Women In The New Testament:

101 Questions and Answers on Women in the New Testament Judith Schubert, 2014 Judith Schubert responds to questions asked by students on the role of women in the New Testament and apostolic Church and the impact this has had on women's role today **A New Testament View of Women** Shirley Stephens, 1980 **Women in the New Testament**

World Susan E. Hylen, 2018-10-01 Readers of the New Testament notice varying ideas about women. Some women are submissive and silent; others have titles of leaders or speak with approval. In this book, Susan Hylen guides readers through new interpretations of this evidence. She argues that women in the culture enacted feminine virtues in a variety of ways, including active leadership in their communities. *Women in New Testament Study Guide* Little Rock Scripture Study, 2001-07 *Women in the New Testament* Bonnie Bowman Thurston, 2004-02-18 Bonnie Thurston examines the

personalities, place, and power of women in the New Testament. She provides a cultural and religious context for them by briefly outlining the position of women in the Greco-Roman world. The aim is to reveal the ways in which early Christianity attempted to liberate people from oppression, particularly patriarchy, as well as to point out the places and ways in which the early Christian community compromised with the dominant society. *Women and the New Testament* Lesly F.

Massey, 2012-02-24 The status of women in all societies throughout history seems linked to religion. Even in Christendom, where the elevation of women has been pursued to the greatest extent, there continue to be major disagreements among religious leaders. This book is a critical examination of New Testament teachings on the social and religious status of women. A provocative and challenging alternative to the traditional interpretation of relevant passages is offered. The author sees the liberation of women from male dominance as a significant underlying theme in the New Testament and Christian fundamentalism as a major hindrance to it. *The Ministry of Women in the New Testament* Dorothy A. Lee, 2021-02-16

Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical witness. Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus with a particular focus on passages that have been used in the past to limit women's ministry. She argues that women in the New Testament were not only valued as disciples but also given leadership roles, which has implications for the contemporary church. **A Woman Jesus Can Teach** Alice Mathews, 2013-07-10 Discipleship is more than learning a routine. It's an invitation to a relationship of love and trust, allowing Jesus to do for you what you can never do for yourself. A

Woman Jesus Can Teach studies the lives of several women in the Gospels who were changed by an encounter with Christ. Author Alice Mathews encourages you to see Jesus as a compassionate man who defied convention and took enormous risks to offer hope, new life, or a second chance to women. In this large print book, learn how to trust this Son of God, align your priorities with Him, and respond to His call. **Strong Was Her Faith** 22983 Dr. J. Ellsworth Kalas, 2012-05-01 In this

follow-up to his book *The Thirteen Apostles*, popular author J. Ellsworth Kalas focuses on several women of great faith who

were crucial in ways both obvious and understated to the story of the New Testament Kalas looks into the life and times of eleven different women With his signature style Kalas examines the Scriptures to see what we can learn about these women and what we can learn from them and how each woman fit into as well as shaped the New Testament story Chapters include Elizabeth A Friend in Need Anna She Knew How to Wait Martha the Disciplined Mary the Extravagant The Mighty Widow The Anonymous Evangelist Mary Magdalene When Love Is Greater than Faith Mary the Mother of Mark Dorcas Worth a Miracle Lydia the Businesswoman Mary in Life and Legend Why Mary This book also includes a discussion guide
