Women Of The Bible Illustrated Bible Handbook Series:

Women of the Bible Carol Smith, Rachael Phillips, Ellyn Sanna, 2012-12 They didn't get as much ink but they contributed amazing things to the history of God's people. Learn all about them in *Women of the Bible*, an intriguing illustrated reference book from Barbour Publishing. Covering women's roles and jobs, daily experiences and interactions with Bible men, this book brings clarity to some of the strange, confusing and forgotten stories of scripture. Also featuring lists of every named woman of scripture and most of the unnamed females. *Women of the Bible* is fully illustrated in color. It's a readable reference equally helpful for study or pleasure.

The Baker Illustrated Bible Handbook J. Daniel Hays, J. Scott Duvall, 2014-04-01 One of the keys to enjoying an in-depth and rewarding experience of reading the Bible is recapturing the ancient world, its cultures, customs and histories. With this innovative guide, readers can enrich their study with fascinating insights into the Bible and the world in which it was written. *The Baker Illustrated Bible Handbook* offers the most up-to-date evangelical biblical scholarship in a format that is readable and easy to understand. This book-by-book guide brings the Bible to life with more than 1,100 full-color pages packed with illustrations, maps and photos, and 112 in-depth articles on a wide range of topics important to students of the Bible. Readers will discover how each part of the Bible fits into and informs every other part, giving them a cohesive understanding of God's Word. No reference collection will be complete without this incredible new handbook to the Bible.

Holman Illustrated Bible Handbook Holman Reference Staff, 2012-10-01 Many who would be willing to search for truth in the Bible are intimidated by its size, the length of time it spans, the different languages and cultures within, or questions about the historical reliability and contemporary relevance of Scripture. *The Holman Illustrated Bible Handbook* is designed with an awareness of the obstacles people have to understanding the Bible. It begins with an essay on *How to Read and Study the Bible* before proceeding to chapters that provide a thorough overview of each of the Bible's 66 books, summarizing each one's content, author, evidences of authenticity and historical context. In addition to the full-color maps, photographs, reconstructions and charts that equip readers throughout the volume, a smartphone-accessible QR code is included for each chapter that leads to related online teaching from noted Bible scholar Gene Getz. There's also an article by Jeremy Howard, general editor of the award-winning HCSB Study Bible, explaining how each book of the Old and New Testaments was accepted into the Bible.

Women of the Bible Guadalupe Seijas, 2022-06-16 The Hebrew Bible and art reside at the core of this book, which analyzes the iconographic representation of several women of the Bible. The contributors consider the ways in which the biblical texts regarding these women had been read and understood throughout time and the means by which they were represented. Each study also explores the different values associated with these representations according to the problems, worries and concerns of each period. Drawing upon disciplines such as theology, philology or history of art, the essays within this volume provide a cross-sectional, plural and rich approach. In focusing upon iconographic representation, numerous visual cultures of the last millennium are explored and special emphasis is placed

upon several integral biblical women such as Bathsheba Moses mother the Pharaoh's Daughter Ruth Naomi and Deborah and their lasting influence upon Western art and culture This book pursues an understanding of the history of the transmission and reception of the Bible in general and of the women of the Old Testament in particular **Knowing God's Word** Women of Faith, 2005-04-13 Many women find reading the Scriptures to be a daunting prospect let alone actually studying them Questions arise Is studying the Bible different from reading it Why do we study God's Word How do you study God's Word Knowing God's Word will prepare women to approach the Bible with confidence and excitement Reaching an audience across racial socio economic denominational and age boundaries these guides will enhance the lives of women as they empower them in their weekly devotions The study guides can be used for both individual and group settings Women are asking good questions about their faith With our study guides we want to join them in their quest for knowledge and lead them in finding the answers they are seeking **The Publishers Weekly** ,1898 **Bible treasures [a collection of stories, poems, hymns, songs and pictures]** Newton Marshall Hall, Irving Francis Wood, 1925 *The Publishers' Trade List Annual* ,1876
