The Unfolding Mystery of the Divine Name Michael P. Knowles,2012-08-24 When Moses asked God to show him his glory the Lord passed before him and proclaimed his name And from that name cascaded a promise of grace and love compassion and faithfulness forgiveness and slowness to anger The story is told in Exodus 34 5 7 but the resonant name reverberates through the corridors of Scripture Michael Knowles teases out the rich dimensions and implications of this name by listening carefully to Exodus 34 and its biblical echoes He particularly tunes his ear to the spiritual meditations of later sages In tracing the unfolding mystery of the divine name throughout the span of Israel s story he finds it startlingly resolved in the God of Sinai becoming present in our midst The manifold name of God has long captivated those who trace their spiritual ancestry to Abraham whether they are Jewish Christian or Muslim This book brings this spiritual quest into dialogue with Scripture and tradition and invites us to experience this God of the eternal name

I Glanced Out the Window and Saw the Edge of the World Catherine Halsall,2020-07-08 This book is about WAR not the causes and results not the planning and the campaigns not the artillery and the bombs It is about the heinous crimes committed by the combatants the horrifying experiences of civilians the devastation of cities and villages the killing and the dying the glory leading to revulsion and guilt and the assimilation of suffering that either ends in death or in the triumph of the soul It looks at the struggle of the church to remain faithful and the servants of the church who seek to bring sense and solace to the victims It discusses antisemitism racism and war itself from biblical perspectives It reveals the unjustifiable reasons for engaging in war and how this brings catastrophic results for all peoples the mental instability of the survivors and the loss and grief of those on the home front In war how can men and women carry out the actions that they do As Viktor Frankl writes After all man is that being who has invented the gas chambers of Auschwitz however he is also that being who has entered those gas chambers upright with the Lord s Prayer or the Shema Yisrael on his lips
