Feeling Things Stephanie Downes,Sally Holloway,Sarah Randles,2017-12-30 This interdisciplinary essay collection investigates the various interactions of people feelings and things throughout premodern Europe It focuses on the period before mass production when limited literacy often prioritised material methods of communication The subject of materiality has been of increasing significance in recent historical inquiry alongside growing emphasis on the relationships between objects emotions and affect in archaeological and sociological research The historical intersections between materiality and emotions however have remained under theorised particularly with respect to artefacts that have continuing resonance over extended periods of time or across cultural and geographical space Feeling Things addresses the need to develop an appropriate cross disciplinary theoretical framework for the analysis of objects and emotions in European history with special attention to the need to track the shifting emotional valencies of objects from the past to the present and from one place and cultural context to another The collection draws together an international group of historians art historians curators and literary scholars working on a variety of cultural literary visual and material sources Objects considered include books letters prosthetics religious relics shoes stone and textiles Many of these have been preserved in international galleries museums and archives while others have remained in their original locations even as their contexts have changed over time The chapters consider the ways in which emotions such as despair fear grief hope love and wonder become inscribed in and ascribed to these items producing emotional objects of significance and agency Such objects can be harnessed to create affirm or express individual relationships as for example in religious devotion and practice or in the construction of cultural communal and national identities

The Stone of Destiny David John Breeze,Richard Welander,Thomas Owen Clancy,2003 The Stone of Destiny Stone of Scone or Coronation Stone is a relatively unattractive and unappealing slab of stone but it is also a unique symbol in Scottish history linked to royal inaugurations At a conference organised by the Society of Antiquaries of Scotland in 1997 participants focused on the stone as both object and symbol discussing its origins authenticity its role as a national icon its removal and loss and its final return to Scotland in 1996 A range of different approaches were taken assessing the geology of the stone its ceremonial functions its links with Scone and Scone Abbey and its turbulent history Contributors include

Memory Boxes Heta Aali,Anna-Leena Perämäki,Cathleen Sarti,2014-07-15

This volume discusses a practical approach to cultural transfer and exchange through the concept of memory box Ideas of displacement transfer and cultural memory are explored through case studies from Scotland to Italy and Germany and from Finland and France to the American colonies The authors develop an understanding of memory boxes as cultural constructions that are involved in the process of making and disputing memory but which simultaneously are important agents for cultural transfer over space and time This book emphasises memory box as an idea that allows us to study the cultural processes of transfer in conjunction with cultural memory **The Imminent Second Coming** Lewis S.

Brownlow,2012-09-18 The Second Coming of the Lord Jesus Christ is a familiar and well loved theme to Latter Day Saints and Christians generally The associated signs of the times have been debated and discussed many times However this book approaches the subject from unusual angles and describes signs of the times that have not previously been presented in such a book The evidence from such signs is compelling the upheavals of nature which will precede the second coming are imminent and we should heed the words of the prophets and be prepared

Irish Children's Literature and the Poetics of Memory Rebecca Long,2021-03-25 Focusing on the mythological narratives that influence Irish children s literature this book examines the connections between landscape time and identity positing that myth and the language of myth offer authors and readers the opportunity to engage with Ireland s culture and heritage It explores the recurring patterns of Irish mythological narratives that influence literature produced for children in Ireland between the nineteenth and the twenty first centuries A selection of children s books published between 1892 when there was an escalation of the cultural pursuit of Irish independence and 2016 which marked the centenary of the Easter 1916 rebellion against English rule are discussed with the aim of demonstrating the development of a pattern of retrieving re telling remembering and re imagining myths in Irish children s literature In doing so it examines the reciprocity that exists between imagination memory and childhood experiences in this body of work **The London Quarterly Review** William Lonsdale Watkinson,William Theophilus Davison,1881
