Woman Margaret C. K. W. Kamuwanga,2017-08-31 The creation of a woman was the best thing that happened to divinity and humanity which the devil has twisted to his advantage His lies have bullied women on their place of assignment and left them disoriented about who they are Because of insecurities women have settled for less trying to prove their value and validate their identity This identity crisis has caused tragic breakdowns economically socially culturally morally ecclesiastically and spiritually leaving a human race a victim of this fate because a woman is a key player in this game of life This book is a great mirror for every woman who wants to see the real image of who she was created to be and how vital her existence is to divinity and humanity It redefines who she is her value her purpose what she represents the divine mysteries hidden in her and how she affects the totality of human life Today it is imperative that every woman rediscovers God's original blueprint for her life in order to maximize her potential and preserve life in her domain Everything about within without and around a woman is connected Therefore she cannot be defined by one title She is plural She is on a mission as an undercover agent hired by God licensed by Jesus Christ and empowered by the Holy Spirit

The Death Myth Brian M. Rossiter,2017-12-19 Is death the end of our story or do we go on If life does continue after death where and how will we live What happens to us after we die is not only a matter of speculation but also a matter of debate This is particularly true within the church and though some would like to believe that the issue has long been settled it most certainly remains open for discussion In The Death Myth author and theologian Brian M Rossiter investigates what the Bible actually says about the afterlife and he carefully explains how an honest reflection on the traditional Christian view of death will show that this view is often misguided This traditional view that the deceased persist and live on as conscious immaterial souls is a doctrine that while tenable may not cohere with scriptural truths about the nature of the soul and body the timing of the resurrection and the meaning of salvation While many Christians believe that the human soul departs to either a place of bliss or a place of torment after death few have truly evaluated the biblical teachings on the subject More than that the

implications of our beliefs on the issue are rarely acknowledged Can the soul live apart from the body Do immaterial realms for the dead exist Can ghosts or spirits communicate with the living When these matters are deeply investigated the conclusions may force us to reconsider everything we thought we knew about life after death and the very nature of our existence
