Travel & See Kobena Mercer, 2016-02-04 Over the years Kobena Mercer has critically illuminated the visual innovations of African American and black British artists In *Travel See* he presents a diasporic model of criticism that gives close attention to aesthetic strategies while tracing the shifting political and cultural contexts in which black visual art circulates In eighteen essays which cover the period from 1992 to 2012 and discuss such leading artists as Isaac Julien Ren e Green Kerry James Marshall and Yinka Shonibare Mercer provides nothing less than a counternarrative of global contemporary art that reveals how the dialogical principle of cross cultural interaction not only has transformed commonplace perceptions of blackness today but challenges us to rethink the entangled history of modernism as well *The Routledge Companion to African American Art History* Eddie Chambers, 2019-11-12 This Companion authoritatively points to the main areas of enquiry within the subject of African American art history The first section examines how African American art has been constructed over the course of a century of published scholarship The second section studies how African American art is and has been taught and researched in academia The third part focuses on how African American art has been reflected in art galleries and museums The final section opens up understandings of what we mean when we speak of African American art This book will be of interest to graduate students researchers and professors and may be used in American art African American art visual culture and culture classes

Sampling and Site-Specific Practice in Contemporary Art Margot Bouman, 2025-05-15 In the early 20th century copying cutting and pasting entered the Western European avant garde through collage and readymades as artists employed found objects and ephemera to create new meaning from existing materials This book explores how this practice has evolved in contemporary art today looking at its important and distinct outcomes in the practice of artists such as Andrea Fraser Douglas Gordon Isaac Julien Christian Marclay Amie Siegel and Christopher Williams It analyses the pivotal consequences of the interrelationships these artists establish between fragments of culture from television and film to internet culture and their artwork s site where the verb to sample has become deeply tied to digital music editing writing image production database searches and social media Samples take many forms quotations of other cultural works replicas of other objects reenactments of works by other artists or fragments that are quite literally cut or removed from other works of art design or media Via Bouman s analysis we visualise the shared frameworks of meaning that underpin these multifaceted multidimensional and medium fluid works Focussing on action and form the book discusses the relationship between the referent and reference and the citational labor that any sample performs The distributive sense of authorship that emerges places the audience in a new position of significance Concepts and themes discussed include queer and race theory postproduction and mirroring mobile site specificity now time and dragging and gender fluidity and Drag King performance centring sampling as a key form of 21st century art With novel insights into the conceptual material and aesthetic dimensions of sampling in contemporary culture the book provides a new critical

framework for understanding the complex implications of this practice as a vital resource for researchers in contemporary art practice and visual culture

Speaking Out of Turn Stephanie Sparling Williams, 2021-08-24 *Speaking Out of Turn* is the first monograph dedicated to the forty year oeuvre of feminist conceptual artist Lorraine O Grady Examining O Grady's use of language both written and spoken Stephanie Sparling Williams charts the artist's strategic use of direct address the dialectic posture her art takes in relationship to its viewers to trouble the field of vision and claim a voice in the late 1970s through the 1990s when her voice was seen as out of turn in the art world *Speaking Out of Turn* situates O Grady's significant contributions within the history of American conceptualism and performance art while also attending to the work's heightened visibility in the contemporary moment revealing both the marginalization of O Grady in the past and an urgent need to revisit her art in the present

What is Black Art? Alice Correia, 2022-09-29 A landmark anthology on British art history bringing together overlooked and marginalized perspectives from the critical decade *What is Black art* This vital anthology gives voice to a generation of artists of African Asian and Caribbean heritage who worked within and against British art institutions in the 1980s including Sonia Boyce Lubaina Himid Eddie Chambers and Rasheed Araeen It brings together artists' statements interviews exhibition catalogue essays and reviews most of which have been unavailable for many years and resonate profoundly today Together they interrogate the term Black art itself and revive a forgotten dialogue from a time when men and women who had been marginalized made themselves heard within the art world and beyond
