Workaholics The Respectable Addicts:

Workaholics Barbara Killinger, 1992 Research Companion to Working Time and Work Addiction Ronald J. Burke, 2006

Ronald Burke has put together a collection of state of the art research and writing about work hours and work addiction from around the world This book is essential reading for academics managers human resource professionals and anyone else interested in identifying types of work addiction learning about antecedents and consequences of workaholism as well as how to help people achieve work life balance The contributions from top notch researchers and academics in the field provide a rounded view of how the interplay between career aspirations work motivation and working conditions contribute to health outcomes and effectiveness at work Astrid M Richardsen Norwegian School of Management Norway The Research Companion to Working Time and Work Addiction captures the essence and intricacies of an important and fascinating topic It explores the body of writing on work hours that until this book existed quite separately from literature on work addiction As can be expected from the breadth of his knowledge and the consistent quality of his work Ronald J Burke has done a terrific job of editing a book that presents work addiction and working time in a way that is both scientifically sound and engaging The twenty four contributors have done an excellent job of extending and refining our understanding of work addiction and working time in this collection of excellent conceptual and empirical chapters This book is a must for all scholars and practitioners who are interested in this fascinating aspect of work life Ayala Malach Pines Ben Gurion University Israel This is an excellent and unique book which not only addresses the detrimental effects of long working hours and work addiction but also investigates the causes and treatment of workaholism An outstanding volume which includes both conceptual and empirical chapters from distinguished academics and practitioners from several countries This is essential reading for all those interested in health and well being in the workplace and the establishment of satisfactory home and work life balances The editor should be congratulated for this groundbreaking book Marilyn J Davidson University of Manchester UK This book is overdue Someone somewhere a long time ago should have put this book together because its value is incalculable The pace of change in the workplace has vastly increased and workers see their jobs as more complex and fragmented What is the prognosis Where is it all going What can be done about it If anything This book is more a handbook than a research companion on all those aspects of the workplace that touch on or represent change pace workload work addiction work life balance job satisfaction job involvement stress conflict values Type A behaviour and other personality disorders What s more it delves into some of the more unknown elements of these aspects of work in different countries Read it You ll not be disappointed Janice Langan Fox Swinburne University of Technology Melbourne Australia This is a timely and needed book for all professionals who have concerns about issues related to quality of life and well being This book is an original piece prepared by a team of international experts written in an informative and scholarly manner and presents in an effective form the accumulated wealth of knowledge on the theme This is a solid book that can satisfy both the academic readership and the

professional community I truly and sincerely recommend it. It is a must for people who are interested in this subject. Simon Dolan, ESADE Business School, Spain. This Research Companion examines the effects of work hours on individual and family well-being and questions why people work hard and whether some can work too hard. It integrates contributions from two areas of research: work hours and work addiction, that have historically been pursued separately. Ronald Burke argues that while work hours have decreased, Retirement for Workaholics Morley D. Glicken, 2010-05-05. An expert in retirement issues, aging and social work shows how workaholics who have been downsized, forced into retirement or burned out on their current jobs can remain actively engaged in meaningful projects and maintain their happiness. A practical guide for workers who have been downsized or forced to take retirement before they're ready. Retirement for Workaholics: Life after Work in a Downsized Economy explains workaholic behavior, why it develops and what can be done about it. Rather than taking a negative approach to work addictions, the book provides a sympathetic and logical way of understanding and coping. Organized around research explaining work addictions and the problems workaholics have coping with retirement, the book also includes numerous personal stories from workaholics and case studies of work-addicted individuals. These stories illustrate the effects of work addiction on self, friends and loved ones, as well as how people have dealt with the overwhelming need to work. More positively, it offers concrete suggestions for dealing with postretirement issues such as loneliness, boredom and substance abuse, and for finding satisfaction and fulfillment, whether through volunteer activities, a new career or the pursuit of previously shelved passions. When Work Takes Control Pernille Rasmussen, 2018-05-08. The purpose of this book is to explain first what happens when we become too involved in our work and second how we avoid being controlled by our work and how we prevent family members, friends, colleagues or employees from being so. In addition, it is hoped that the book will help bring about a debate about our work habits and initiate thought and discussion about our values and how much space work should be allowed to take up in our lives. The book is addressed to everyone who deals with the psychological working environment, among them business managers and counsellors who treat people with work-related problems. In addition, anyone who wishes to establish a better balance between their work life and private life would benefit from reading the book. Achieving Inner Balance in Anxious Times Barbara Killinger, 2011-02-22. Clinical psychologist Dr Barbara Killinger offers insights and a variety of techniques that she developed in working with her clients over the years. Through their stories, she illustrates the dynamics of workaholism, showing how it produces profound personality changes, negatively affects family interactions and reduces effectiveness at work. She explains the dynamics of how workaholism can result in the loss of personal and professional integrity and why ambitious, perfectionistic people typically become obsessive and increasingly narcissistic. Achieving Inner Balance in Anxious Times shows us how to become aware of the darker side of our personalities and how to avoid conflict and power struggles by establishing clear ego boundaries that help build mutual trust and respect in our personal and professional lives. The achievement of inner balance makes work-life balance possible.

New Directions in Organizational Psychology and Behavioral Medicine Cary Cooper, 2016-04-29 This research shows the dynamic relationship between work health and satisfaction New Directions in Organizational Psychology and Behavioral Medicine comprehensively covers new developments in the field of occupational health psychology and provides insight into the many challenges that will change the nature of occupational health psychology The editors have gathered 40 experts from all over the developed world to discuss issues relevant to human resource and talent management and specifically to employment related physical and psychological health issues Especially because it comes at a time of economic turbulence that will create work stress and strain organizations researchers and practitioners will find this book valuable

21st Century Management: A Reference Handbook Charles Wankel, 2008 Ordered as part of a set on ID 7574134
The Oxford Handbook of Organizational Well-being Susan Cartwright, Cary L. Cooper, 2009 This Handbook focuses on organizational well being in its widest sense and is concerned with reviewing the factors which are associated with ill health as well as those which promote positive health and well being In it leading international scholars focus on the key issues around measuring well being and individual and organizational factors
Risky Business Cary L. Cooper, 2016-04-15 What are the financial and psychological costs of risky behavior in business to the individuals concerned and their organizations Risky Business provides a perspective on addictive behaviors such as gambling drug taking and even addiction to work criminal behaviors such as theft and corruption and behaviors such as aggression and violence The authors then look at their implications to employee and organizational health within the context of the workplace environment an environment that is often synonymous with psychological demands stress long hours overwork and shortages of staff or other essential resources An essential guide for occupational psychologists human resource specialists risk managers and for researchers in this field

Human Frailties Ronald J. Burke, Suzy Fox, 2016-05-13 Every day we hear stories about the consequences of human frailties for individuals their families and friends and their organizations Some of these stories are about alcohol and drug addiction and other harmful lifestyle choices but human frailty also leads to all kinds of unethical and illegal behaviour Individuals are convicted of bribery and corruption price fixing theft and fraud sexual harassment and abuse of authority Politicians fiddle their expenses sports people cheat and fix matches and school and university students and teachers cheat to enhance exam results Studies have shown that business students cheat more than others and efforts to teach ethical behaviour in business schools make little difference The media who bring us stories of others frailties themselves engage in unethical and illegal conduct in pursuit of an edge over their rivals The contributions to this latest addition to Gower's Psychological and Behavioural Aspects of Risk Series place the spotlight on individuals their behavioural choices and the consequences that follow for theirs and others lives and careers The conclusion is that people do have choices and options and that whilst there are no easy or quick fixes in addressing self limiting behaviours successful avoidance of the worst outcomes can be achieved This book provides guidance on the practical steps that need to be taken in order to gain a

sense of proportion of what is important and of how we are doing if we are to address our frailties and stop making unethical choices

Workaholics The Respectable Addicts Introduction

In today's digital age, the availability of Workaholics The Respectable Addicts books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Workaholics The Respectable Addicts books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Workaholics The Respectable Addicts books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly,

especially if you need to purchase several of them for educational or professional purposes. By accessing Workaholics The Respectable Addicts versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Workaholics The Respectable Addicts books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Workaholics The Respectable Addicts books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Workaholics The Respectable Addicts books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Workaholics The Respectable Addicts books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Workaholics The Respectable Addicts books and manuals for download and embark on your journey of knowledge?

FAQs About Workaholics The Respectable Addicts Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
