**Tradition vs. Change in Chinua Achebe's "Things Fall Apart"**, 2004-04-06 Seminar paper from the year 2002 in the subject Didactics for the subject English Literature Works grade A USA 1 Southern Connecticut State University English Department course The Contemporary African Novel language English abstract *Things Fall Apart* is a story about personal beliefs and customs and also a story about conflict There is struggle between family culture and religion of the Igbo people which is all brought on by a difference in personal beliefs and customs Finally we see how things fall apart when these beliefs and customs are confronted by those of the white missionaries According to Ernest N Emenyonu *Things Fall Apart* is a classic study of crosscultural misunderstanding and the consequences to the rest of humanity when a belligerent culture or civilization out of sheer arrogance and ethnocentrism takes it upon itself to invade another culture another civilization p 84 Chinua Achebe is a product of both native African and European culture Achebe's education in English and exposure to European customs have allowed him to capture at the same time the European and the African perspectives on colonial expansion religion race and culture This has a great effect on the composition of the novel because he is able to tell the story with an understanding and personal experiences in both cultures He does not portray the African culture and their beliefs as barbaric He simply tells it as it is and how things happened Chinua Achebe states that neither of the cultures were bad but they simply had a difference in beliefs In the first section of this paper I would like to outline some important aspects of the traditional Igbo culture as presented in *Things Fall Apart* Achebe argues that the white man has destroyed Igbo culture out of ignorance of the people's way of life and the white man's inability to speak the people's language The second section deals with Christianity and the colonizers I will compare the Igbo systems to a certain extent to the new system the white man brought to Nigeria Later on I will examine the effects of the colonizers arrival and their religion on the indigenous culture
