Virginia B. Morris

Work Of Her Own A Womans Guide To Creating A Right Livelihood:

The Alchemy of Illness Kat Duff,1993 Illness is a universal experience There is no privilege that can make us immune to its touch We are taught to assume health illnesses being just temporary breakdowns in the well oiled machinery of the body But illness has its own geography its own laws and commandments At a time when the attention of the whole nation is focused on health care Kat Duff inquires into the nature and function of illness itself Duff a counselor in private practice in Taos New Mexico wrote this book out of her experience with chronic fatigue syndrome but what she has to say is applicable to every illness and every one of us For those who are sick this book offers solace and recognition For those who care for them either physically or emotionally it offers inspiration and compassion Finally this fresh perspective on healing reveals how every illness is a crucible that tries our mettle tests our limits and provides us with an unparalleled opportunity to integrate its lessons into our lives

A Woman's Guide To Working For Herself Sandra Hewett,2011-06-01 The rise of the female entrepreneur over the past 30 years is a cause for celebration in the UK Whether driven by unfair treatment at work conflict between office and family life or the inspiration of a great business idea hundreds of thousands of women are motivated to work for themselves There are many benefits to being self employed but many too are the challenges Women need confidence support and often some start up finance to make a go of it This book will provide inspiration information and loads of advice from a range of women who run their own business It starts by recognising that women start all kinds of ventures in many different circumstances Developing an idea from home Freelancing Joining the mumpreneurs Launching a business with capital investment Buying a franchise or creating a franchise Becoming an direct selling agent Creating a social enterprise Starting up after redundancy or unemployment Breaking new ground young retired disabled disadvantaged

I'm 30 Now What: A Woman's Guide To Living A Life Of Choice Ky-Lee Hanson,2017-11-02 I m 30 Now What is a discovery through the perception of women born between 1977 1987 At the time of writing this book we are in our thirties There is something about our generation that never quite fit in a traditional sense Our authors are from or have lived in Canada USA Turkey Germany Barcelona and Europe yet there is a common feeling of displacement across the globe within our lost generation We were the first generation to have vast choices around education career and our role in the household We were able to stumble off the traditional path and survive We were raised in a very transitional phase from single to dual income households and grew up during the rise of broken homes We saw war for its true colors an industry and not an act of freedom the creation of the internet and watching it burst followed by an economic banking and housing crash We also saw positive change rapid gentrification spirituality equal rights gay rights and same sex marriage the everyday feminist and females running the workplace male nurses stay at home dads and moms to mompreneurs to childless women by choice finding commonalities outside of mommyhood As adults we view diversity and open mindedness as our way of life We didn't start all these trends but we are the outcome We were born to be a generation of change a generation of options Maybe

instead of being the lost generation we were the born Choice Makers Yet we don't fully own this We CAN choose a life outside of a cookie cutter mold and we have the right to be unapologetic when doing so This book is a heavy controversial eye opener while being a tool for healing growth owning your power and embracing choice *A Modern Woman's Guide to Successful Living* Janette Getui, 2015-10-20 Applying mental science to practical daily use that creates harmony and happiness for the modern day woman hasn't been integrated much This may have caused a wider gap for many women between what they want and what they actually live on every day This guidebook describes the most essential factors to consider for any individual especially the modern woman who is keen on navigating the gap of fear worry and doubt in life and stepping into greatness more success and prosperity in her relationships work and life in general It is a proven simplified universally based step by step process that can move anyone who applies it gracefully and diligently to greater heights
