**The Faith@home Focused Church** Mark A. Holmen, 2020-01-28 Have you ever wondered why Christianity is declining in America Since the 1980's many American congregations have been very focused on doing church better A lot of effort and resources have been poured into worship and ministry programs and they have significantly improved yet Christianity has been steadily declining Could it be that doing church better is not the answer to stop the decline of Christianity in America Could it be that we have paid too much attention to what's happening at church and not enough attention to what's happening at home Do we care that many churchgoers are living acting dressing behaving one way at church and a complete different way at home and as a result children raised in those environments are later leaving the church at an all time high rate In *The Faith Home Focused Church* Pastor Holmen is going to challenge church leaders to consider three very important questions Do we want the home to be the primary place where faith is lived and nurtured *The Culture-Wise Family* Theodore Baehr, Pat Boone, 2007-02-05 Sex Graphic killings Profanity Adultery Flip on the television head for the movie theater or open a newspaper and you can't get away from it How do you raise a family in a world supersaturated with

Importance of Fathers and Their Involvement with Children edited by Sean E Brotherson and Joseph M White is an anthology of 27 articles dealing with the most important work men ever do being totally involved in the lives of their children and families. It is men's strengths, their capacity to care and protect and give that are needed by children, women, and men themselves. In a culture that questions the value of men in family life, we need a compelling perspective on what men can contribute to their families and communities and insight on the ways in which fathers and father figures make a meaningful difference. Why Fathers Count offers that insight, giving a fresh and powerful perspective on the meaningful contributions of fathers and father figures to the lives of children and families. *Children's Books in Print, 2007, 2006* *Raising Spiritual Champions* Monica M Gray, 2024-01-11 In *Raising Spiritual Champions* by Monica M Gray, a distinguished researcher, gives a revolutionary guide for Christian parents aiming to nurture spiritual resilience and depth in their children. With a special focus on the present issues Christian families confront, Monica navigates topics like media impact, peer pressure, and the balancing act between cultural knowledge and spiritual purity. The book is not merely a handbook but a journey with the author as she shares her significant knowledge and experience, equipping parents to raise not just well-behaved children but sincere disciples of Christ. *Raising Spiritual Champions* is more than just a parenting book; it's a call to action, presenting a vibrant Bible-based approach that goes beyond the Sunday school curriculum. It leads parents to the heart of discipleship, emphasizing the necessity of developing the heart, mind, and soul of the next generation.
