The Stranger Barack Obama In The White House:

The Stranger Chuck Todd, 2014-11-11 Chuck Todd's gripping fly on the wall account of Barack Obama's tumultuous struggle to succeed in Washington. Barack Obama won the presidency in 2008 partly because he was a Washington outsider. But if he'd come to the White House thinking he could change the political culture, he soon discovered just how difficult it was to swim against an upstream of insiders, partisans, and old guard networks allied to undermine his agenda, including members of his own party. He would pass some of the most significant legislation in American history, but his own weaknesses torpedoed some of his greatest hopes. In *The Stranger*, Chuck Todd draws upon his unprecedented inner circle sources to create a gripping account of Obama's White House tenure from the early days of drift and helplessness to a final stand against the GOP in which an Obama at last liberated from his political future finally triumphs. *The Middle Way* Derek H. Chollet, 2021 In *The Middle Way*, Derek Chollet identifies the surprising similarities in foreign policy leadership among three consequential and widely admired presidents: Dwight Eisenhower, George H. W. Bush, and Barack Obama. *The Middle Way* unpacks how these leaders navigated foreign policy challenges through a measured, even-handed, and pragmatic approach. Tied together by history, their common outlooks, experiences, and struggles bear special relevance given the current levels of polarization in America. At a moment when many Americans are deeply worried about America's role in the world, this book reveals an inspiring history that can guide us forward. **A Decade of Disruption** Garrett Peck, 2020-06-02 An eye-opening history evoking the disruptive first decade of the twenty-first century in America. Dubya, The 9/11 terrorist attacks, Enron, and WorldCom. The Iraq War, Hurricane Katrina. The disruptive nature of the internet. An anxious aging population redefining retirement. The gay community demanding full civil rights. A society becoming ever more brown. The housing bubble and the Great Recession. The historic election of Barack Obama and the angry Tea Party reaction. The United States experienced a turbulent first decade of the 21st century: tumultuous years of economic crises, social and technological change, and war. This lost decade, 2000-2010, was bookended by two financial crises: the dot-com meltdown followed by the Great Recession. Banks deemed too big to fail were rescued when the federal government bailed them out, but meanwhile millions lost their homes to foreclosure and witnessed the wipeout of their retirement savings. The fallout from the Great Recession led to the hyper-polarized society of the years that followed when populists ran amok on both the left and the right, and Americans divided into two distinct tribes. *A Decade of Disruption* is a timely re-examination of the recent past that reveals how we've arrived at our current era of cultural division. **Clash** Jon Marshall, 2022-05 Finalist for the AEJMC James A. Tankard Book Award. Donald Trump's presidency was marked by angry attacks on journalists, an extraordinary ability to capture the media spotlight, a flood of disinformation from the White House, and bitter partisanship reflected in the media. Trump's dysfunctional relationship with the press affected how the United States dealt with the crises of COVID-19, climate change, social unrest due to systemic racism, and efforts to overturn the 2020 election. But Trump's troubled relationship with the press didn't happen

by chance Clash explores the political economic social and technological forces that have shaped the relationship between U S presidents and the press during times of crisis In addition to Trump s presidency Clash examines those of John Adams Abraham Lincoln Woodrow Wilson Franklin Roosevelt Richard Nixon Ronald Reagan Bill Clinton George W Bush and Barack Obama Some of these presidents faced military or international crises Others were challenged by economic downturns or political scandals And sometimes the survival of America s system of government was at stake By examining what happened between presidents and the press during these pivotal times Clash helps us understand how we arrived at our current troubled state of affairs It concludes with recommendations for strengthening the role the press plays in keeping presidents accountable

Barack H. Obama Webster Griffin Tarpley, 2008 Written by the author of the legendary 1992 expose of Bush the elder this book works from a New Deal point of view Obama is exposed as a foundation operative and agent of Wall Street finance capital controlled by Zbigniew Brzezinski George Soros and Goldman Sachs Obama s mother was an official of the Ford Foundation the World Bank and US AID By all indications Obama was identified for future political use by Brzezinski at Columbia in 1981 1983 during Obama s secret lost years Obama has worked for the Gamaliel Foundation the Joyce Foundation the Woods Fund and the Annenberg Foundation as a community organizer a poverty pimp a cynical opportunist who uses suffering people as a political commodity The foundation strategy is divide and conquer pitting blacks against whites against Hispanics against Asians to prevent any challenge to Wall Street Racist provocateurs like Wright and Pfleger along with Weatherman terrorist bombers Ayers and Dohrn Obama s best friends are cast in this mold Rezko Auchi and Al Sammarae represent the cesspool of Chicago graft and corruption in which Obama cavorts Schooled in Nietzsche and Fanon Obama qualifies as a postmodern fascist An Obama administration would strive for brutal economic sacrifice and austerity to finance Wall Street bailouts and for imperialist confrontation with Russia and China

Audacity Jonathan Chait, 2017-01-17 An essential starting point for those assessing the Obama presidency Washington Monthly Two presidencies later the time has never been better to revisit the legacy of Barack Obama In Audacity New York Magazine writer Jonathan Chait makes the unassailable case that in the eyes of history Obama will be viewed as one of America s best and most accomplished presidents Over the course of eight years Barack Obama has amassed an array of outstanding achievements His administration saved the American economy from collapse expanded health insurance to millions who previously could not afford it negotiated an historic nuclear deal with Iran helped craft a groundbreaking international climate accord reined in Wall Street and crafted a new vision of racial progress He has done all of this despite a left that frequently disdained him as a sellout and a hysterical right that did everything possible to destroy his agenda even when they agreed with what he was doing Now as the page turns to our next Commander in Chief Jonathan Chait acclaimed as one of the most incisive and meticulous political commentators in America digs deep into Obama s record on major policy fronts economics the environment domestic reform health care race foreign policy and civil rights to demonstrate why history will

judge our forty fourth president as among the greatest in history Audacity does not shy away from Obama s failures most notably in foreign policy Yet Chait convincingly shows that President Obama has accomplished what candidate Obama said he would despite overwhelming opposition and that the hopes of those who voted for him have not been dashed despite the smokescreen of extremist propaganda and the limits of short term perspective *Thanks, Obama* David Litt,2017-09-19 A NEW YORK TIMES BESTSELLER An Esquire Best Book of 2017 Remember when presidents spoke in complete sentences instead of in unhinged tweets Former Obama speechwriter David Litt does In his comic coming of age memoir he takes us back to the Obama years and charts a path forward in the age of Trump More than any other presidency Barack Obama s eight years in the White House were defined by young people twenty somethings who didn t have much experience in politics or anything else for that matter yet suddenly found themselves in the most high stakes office building on earth David Litt was one of those twenty somethings After graduating from college in 2008 he went straight to the Obama campaign In 2011 he became one of the youngest White House speechwriters in history Until leaving the White House in 2016 he wrote on topics from healthcare to climate change to criminal justice reform As President Obama s go to comedy writer he also took the lead on the White House Correspondents Dinner the so called State of the Union of jokes Now in this refreshingly honest memoir Litt brings us inside Obamaworld With a humorists eye for detail he describes what it s like to accidentally trigger an international incident or nearly set a president s hair aflame He answers questions you never knew you had Which White House men s room is the classiest What do you do when the commander in chief gets your name wrong Where should you never under any circumstances change clothes on Air Force One With nearly a decade of stories to tell Litt makes clear that politics is completely hopelessly absurd But it s also important For all the moments of chaos frustration and yes disillusionment Litt remains a believer in the words that first drew him to the Obama campaign People who love this country can change it In telling his own story Litt sheds fresh light on his former boss s legacy And he argues that despite the current political climate the politics championed by Barack Obama will outlive the presidency of Donald Trump Full of hilarious stories and told in a truly original voice *Thanks Obama* is an exciting debut about what it means personally professionally and politically to grow up **Barack Obama** Barack Obama,2009 Presents a selection of thirty speeches given by Barack Obama from 2002 to November 4 2008 Newsweek ,2009 **In Wolf's Clothing** Alfred Carry,2025-11-18 On July 15 2018 in Washington DC a young Russian woman named Maria Butina was arrested by the FBI and charged with acting as a foreign agent Branded a red sparrow trained seductress and Kremlin spook Butina faced years in prison and a lifetime of infamy Meanwhile down Pennsylvania Avenue Midwesterner Alfred Carry was a rising star in the pro bono world after a win before the DC Court of Appeals But before he could settle into a new position in private practice Carry would find himself representing the only Russian arrested for crimes against the American people during the 2016 election Diving in to protect Butina from the onslaught of the government s case the Twitterverse accused Carry of treason Partners demanded he drop

the case Friends and family worried that he was ruining his career before it had even started Yet this was only the beginning of a case that would transform Carry s life and his understanding of American society A Russian nesting doll of two time con men charming billionaires sniping media figures CIA back channels and clandestine operatives In Wolf s Clothing My Story Representing Maria Butina the Most Famous Woman in Moscow is the first person account of how a young attorney is thrust into the public eye to defend a woman accused of attacking the country he loves With the taut storytelling of a spy thriller the inside baseball of legal nonfiction and the social insight of a criminal justice expos at its core this is a true and honest account of a young woman swept up in the criminal justice system and the young lawyer sworn to defend her
