365 day devotional includes a Bible reading passage and reflection question All new material and Going Deeper sidebars are also woven throughout Discover for yourself the riches that come from spending a portion of each day alone with God At the feet of Jesus where true life begins Includes a unique One Year Bible Reading Guide **From Sin to Disease** Jonathan K. Okinaga,2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling The Big Book of AA and the introduction of the 12 Steps AA s influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue God and Soul Care Eric L. Johnson,2017-09-05 Christianity at its heart is a therapeutic faith In this companion to Foundations for Soul Care Eric L Johnson presents a systematic account of Christianity as divine therapy A groundbreaking achievement in the synthesis of theology and psychology this is an indispensable resource for students scholars pastors and clinicians *Solution-Focused Pastoral Counseling* Charles Allen Kollar,2011-05-03 An original effective and time saving approach that benefits pastors overtaxed by counseling demands fully updated and expanded Professional counselor and pastor Dr Charles Allen Kollar found that counseling does not need not be long term or depend on psychological manipulation to produce dramatic results In most cases the solution lies with the counselees themselves Using the tested methods found in Solution Focused Pastoral Counseling pastors apart from counselors will be well equipped to help their counselees discover a solution and put it in motion speedily and productively Institute healthy change by helping the counselee see and work on the solution with God s activity already present in his her life create solutions with not for the counselee Solution Focused Pastoral Counseling does not require the counselor to be a highly trained psychological expert It requires biblically based sensitivity and common sense Yet this approach also recognizes its limitations and understands that there are situations in which other professional and or medical help is required This book reveals the possibility of life without the problem through an understanding of what is different when the problem does not occur or is less intrusive *Journey of the Soul...Cracked Pots and Broken Vessels* Dr. Phyllis Davis,Rev. Carrol Davis,2014-03-31 Discover your story learn how to tell it and watch God perform miracles in your life as you fall more in love with your Abba Father God uses cracked pots and broken vessels to tell His story And they overcame by the power of the blood of the lamb and the word of their testimony Revelation 12 11 KJV God doesnt

waste anything or anyone He takes the scars and pain of your life and turns you into the vessel of His glory you were created to be Nothing surprises God He has a plan to redeem you save you and let His light shine through you Many Christians walk in bondage for failure to know and follow the Word of God The Bible is Christs love letter to you an instruction book to guide you through all of lifes difficulties Who better to direct you through uncertain times than the one who knows of the best plans for your life Yet Christ says his people are destroyed for lack of knowledge Gods Word rightly applied to the strongholds in your life can help you live the abundant life Christ died to give you and set the captives free It is not just a matter of salvation but rather growth in Christ the sanctification process that leads you to the rich and abundant life Christ died to give you What is your testimony It isnt just your story of salvation Tell of your journey and how the Lord allowed the Scriptures to come alive in your life Tell of the living Jesus
