want to put the book down and start creating something wonderful Doug Shaw author of Social Nonsense Creative Diversions for Two or More Players The Mother Artist Catherine Ricketts,2024 Few women artists feature prominently in the history of art and even fewer who are mothers Are motherhood and creativity at odds or are other factors at play The Mother Artist twines meditations on parenthood with studies of painters writers and others who blend caregiving and creative practice Includes full color images by mother artists **Renewing Minds** David S. Dockery,2008 Renewing Minds encourages readers to better serve God the church and society by taking part in or supporting Christian higher education

Pathways to the Waters of Grace David B. Batchelder,2017-05-16 What if the church took with utmost seriousness that baptism is the gift of a new identity taking a lifetime to grow into And what if that identity includes God s call to a way of life made visible in how Jesus lived his This book is a response to these questions in relationship to the church s practice of baptizing children This book s underlying premise is that how the church helps parents prepare for baptism is vital to how the whole family lives its baptismal identity throughout life as well as to the renewal of churches themselves In the last several decades institutionalized Christianity has found itself renegotiating its relationship with a culture that often has churches on the defensive for practices that are little changed from an era now past and insufficient as a witness to life as Christ s disciple This book urges a reconsideration of what churches offer parents seeking baptism for a child offering a transformed vision of such a ministry as well as a practical guide for putting it in place in the life of churches Pastors educators and leaders will find a pathway to follow that promises to be life changing for all involved
