WOMEN GEORGE. HARVEY,2018 **Female Printmakers, Printsellers and Print Publishers in the Eighteenth**

**Century** Cristina S. Martinez,Cynthia E. Roman,2024-03-21 Integrates the vital contributions of women as printmakers printsellers and print publishers into the history of eighteenth century art *The Lost Books of Jane Austen* Janine Barchas,2019-10-08 Hardcore bibliography meets Antiques Roadshow in an illustrated exploration of the role that cheap reprints played in Jane Austen s literary celebrity and in changing the larger book world itself Gold Winner of the 2019 Foreword INDIES Award for History by FOREWORD Reviews In the nineteenth century inexpensive editions of Jane Austen s novels targeted to Britain s working classes were sold at railway stations traded for soap wrappers and awarded as school prizes At just pennies a copy these reprints were some of the earliest mass market paperbacks with Austen s beloved stories squeezed into tight columns on thin cheap paper Few of these hard lived bargain books survive yet they made a substantial difference to Austen s early readership These were the books bought and read by ordinary people Packed with nearly 100 full color photographs of dazzling sometimes gaudy sometimes tasteless covers *The Lost Books of Jane Austen* is a unique history of these rare and forgotten Austen volumes Such shoddy editions Janine Barchas argues were instrumental in bringing Austen s work and reputation before the general public Only by examining them can we grasp the chaotic range of Austen s popular reach among working class readers Informed by the author s years of unconventional book hunting *The Lost Books of Jane Austen* will surprise even the most ardent Janeite with glimpses of scruffy survivors that challenge the prevailing story of the author s steady and genteel rise Thoroughly innovative and occasionally irreverent this book will appeal in equal measure to book historians Austen fans and scholars of literary celebrity *Women Forgotten in History* Emily Rice,2023-10-13 *Women Forgotten in History* unveils the captivating narratives of extraordinary women whose stories have been marginalized and obscured throughout time As we reflect on history it becomes apparent that the majority of names we encounter are those of men But does this imply that women have contributed little or led uneventful lives Or is it rather an indication that their achievements and stories have been obscured and overshadowed throughout the ages Within the pages of this enlightening book a tapestry of forgotten stories comes to life From ancient Egyptian pharaohs to courageous teenagers who defied Nazi occupation a diverse tapestry of women emerges from the shadows these women reclaim their rightful place in history s narrative Some forged inspiring paths as activists for noble causes while others left a more morally complex legacy their stories often veiled in mystery and legend Despite their contrasting backgrounds and experiences these women share a common thread their captivating stories and the tragic reality that their lives and accomplishments have been forgotten or deliberately obscured with the passage of time However within their tales lie profound inspiration waiting to be rediscovered *Women Forgotten in History* invites readers to embrace the richness of these forgotten narratives to honour these remarkable women and to find in their stories a wellspring of empowerment and motivation *American Publishers'*
