looming question of how to extract the United States from its disastrous war in Vietnam It was on a beach that summer that Nixon disclosed to his chief aide H R Haldeman one of his most notorious risky gambits the madman theory In *On Nixon s Madness* Zachary Jonathan Jacobson examines the enigmatic president through this theory of Nixon s own invention With strategic force and nuclear bluffing Nixon attempted to coerce his foreign adversaries through sheer unpredictability As his national security advisor Henry Kissinger noted Nixon s strategy resembled a poker game in which he push ed so many chips into the pot that the United States foes would think the president had gone crazy From Vietnam Pakistan and India to the greater Middle East Nixon applied this madman theory Foreign relations were not a steady march toward peaceful coexistence but rather an ongoing test of mettle Nixon saw the Cold War as he saw his life as a series of ordeals that demanded great risk and grand gestures For decades journalists critics and scholars have searched for the real Nixon behind these acts Was he a Red baiter a worldly statesman a war criminal or in the end a punchline Jacobson combines biography and intellectual and cultural history to understand the emotional life of Richard Nixon exploring how the former president struggled between great effusions of feeling and great inhibition how he winced at the notion of his reputation for rage and how he used that ill repute to his advantage **Richard M.
