Word Wizard Gre Vocabulary With Memory Tricks:

GRE Word List: Vocabulary with Memory Triggers Dr. Prasad Raju, 2014-09-09 Like a target Dr Raju's GRE word list gets ingrained in your mind This proven methodology is based on more than a decade's practical research on vocabulary acquisition retention and usage Many students have no idea of the advanced university level vocabulary that appears on the GRE tests If you are one of them you found the right book GRE Wordlist Vocabulary with Memory Triggers will teach you the words you just need to know sharply and efficiently Absorb the words not just acquaint with them which is what most vocabulary books do Try memory triggers guaranteed to fix each word and its meaning permanently in your mind and be a GRE word wizard How to use this book each word consists of four elements 1 The Word The word you wish to learn followed by phonetic pronunciation and definition Example aesthetic es THET ik concerned with beauty artistic 2 The Memory Trigger The memory trigger is a simple word that rhymes or may signify the main word Example Athletic 3 Trigger Sentence The link connects the main word and the memory trick in a sentence Example athletic body appears aesthetic 4 Sample Sentence Kumar carved an aesthetically pleasing wood sculpture *Gre Vocab Capacity* Vince Kotchian, Brian McElroy, 2012-06-12 2015 version published on 12 29 14 Need a good way to remember that the word prodigal means wasteful Just think of prada gal a girl who spends all of her money on designer clothes Brian McElroy Harvard 02 and Vince Kotchian Boston College 97 two of San Diego's most sought after test prep tutors provide a series of clever unconventional and funny memory devices aimed toward helping you to improve your vocabulary and remember words long term so that you don't ever forget their meanings Brian and Vince combined have been tutoring the test for over 20 years They have analyzed all available official GRE tests to select the words that appear in this book The vocabulary words in this book are best suited for students at a 9th grade level or above The words in this edition are specifically targeted toward the GRE exam but they are also helpful for students who are preparing for other standardized tests such as the SAT ACT ISEE SSAT GMAT LSAT or MCAT or anyone at any age who simply wants to improve his/her knowledge of English vocabulary Disclaimer a few of our mnemonics might not be appropriate for kids some contain adult language or situations Over 950 of the words in this book appear in our other mnemonics book SAT Vocab Capacity So if you're easily offended the SAT version might be a better choice Why This Book Is Different If you're studying for the GRE SAT or for any other standardized test that measures your vocabulary you may be feeling a little bit anxious especially if you've taken a practice test and encountered words you didn't know or maybe never even saw before Whether you have seven days or seven months to prepare for the test you're going to want to boost your vocabulary But it's not that simple you've got to remember the words you learn And on many GRE text completion and sentence equivalence questions getting the right answer comes down to knowing the precise definition of the words You could make vocabulary flashcards You could look up words you don't know You could read a book with lots of big words But unless you give your brain a way to hold on to the words you learn it will probably have a harder time remembering them

when they appear on the test That s the problem with most vocabulary books the definitions and sentences in the books aren t especially memorable That s where this book is different We ve not only clearly defined the words but we ve also created sentences designed to help you remember the words through a variety of associations using mnemonics Mnemonic Examples A mnemonic is just a memory device It works by creating a link in your brain to something else so that recall of one thing helps recall of the other This can be done in many ways but the strongest links are through senses emotions rhymes and patterns Consider this example Quash verb to completely stop from happening Think squash The best way to quash an invasion of ants in your kitchen is simple squash them Now your brain has a link from the word quash which it may not have known to the word squash which it probably knows Both words sound and look the same so it s easy to create a visual and aural link If you picture someone squashing ants and maybe get grossed out you also have another visual link and an emotional link Here s another example Eschew verb to avoid Think ah choo Eschew people who say ah choo unless you want to catch their colds The word eschew sounds similar to a sneeze ah choo so your brain will now link the two sounds If you picture yourself avoiding someone who is about to sneeze in your face even better Again the more connections you make in your brain to the new word th

The Illustrated London News ,1859 Conquering Vocab Novall Khan,2009-06

Conquering Vocab utilizes research in the cognitive sciences to provide the GRE test taker with the most efficient and effective way to learn vocabulary This method involves reading hundreds of vocabulary words in absurd but humorous contexts within one dozen short stories Each short story provides brief easy to understand definitions corresponding to every targeted GRE word bolded within the story Conquering Vocab is unlike any other GRE book in that memorization and allotting a significant amount of time to study is simply not necessary

The Compact Edition of the Oxford English Dictionary Sir James Augustus Henry Murray,1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933 *Dr.J's GRE Vocabulary* Dr.Jyuthica.K.Laghate,2020-01-03 Dr J s Guide to GRE Vocabulary is a profound attempt to provide students with novel logically determined and easy techniques to ace the infinite and immensely complex GRE vocabulary It is a one of its kind book that clearly deeply and precisely throws light on the frequently repeated words in the exam as well as the essential word cluster that every student needs to grasp to score well in the exam GRE Verbal Reasoning is like Pandora s Box you never really know what all you will get However through years of research and teaching the author has been able to simplify this intricate and challenging lexical resource in a student friendly template Word Trails Approach has been the brainchild of this book wherein seemingly complex and hard to remember words are finely weaved in a trail similar to how an exhausted trekker will find a new trail or path that can safely lead him to his destination The standpoints of the Word Trails Approach are a complete coverage of syllabus in an extremely simple manner a strong logical and derivable tone and a brain stimulating exercise for the students who can use this process to maintain their proficiency of vocabulary not only for the exam but also for a lifetime The book also entails a concisely written A Week Before the Exam
