Handbook of Handguns Jeffrey Strickland, 2013-04-25. In light of the 2nd Amendment debates, shooting may become the national pastime. To act responsibly within the 2nd Amendment means knowing how to properly bear arms. Knowing involves understanding firearm types, firearm operation, ammunition, internal ballistics and shooting. These require training, especially shooting. Whether you own or plan to own a handgun for recreation, competition or self defense, training is of the utmost importance. When you fire a projectile bullet from a firearm, you are responsible for where it goes. You need to understand how fast it travels, how far it can travel and how accurate your firearm is in delivering the projectile to your intended target. Yes, bearing arms is a right but not one to be taken lightly. Firing a handgun is a grave responsibility and must be done correctly and with a full understanding of all the components that make up shooting.

Splinters of You Anne Malcom, 2021-03-19. Words are my weapon. Stories wrap around my soul, choking me, capturing you. I don't work in dreams, I don't offer escapes. I cage you within my nightmares. Magnolia Grace is a horror writer despite what the name might suggest. One of the best in the business if you asked around. Pressure comes with that title. Expectation for the next nightmare. The next bestseller. *Sickness*. That's what it is. She can't be healthy. Because that means she won't write. And she hasn't been writing. A looming deadline and a crumbling psyche drive her into the woods. To a cabin which was the site of a grisly murder. A serial killer, butchering women, toying with her. Her plan is to borrow some of the horror that seeped into the soil. But hers follows her. The woods are meant to be her escape. But they are almost her demise. Almost. He was an unlikely saviour. An unexpected muse. He has horrors of his own. A motorcycle club looking to settle a score. A soul too broken to offer her anything but pain.
