

The Origins of the Idiom

Waking Up on the Wrong Side of the Bed

ANCIENT ROMAN SUPERSTITION

The earliest speculated usage of the idiom was during the Roman era, specifically between 625 BC and 476 AD.

WILLIAM SHAKESPEARE'S "ALL'S WELL THAT ENDS WELL"

The left side being "sinister" or "evil" was referenced by William Shakespeare, a popular English playwright, actor, and poet, in one of his plays titled "All's Well That Ends Well."

THE USE OF THE IDIOM IN THE 19TH CENTURY

In the 19th century, the Ancient Roman superstition of getting negative energy from getting up on the left side of the bed was carried over into various areas and countries of Europe.

THOMAS WRIGHT'S REFERENCE OF THE IDIOM

One of the first references to the idiom "waking up on the wrong side of the bed" was found in the "Dictionary of Obsolete and Provincial English, Containing Words from the English Writers Previous to the Nineteenth Century which are No Longer in Use"

"A MARVELLOUS PLEASANT LOVE-STORY"

One of the first works of fiction that used the idiom "woke up on the wrong side of the bed" is "A Marvellous Pleasant Love-story," a two-part novel written by Elizabeth Wright.

Waking Up In The Wrong Body Waking Up In The Wrong Body:

Waking up in the Wrong Body Tommy Gilbert, 2012-12-03 I am writing this book to clear up a few misunderstandings and wrong beliefs about the dual sexuality beings community which you call the gay community And that is it is not their personal choice to be different it is just who they are Secondly dual sexuality beings are born with an unknown but coming disorder which is called the dual sexuality genetic disorder Third and most importantly this book is also a wakeup call to all people both heterosexual and dual sexuality people to open their minds to new and different ideas to get out of the old negative ways of thinking that you have been taught through your life so that you can free your spirit My main subject in this book is talking about the dual sexuality beings community The most important message to be found is that we need to love and respect each other as human beings and learn to respect each other because God created us different not to despise each other but to love each other

The Body Is Not an Apology Sonya Renee Taylor, 2018-02-13 The Body Is Not an Apology The Power of Radical Self Love Against a global backdrop of war social upheaval and personal despair there is a growing sense of urgency to challenge the systems of oppression that dehumanize bodies and strip us of our shared humanity Rather than feel helpless in the face of oppression world renowned activist performance poet and author Sonya Renee Taylor teaches us how to turn to the power of radical self love in her new book The Body Is Not an Apology Radical self love is the guiding framework that transforms the learned self hatred of our bodies and the prejudices we have about other people's bodies into a vision of compassion equity and justice In a revolutionary departure from the corporate self help and body positivity movement Taylor forges the inextricable bond between radical self love and social justice The first step is recognizing that we have all been indoctrinated into a system of body shame that profits off of our self hatred When we ask ourselves Who benefits from our collective shame we can begin to make the distinction between the messages we are receiving about our bodies or other bodies and the truth This book moves us beyond our all too often hidden lives where we are easily encouraged to forget that we are whole humans having whole human experiences in our bodies alongside others Radical self love encourages us to embark on a personal journey of transformation with thoughtful reflection on the origins of our minds and bodies as a source of strength In doing this we not only learn to reject negative messages about ourselves but begin to thwart the very power structures that uphold them Systems of oppression thrive off of our inability to make peace with bodies and difference Radical self love not only dismantles shame and self loathing in us but has the power to dismantle global systems of injustice because when we make peace with our bodies only then do we have the capacity to truly make peace with the bodies of others
