Murrow's radar. The strip's satire was so biting it was often relegated to newspaper editorial sections at a time when artists in other media were blacklisted for far less. Pogo was the vanguard of today's political comic strips such as Doonesbury and Pearls Before Swine and a precursor of the modern political parody of late night television. This comprehensive biography of Kelly reveals the life of a conflicted man and unravels the symbolism and word play of his art for modern readers. There are 241 original Pogo comic strips illustrated and 13 other Kelly artworks as well as illustrations by other cartoonists.
