Transformed by Postpartum Depression Walker Karraa, 2015-01-01 *Transformed by Postpartum Depression* is a poignant tale of 20 women's journeys through postpartum depression and the growth that they experienced as a result. These women described severe suffering as they had been taken completely by surprise by their depression. They also experienced failure of care providers to screen for or treat depression and finally reached a place where they determined that they would do whatever it took to recover. These women not only survived their ordeal but emerged stronger than they were before. *Transformed by Postpartum Depression* is a deeply rich compelling journey. These women creatively engaged and transcended their diagnosis truly transforming themselves, their relationships, and their lives, finding self empowerment within their personal creative journeys of healing.

Transformed by Postpartum Depression Walker Ladd, 2020-11-10 Praise for *Transformed by Postpartum Depression* Dr Walker Ladd has forged the future for maternal mental health. Her provocative book *Transformed by Postpartum Depression* will challenge and change clinicians, researchers, and the public. Finally, the paradigm of PPD has been broadened to include trauma and the human condition. She has exposed a missing piece of the postpartum puzzle. Thank you Walker Jane Honikman MA Founder Postpartum Support International. Walker Ladd has achieved greatness in the PPD community with her emphasis on trauma transformation and personal growth. What makes *Transformed by Postpartum Depression* so uniquely powerful is that Ladd stands in the face of preconceived notions and challenges them with the stories and voices of real women who speak the truth and deserve to be heard. The conviction of these experiences holds tremendous healing power on behalf of the PPD woman seeking support as well as valued wisdom for the clinician who is accompanying this journey. Karen Kleiman MSW Founder Author *Therapy and the Postpartum Woman*. The beauty of Dr Ladd's book *Transformed by Postpartum Depression* is that it is written not only for clinicians but also for women who have suffered through postpartum depression. This book will provide much needed hope for mothers in the throes of this devastating mood disorder. The powerful narratives included in this book provide the readers with an insider's view of how mothers have been transformed by postpartum depression. Cheryl Tatano Beck DNSc CNM FAAN Professor School of Nursing University of Connecticut. *Transformed by Postpartum Depression* traces the experiences of 25 women through the trauma of postpartum depression. The impact of untreated postpartum depression is described within the context of the psychological literature on trauma and posttraumatic growth. Women describe being terrified by symptoms they didn't understand and the systemic failure of care providers to screen or treat their worsening symptoms resulting in life threatening and life changing trauma. Interviews with leaders in the field of maternal mental health provide critical counterpoint to the concept of postpartum depression as a traumatic life event. *Transformed by Postpartum Depression* provides timely and insightful reflection on the state of maternal mental health in the United States. Walker Ladd Ph D has been a recognized thought leader in the field of maternal mental health for nearly two decades. Her writing and research

challenge current paradigms of motherhood and mental illness using women's stories to reveal the hidden truths and extraordinary dimensions of the lived experience of motherhood Dr Ladd's personal experiences with traumatic childbirth breast cancer postpartum depression and major depressive disorder drive her passion for her bold soulful and transformative work *On Being a Therapist* Jeffrey A.
