Zombie Chronicles Cost Of Humanity:

Zombie Chronicles Ecrivain Hongrois, 2013-09 ZOMBIE CHRONICLES makes us aware of pre and post apocalyptic zombie life from their perspective This story tells us of their suffering needs and at some level thinking and rationale The main trajectory is of how some zombs seek to reverse their affliction and reintegrate with humans In detail they tell us who they are where they live what they do how they travel and why they try Because some remember their life before This is their story These are the chronicles of the zombies by the zombies for everyone And you will believe that Zombies are people too

Val - Prequel to The Zombie Chronicles Chrissy Peebles, 2015-02-14 Meet Val one of the most talked about characters in The Zombie Chronicles This is the prequel to The Zombie Chronicles completely told in Val s POV Meet Val before she hooked up with the gang on Kelly s Island See how she got bitten as that was never explained in the series Watch her meet her biological parents and Dean for the first time See how she got thrown into isolation See the friends she traveled with on the journey to the island Watch her make the final decision to leave Philly and journey to Ohio when her world comes crashing down around her Meet Val and get a real feel for her character as you read her story in her POV This is the story before the story Prequel VAL Book 1 The Zombie Chronicles FREE read Book 2 Race for the Cure Book 3 Deadly City Book 4 Poisonous Serum Book 5 Undead Nightmare Book 6 Revelation Book 7 Trepidation Book 8 Impact Warning Mild violence For mature teens and young adults Quotes The zombie apocalypse has swept in like a violent storm and every day is a fight to survive Yes it s scary and we have no guarantees that we ll live to see the next sunrise But there s nothing we can do to stop it We just have to let it run its course and pray that the zombies rot out soon I m not Rambo Supergirl or Xena but I can t let worry consume me either Just because I m not made out of titanium that doesn t mean I won t make it to the finish line I ve gotta stay brave and keep fighting as hard as I can and never ever give up hope Val Bennett zombie fighter survivor I have to keep my footing catch my breath and keep walking the twisting path ahead There are many huge hurdles to face I don t know what life holds for me but I will survive as long as I can and I won t go down without a fight Sammy Evans survivor zombie fighter Humans are a rare and endangered species Swallowing down our fear we must fight to protect humanity at all costs Protecting the human race must be our number one priority We need to fight for the future we want not the one that s been delivered to us Taking back our world is a fight I will never give up on And in my opinion that makes every zombie hunter a very special breed of warrior Dean Walters survivor zombie hunter *Undead Apocalypse* Stacey Abbott, 2016-09-08 Explores the intersection of the vampire and zombie with 21st Century dystopian and post apocalyptic cinema Twenty first century film and television is overwhelmed with images of the undead Vampires and zombies have often been seen as oppositional one alluring the other repellant one seductive the other infectious With case studies of films like I Am Legend and 28 Days Later as well as TV programmes like Angel and The Walking Dead this book challenges these popular assumptions and reveals the increasing interconnection of undead genres Exploring how the figure of the vampire has been infused with the language of

science disease and apocalypse while the zombie text has increasingly been influenced by the trope of the areluctant vampire Stacey Abbott shows how both archetypes are actually two sides of the same undead coin When considered together they present a dystopian sometimes apocalyptic vision of twenty first century existence Key featuresRather than seeing them as separate or oppositional this book explores the intersection and dialogue between the vampire and zombie across film and televisionMuch contemporary scholarship on the vampire focuses on Dark Romance while this book explores the more horror based end of the genreOffers a detailed discussion of the development of zombie televisionProvides a detailed examination of Richard Mathesons I Am Legend including the novel the script the adaptations and the BBFCs response to Mathesons script
