Walter Benton This Is My Beloved:

This is My Beloved Walter Benton, 1960 **This Is My Beloved** Walter Benton, 2012-08-15 Never before has the delight and wonder experienced in young love in which is implicit physical discovery been conveyed with such touching honesty or with rhapsody so involving unconscious pathos Those who seek to drag any honest writing through the gutters of their own minds will do the same with this Those who are not afraid of the strange miracle of life will understand this brave verse William Rose Ben t *Wartime* Paul Fussell, 1990-10-25 Winner of both the National Book Award for Arts and Letters and the National Book Critics Circle Award for Criticism Paul Fussell's *The Great War and Modern Memory* was one of the most original and gripping volumes ever written about the First World War Frank Kermode in *The New York Times Book Review* hailed it as an important contribution to our understanding of how we came to make World War I part of our minds and Lionel Trilling called it simply one of the most deeply moving books I have read in a long time In its panoramic scope and poetic intensity it illuminated a war that changed a generation and revolutionized the way we see the world Now in *Wartime* Fussell turns to the Second World War the conflict he himself fought in to weave a narrative that is both more intensely personal and more wide ranging Whereas his former book focused primarily on literary figures on the image of the Great War in literature here Fussell examines the immediate impact of the war on common soldiers and civilians He describes the psychological and emotional atmosphere of World War II He analyzes the euphemisms people needed to deal with unacceptable reality the early belief for instance that the war could be won by precision bombing that is by long distance he describes the abnormally intense frustration of desire and some of the means by which desire was satisfied and most important he emphasizes the damage the war did to intellect discrimination honesty individuality complexity ambiguity and wit Of course no Fussell book would be complete without some serious discussion of the literature of the time He examines for instance how the great privations of wartime when oranges would be raffled off as valued prizes resulted in roccoco prose styles that dwelt longingly on lavish dinners and how the high mindedness of the era and the almost pathological need to accentuate the positive led to the downfall of the acerbic H L Mencken and the ascent of E B White He also offers astute commentary on Edmund Wilson's argument with Archibald MacLeish Cyril Connolly's *Horizon* magazine the war poetry of Randall Jarrell and Louis Simpson and many other aspects of the wartime literary world Fussell conveys the essence of that wartime as no other writer before him For the past fifty years the Allied War has been sanitized and romanticized almost beyond recognition by the sentimental the loony patriotic the ignorant and the bloodthirsty Americans he says have never understood what the Second World War was really like In this stunning volume he offers such an understanding *A Cloud Slipped Across the Moon* Mary Ann Eichelberger, 2002-08-08 When she wins a short story contest and collects the prize a summer internship at a New York magazine that she manages to turn into a full time job Laura Braun hopes to leave her small town forever The imperfect men she falls in love with complicate her life and hamper her struggle for recognition as a

writer Laura's story ends with a shocking revelation Essays After Eighty Donald Hall, 2014-12-02 The former U S Poet Laureate contemplates life death and the view from his window in these alternately lyrical and laugh out loud funny essays The New York Times From an early age Donald Hall dedicated his life to the written word In his long and celebrated career he was an accomplished poet essayist memoirist dramatist and children's author Now in the unknown unanticipated galaxy of very old age his essays continue to startle move and delight In Essays After Eighty Hall ruminates on his past thirty was terrifying forty I never noticed because I was drunk fifty was best with a total change of life sixty extended the bliss of fifty He also addresses his present When I turned eighty and rubbed testosterone on my chest my beard roared like a lion and gained four inches Most memorably Hall writes about his enduring love affair with his ancestral Eagle Pond Farm and with the writing life that sustains him every day Yesterday my first nap was at 9 30 a m but when I awoke I wrote again Deliciously readable Donald Hall if abandoned by the muse of poetry has wrought his prose to a keen autumnal edge The Wall Street Journal **Complete Poems** Edwin John Pratt, 1989-01-01 The volume offers a full sampling of Pratt's poems chosen both for their representativeness and for their intrinsic value **Norman Mailer: A Double Life** Michael Lennon, 2013-10-15 An authorized biography of the provocative chronicler of the second half of the twentieth century that reflects Mailer's dual identities journalist and activist devoted family man and notorious philanderer intellectual and fighter writer and public figure and Jew and atheist *The Library Chronicle of the University of Texas at Austin*, 1996 **The Last Sultan** Robert Greenfield, 2012-11-06 As the founder and head of Atlantic Records Ahmet Ertegun signed and or recorded many of the greatest musical artists of all time from Ray Charles to Kid Rock Working alongside his older brother Nesuhi one of the preeminent jazz producers of all time and the legendary Jerry Wexler Ertegun transformed Atlantic Records from a small independent record label into a hugely profitable multinational corporation In successive generations he also served as a mentor to record business tyros like Phil Spector David Geffen and Lyor Cohen Brilliant cultured and irreverent Ertegun was as renowned for his incredible sense of personal style and nonstop A list social life as his work in the studio Blessed with impeccable taste and brilliant business acumen he brought rock n roll into the mainstream while creating the music that became the sound track for the lives of multiple generations From publisher description *Chronicle of the Pulitzer Prizes for Poetry* Heinz Dietrich Fischer, Erika J. Fischer, 2009 Joseph Pulitzer had not originally intended to award a prize for poetry An initiative by the Poetry Society of America provided the initial impetus to establish the prize first awarded in 1922 The supplement volume chronicles the whole history of how the awards for this category developed giving an account based mainly on confidential jury protocols from the Pulitzer Prizes office at New York's Columbia University This volume completes the series The Pulitzer Prize Archive
