

THE TEN COMMANDMENTS

1	Thou shalt have no other gods before Me.	
2	Thou shalt not make unto thee any graven image . . .	
3	Thou shalt not take the Name of the LORD thy God in vain . . .	
4	Remember the sabbath day, to keep it holy . . .	
5	Honour thy father and thy mother . . .	
6	Thou shalt not kill.	
7	Thou shalt not commit adultery.	
8	Thou shalt not steal.	
9	Thou shalt not bear false witness against thy neighbour.	
10	Thou shalt not covet thy neighbour's house . . . nor any thing that is thy neighbour's.	

The Ten Commandments The Ten Commandments

Walter J. Harrelson

The Ten Commandments The Ten Commandments:

Ten J. John, 2000 Can we really expect an ancient list of do's and don'ts to apply to life in the twenty-first century? J. John believes that far from being outdated or irrelevant God's ten commandments represent the best compass for a society that is lost in a thick moral fog. Imagine a world where people loved each other. What would it look like? How would people behave towards one another? J. John explores an ancient code of behaviour that provides a window on life as it should be: life as it could be where respect for others and for God determines everything we do. The name that code normally goes by is the Ten Commandments. But be prepared for a few surprises. The Ten Commandments and Human Rights Walter J.

Harrelson, 1997 *The Ten Commandments and Human Rights* sets out to evaluate the importance of the Ten Commandments for the life of faith today. The general thesis is that the commandments are immensely important not only for Jews and Christians but for all persons seeking to find or to reaffirm a moral foundation for their life and for the life of their children, their religious community and their society. The fact that the commandments are put negatively is immensely important for it means that the community that claims these commandments and builds on them has to work out for itself the positive import of not having other gods, not worshipping idols, not profaning the sabbath, not killing and stealing and committing adultery. Put negatively, these commitments become the groundwork for a humanly free and responsible search for the will of God for individual, family and corporate life today and in any day. It is true that the commandments originate in ancient Israel, are central to the faith of prophets, priests and sages and are claimed and made foundational by Jesus for the Christian community. But these commandments also share much with, for example, the Universal Declaration of Human Rights which has been presented by the United Nations for adoption by all the nations of earth. *The Ten Commandments and Human Rights* seeks to show how to avoid moralistic use of the Ten Commandments in religious life today while still affirming that there are absolutely foundational prohibitions that can and must guide the moral life of all peoples. The Ten Commandments need very little revision in order to become such a foundation for a free and responsible life today. **Contemplations on**

the Ten Commandments Vol. 2 H.H. Pope Shenouda III, 1993-07-02 The Ten Commandments were not meant for the times of the prophet Moses nor the times of the Old Testament but were rather addressed to every generation till heaven and earth pass away: one jot or one tittle will by no means pass from the law. Matt 5:18 Through Christianity the Ten Commandments were given a new meaning which coincided with the new standards understood by the believers in the New Testament. So the Commandments remain the same but their concept widens as God grants with His grace an opportunity for meditation. How true then was the prophet David when he said: I have seen the consummation of all perfection. But Your commandment is exceedingly broad. Ps 119:96 This series of lectures were given in 1967 and have been published more than once. Pope Shenouda III The Ten Commandments Patrick D. Miller, 2009-08-06 In this volume Patrick D. Miller studies the Ten Commandments as ancient document and as contemporary guide. With careful attention to each commandment in its original

context this book shows the reader the modern relevance of these basic principles as well as how the ideas of each commandment influenced the New Testament More than an intellectual exercise The Ten Commandments applies the call of the commandments to modern day issues Westminster John Knox Press is proud to introduce an exciting new phase in the renowned Interpretation commentary series Instead of focusing on individual books of the Bible these new volumes will focus on the Bible's most enduring passages and most vital themes bringing to these topics the insight and faithful wisdom that are longtime hallmarks of the Interpretation series This expanded Interpretation series will be an excellent resource for all those who teach preach and study the Bible

The Ten Commandments Dr. Laura Schlessinger, Laura Schlessinger, Stewart Vogel, 1999-08-18 The Ten Commandments are the first direct communication between a people and God Designed to elevate our lives above mere frantic animal existence to the sublime levels humanity is capable of or experiencing they are the blueprint of God's expectations of us and His plan for a meaningful just loving and holy life Each commandment asserts a principle and each principle is a moral focal point for real life issues relating to God family sex work charity property speech and thought Written in collaboration with Rabbi Stewart Vogel The Ten Commandments incorporates lively discussion of the Bible and the Judeo Christian values derived from it Filled with passion emotion and profound insights it will move enlighten inspire entertain and educate you on the meaning each commandment has in our daily lives today I am the Lord your God Who has taken you out of the land of Egypt from the house of slavery You shall not recognize the gods of others in My presence You shall not take the Name of the Lord your God in vain Remember the Sabbath day and sanctify it Honor your Father and your Mother You shall not murder You shall not commit adultery You shall not steal You shall not bear false witness against your fellow You shall not covet

The Ten Commandments William P. Brown, 2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown's The Ten Commandments will be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field

The Ten Commandments Michael Coogan, 2019-06-18 Are the Commandments really written in stone A biblical scholar offers an engrossing and enlightening guide to one of the world's great legal codes Booklist In this lively provocative book Michael Coogan takes us into the ancient past to examine the Ten Commandments also known as the Decalogue How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments When did that happen There are several versions of the Decalogue in the Old Testament so how have different groups determined which is

the most authoritative Why were different versions created Coogan discusses the meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God nor were the Commandments always strictly observed In later times as well Jews and especially Christians ignored and even rejected some of the prohibitions although the New Testament clearly acknowledges the special status of the Ten Commandments Today it is plain that some of the values enshrined in the Decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men s property Yet in line with biblical precedents the author concludes that while a literal observance of the Ten Commandments is misguided some of their underlying ideals remain valid in a modern context The Ten Commandments Billy

Graham,Billy Graham Evangelistic Association,2005 **Keeping the Ten Commandments** J. I. Packer,2008-01-07 They re often mistakenly considered God s rules his outdated list of do s and don ts that add up to a guilt ridden legalistic way of life But as beloved author and Bible scholar J I Packer probes the purpose and true meaning of the Ten Commandments you ll discover that these precepts can aptly be called God s blueprint for the best life possible They contain the wisdom and priorities everyone needs for relational spiritual and societal blessing and it s all coming from a loving heavenly Father who wants the best for his children Not only does Packer deliver these truths in brief readable segments but he includes discussion questions and ideas for further study at the end of each chapter This book will challenge you to view the commandments with new eyes and help you to understand perhaps for the first time the health hope and heritage you re offered there *The Ten Commandments in History and Tradition* Ben-Tsiyon Segal,Gershon Levi,1990 Presented are seminal discussions by leading scholars covering a spectrum of tradition and providing valuable insights into the Ten Commandments **The Ten Commandments** Martin Sicker,2007-12 The Ten Commandments is an exploration into the background meaning and implications of the Decalogue from a Judaic perspective Although they have become a universal symbol of Judeo Christian civilization it is only within Judaism that the Ten Commandments have a juridical function that goes beyond the mere announcement of a set of key precepts for man and society In Judaism the Ten Commandments are considered an epitome of the vast body of biblical legislation a concise statement of a mere 172 Hebrew words that was presented as a credo that could easily be memorized and serve as a basic list of essentially easily understandable general rules It was not expected that the ordinary citizen would remember or fully understand the plethora of commandments found in the Torah that demand compliance and observance by the children of Israel their descendents and those who chose to cast their lot in life with them To understand the meaning and significance of the Ten Commandments in Judaic thought it is therefore necessary to correlate them with the body of legislative enactments set forth in the Torah dealing with the same subject matter a rather complex endeavor that this study hopes to facilitate *The Ten Commandments* United Church of God,2011-11-16 Can you find a proven source for lasting standards and values God revealed the heart of His standards the

Ten Commandments long ago at Mount Sinai But what sets them apart from man made rules and guidelines What do they reveal about nature of God Himself In this booklet you ll discover the answers to these questions and more Inside this booklet

The First Commandment What Is Our Greatest Priority The Second Commandment What Is God Like The Third Commandment From Profanity to Praise The Fourth Commandment Key to a Relationship With Our Creator The Fifth Commandment A Foundation for Success Sixth Commandment Life Is a Precious Gift Seventh Commandment Protect the Marital Relationship Eighth Commandment Practice Giving Rather Than Getting Ninth Commandment Truth as a Way of Life Tenth Commandment True Righteousness Comes From the Heart Does the New Covenant Abolish the Commandments View or download other free booklets at www.ucg.org

The Ten Commandments Joan Chittister,2006-01-01 Are the Ten Commandments just a set of rules or are they a way of life In this book about laws of the heart each chapter focuses on what one of the commandments means for Christians today

A History of the Ten Commandments Clarence William Sickles,2015-11-09 A History of the Ten Commandments with a Modern Moral Code traces the way the Ten Commandments God gave to Moses on Mt Sinai in the 13th century BC changed through the ages analyzing the seventeen versions of the Decalogue which now exist The author also presents a moral code which is related to the Mosaic Decalogue but is not religious and should therefore be acceptable for public display in the secular world The book features photographs of plaques depicting the Ten Commandments with interesting eleven commandment variations on display throughout the country Written for a broad audience ranging from Sunday school teachers and scholars to the average reader this book is essential reading for those seeking to discover information about the greatest document in human history and wanting to learn about a new moral standard desperately needed in the ethically corrupt world of the present day

The Ten Commandments Reconsidered James E. Smith, Ph.D.,2016-06-08 A discussion of each of the Ten Commandments and its connections with the remainder of the Law of Moses the teachings of the prophets and the New Covenant revelation

Ten Commandments John C. Williams,2012-11 God has given us ten simple rules to follow that we may have life and have it more abundantly From the time He unveiled the Ten Commandments to the children of Israel at Mount Sinai until now God s people have been identified by the fact that they follow His commandments The Ten Commandments are the Christian s code of conduct that separates us from the rest of the world and serves as a barometer of our allegiance to the Creator of the universe Ten Commandments The Christian Code of Conduct examines the commandments of God and how they apply to the Christian life The book also addresses one of the most misunderstood commandments the fourth commandment and the call to observe the biblical Sabbath Many Christians differ on their interpretation of this commandment but through a clear study of the Bible this book points to the truth of the Sabbath and the importance for Christians to follow all ten commandments As the end of the world draws near those who will be ready for Christ s return are those who keep the commandments of God and the faith of Jesus Rev 14 12 May God s followers be found keeping all ten of His commandments
