The Subject Of Anthropology Gender Symbolism And Psychoanalysis:

The Subject of Anthropology Henrietta L. Moore, 2007-03-26 In this book new book the author draws on anthropology feminism and psychoanalysis to develop an original and provocative theory of gender and of how we become sexed beings Using detailed ethnographic data from Melanesia and Africa to explore the strengths and weaknesses of a range of theories in anthropology feminism and psychoanalysis the author advocates an ethics of engagement based on a detailed understanding of our differences and similarities in the ways in which local communities and western scholars have imaginatively deployed the power of sexual difference She demonstrates the importance of ethnographic listening of focused attention to people's imaginations and of how this illuminates different facets of complex theoretical issues and human conundrums **BOOKJACKET**

The Subject of Anthropology Henrietta L. Moore, 2013 In this ambitious new book Henrietta Moore draws on anthropology feminism and psychoanalysis to develop an original and provocative theory of gender and of how we become sexed beings Arguing that the Oedipus complex is no longer the fulcrum of debate between anthropology and psychoanalysis she demonstrates how recent theorizing on subjectivity agency and culture has opened up new possibilities for rethinking the relationship between gender sexuality and symbolism Using detailed ethnographic material from Africa and Melanesia to explore the strengths and weaknesses of a range [The Subject of Anthropology](#) Henrietta L. well being towards children Somali, Muslim, British Giulia Liberatore, 2020-05-27 Somalis are one of the most chastised Muslim communities in Europe Depicted in the news as victims of female genital mutilation perpetrators of gang violence or more recently as radical Islamists Somalis have been cast as a threat to social cohesion national identity and security in Britain and beyond Somali Muslim British shifts attention away from these public representations to provide a detailed ethnographic study of Somali Muslim women s engagements with religion political discourses and public culture in the United Kingdom The book chronicles the aspirations of different generations of Somali women as they respond to publicly charged questions of what it means to be Muslim Somali and British By challenging and reconfiguring the dominant political frameworks in which they are immersed these women imagine new ways of being in securitized Britain Giulia Liberatore provides a nuanced account of Islamic piety arguing that it needs to be understood as one among many forms of striving that individuals pursue throughout their lives Bringing new perspectives to debates about Islam and multiculturalism in Europe this book makes an important contribution to the anthropology of religion subjectivity and gender Intersexualization Lena Eckert, 2016-12-08 Since the 1970s research into Intersex has been a central fascination for feminist theorists seeking to make arguments about how men and women are created as social gender categories Intersexualization The Clinic and the Colony takes the case of Olympic runner Caster Semenya as a starting point to explore the issue of determining sex and the ways in which intersexuality is a threat to the distinction between men women homosexuality heterosexuality and white black By focusing on the 1950s and the 40 years after Eckert shows how what she calls intersexualization began in psycho medical research at the Johns Hopkins Hospital in Baltimore and UCLA and has from there spread into cross cultural anthropological accounts conducted in Papua New Guinea and the Dominican Republic With cross cultural intersexualization having been largely neglected in recent literature on intersex this timely volume describes how such intersexualization derives from the combination of medicalization and pathologization through two crucial parts The first part The Clinic describes historical psycho medical material engaging with hermaphroditism ranging from Greek Mythology up to today This is followed by The Colony which analyzes in several close readings cross cultural anthropological sexological and psychoanalytical accounts contributing to cross cultural intersexualization Enclosing a wide range of inter and transdisciplinary approaches to heteronormative and dichotomously organized frames of knowledge and organization this volume is essential reading for upper undergraduate and post graduate students within the fields of gender studies social studies of medicine anthropology science and technology studies cultural studies sociology and history of medicine *Conceptualizing 'Everyday Resistance'* Anna Johansson, Stellan Vinthagen, 2019-10-16 Everyday resistance is about the many ways people undermine power and domination through their routine and everyday actions Unlike open rebellions or demonstrations it is typically hidden not politically articulated and often ingenious But because of its disguised nature it is often poorly understood as a form of politics and its potential underestimated Conceptualizing Everyday Resistance presents an analytical framework and

theoretical tools to understand the entanglements of everyday power and resistance These are applied to diverse empirical cases including queer relationships in the context of heteronormativity Palestinian daily life under military occupation workplace behaviors under office surveillance and the tactics of fat acceptance bloggers facing the war against obesity Johansson and Vinthagen argue that everyday resistance is best understood by accounting for different repertoires of tactics relations between actors and struggles around constructions of time and space Through a critical dialogue with the work of James C Scott Michel de Certeau and Asef Bayat they aim to reconstruct the field of resistance studies expanding what counts as resistance and building systematic analysis Conceptualizing Everyday Resistance offers researchers and students from different theoretical and empirical backgrounds an essential overview of the field and a creative framework that illuminates the potential of all people to transform society *The State We're In* Joanna Cook, Nicholas J. Long, Henrietta L. Moore, 2016-07-01 What makes people lose faith in democratic statecraft The question seems an urgent one In the first decades of the twenty first century citizens across the world have grown increasingly disillusioned with what was once a cherished ideal Setting out an original theoretical model that explores the relations between democracy subjectivity and sociality and exploring its relevance to countries ranging from Kenya to Peru *The State We're In* is a must read for all political theorists scholars of democracy and readers concerned for the future of the democratic ideal **A Micro-Level Perspective on the Dynamics of Conflict, Violence, and Development** Patricia Justino, Tilman Brück, Philip Verwimp, 2013-11 Analyses violent conflict and its impact on local institutional and development processes It shows how the behaviour of individuals helps us understand the complex dynamic links between conflict violence and development

Masculinity and Modern Slavery in Nepal Matthew Maycock, 2018-12-07 South Asia is the region with the highest number of slaves globally according to the Global Slavery Index Bonded labour affects between 15 and 20 million labourers within the region and is shaped by locally specific interconnections between ethnicity class caste and critically gender structures *Masculinity and Modern Slavery in Nepal* explores the role of masculinity in shaping the structures and experience of slavery and subsequent freedom While many NGOs and human rights organisations use freedom from slavery as a powerful and emotive goal the lived reality of freedom for many bonded labourers often results in disappointment and frustration as they navigate diverse expectations of masculinity Taking Nepal as a case study the book illustrates how men's gendered experiences of bondedness and freedom can inform perspectives on the transition to freedom and modernity in South Asia more broadly Researchers of modern slavery gender studies and South Asian studies will be interested in the rich analysis on offer in this book **Routledge Handbook of Psychoanalytic Political Theory** Yannis Stavrakakis, 2019-09-05 The emerging field of psychoanalytic political theory has now reached a stage in its development and rapid evolution that deserves to be registered systematically defined and critically evaluated This Handbook provides the first reference volume which showcases the current state of psychoanalytic political theory maps the genealogy of its development

identifies its conceptual and methodological resources and highlights its analytical innovations as well as its critical promise. The Handbook consists of 35 chapters offering original comprehensive and critical reviews of this field of study. The chapters are divided into five thematic sections. Figures discusses the work of major psychoanalytic theorists who have influenced considerably the development of psychoanalytic political theory. Traditions genealogically recounts and critically reassesses the many attempts throughout the 20th century of experimenting with the articulation between psychoanalysis and political theory in a consistent way. Concepts asks what are the concepts that psychoanalysis offers for appropriation by political theory. Themes presents concrete examples of the ways in which psychoanalytic political theory can be productively applied in the analysis of racism, gender, nationalism, consumerism etc. Challenges Controversies captures the ways in which psychoanalytic political theory can lead the way towards theoretical and analytical innovation in many disciplinary fields dealing with cutting edge issues. The Routledge Handbook of Psychoanalytic Political Theory will serve as scholarly reference volume for all students and researchers studying political theory, psychoanalysis and the history of ideas.
