Wales Epic Views Of A Small Country:

Wales Jan Morris, 2014-04-24 Jan Morris's magnificent book celebrates Wales and all things Welsh. Written as a deeply personal study, it reflects the rich bilingual literature and folklore of Wales, the buildings and wonderfully varied landscapes, the national character and humour, the historical predicaments and the political condition of this small but extraordinary country. Jan Morris is a distinguished historian as well as being one of the world's leading travel writers. Her passionate love of Wales makes this a unique evocation. **The Matter of Wales** Jan Morris, 1984 This passionate evocation of Wales by the author Rebecca West has hailed as perhaps the best descriptive writer of our times encapsulates that country in all its aspects, past, present and even future. Jan Morris shows clearly the manners of thought of the Welsh people as well as their art, their landscapes and their folklore, their ways of earning a living, their character and their historical destiny. It is a vivid tribute to a country not just on the map or in the mind but also in the heart. All of us, Morris writes, have some country there.
