David John Farmer

Thinking Philosophically An Introduction To Critical Reflection And Rational Dialogue:

Thinking Philosophically Richard E. Creel, 2001-02-14 Thinking Philosophically begins by helping the reader acquire a lively sense of what philosophy is how it began why it persists and how it is related to other fields of study especially science

Alan Watts Here and Now Peter J. Columbus, Donadrian L. Rice, 2012-06-01 Considers the contributions and contemporary significance of Alan Watts

Philosophy of Religion, 2013-08-05 Philosophy of Religion The Basics offers a concise introduction to philosophy of religion distilling key discussions and concepts of the subject to their succinct essence providing a truly accessible entry into the subject A truly accessible introduction to philosophy of religion for beginners

Takes a topical approach starting with the nature of religion and moving the reader through the major concepts explaining how topics connect and point to one another Offers a thorough and full treatment of diverse conceptions of God the ontological argument and divine attributes and dilemmas A genuinely concise introduction this text can be used alongside other resources without overtaxing students Represents 30 years of experience teaching to undergraduates Includes a free downloadable file with key excerpts and additions to help students study

The Hebrew Bible and Philosophy of Religion

Jaco Gericke, 2012-11-01 This study pioneers the use of philosophy of religion in the study of the Hebrew Bible After identifying the need for a legitimate philosophical approach to Israelite religion the volume traces the history of interdisciplinary relations and shows how descriptive varieties of philosophy of religion can aid the clarification of the Hebrew Bible's own metaphysical epistemological and moral assumptions Two new interpretative methodologies are developed and subsequently applied through an introduction to what the biblical texts took for granted about the nature of religious language the concept of deity the properties of Yhwh the existence of gods religious epistemology and the relation between religion and morality

Science and Anthropology in a Post-Truth World H. Sidky, 2020-11-12 At the end of 2019 Americans were living in an era of post truth characterized by fake news weaponized lies alternative facts conspiracy theories magical thinking and irrationalism While many complex interconnected factors were at work this post truth era was partly the culmination of a cadre of anthropologists and other academics in American universities and colleges during the 1980 s and 1990 s In Science and Anthropology in a Post Truth World H Sidky examines how their untoward dalliance with problematic and dangerous ideas by Michel Foucault Jacques Derrida Jean Fran ois Lyotard Bruno Latour and Jean Baudrillard informed and empowered a forceful assault on science and truth in the following decades by corporate organizations politicians religious extremists and right wing populists

Beyond Public Administration David John Farmer, 2019-09-23 How can public administration P A nudge government to govern fundamentally better in terms of policy How critical is P A contemplation and nudges prods shoves or hammer blows to government in context In this book David John Farmer argues that government in context refers to government in totality to what governs even if not called government and to what constrains government action Constricting contextual features are infiltration exfiltration and post

truth raising questions relating to democracy Infiltration into government is the action of gaining access that benefits big corporations their owners and billionaires findings are that it also mal nudges government action through such elements as big money lobbying tax breaks and embrace of the free market Reacting to factors like growing income inequality what is explained as exfiltration occurs for middle and lower income people Post truth is noted as the Oxford Dictionary s word of the year for 2016 describing people concerned less with truths than with opinions The book analyzes three practical hammer blow and 18 shove nudges to contradict the mal nudges Beyond Public Administration will be of interest to P A scholars and graduate students more specifically those interested in critical normative or interpretive scholarship focused on various aspects of P A theory governance and practical management **Lead with Wisdom** Mark Strom,2017-02-06 A practical guide for leading others with wisdom integrity and humanity This book argues that great leadership requires wisdom Rather than a formulaic managerial approach to leadership Lead with Wisdom presents the case for leadership based on our shared humanity and the stories that unite us What emerges is a model of leadership based on learning to read key patterns of human experience the way language shapes our reality how we form new meaning through conversation how relationships determine influence and how we deal with uncertainty It presents readers with the tools and illustrated examples to implement the four arts of leading wisely how to draw out and create a new story in the organization how to find and leverage the brilliance of people how to speak with promise to restore meaning and hope and how to show grace in dealing with the most demanding people and circumstances Offers a leadership approach rooted in our shared humanity and the stories which unite and define us Ideal for corporate leaders middle managers administrators and anyone else with management responsibilities Written by a popular speaker on leadership and the author of Arts of the Wise Leader with personal CEO experience and a PhD in the history of ideas Structured as one key idea per page or double page spread with funky line drawings supporting the concepts and skills For anyone who wants to lead with wisdom integrity and humanity Lead with Wisdom offers a welcome alternative to traditionally robotic and formulaic leadership strategies *Wise Management in Organisational Complexity* M. Thompson,D. Bevan,2013-03-18 Provides a resource of wise praxis and reflection in the context of organisational complexity for managers researchers and teachers in management education Offers various explications and applications of Aristotle s notion of phron sis practical wisdom and reflects on the responsibilities of companies and education institutions towards society **Antun Sa'adeh, National Philosopher** Edmond Melhem,2010 **Proceedings and Addresses of the American Philosophical Association** American Philosophical Association,2002 The Library Journal ,2000 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **A Critique of Postmodern Anthropology--in Defense of Disciplinary Origins and Traditions** H. Sidky,2003 This work provides a critique of the literary interpretive approaches in cultural anthropology and their challenge

to science scientific anthropology and disciplinary origins and traditions It aims for a careful application of scientific analysis in the investigation of cultural processes **American Book Publishing Record** ,2001 **An Introduction to African Philosophy** Maurice Muhatia Makumba,2007 Choice ,2000 **Tragic Thoughts at the End of Philosophy** Gerald L. Bruns,1999-07-21 In this text Bruns investigates the recent phenomenon of philosophers taking an interest in literature and literary theory **Adorno and Philosophical Modernism** Roger S. Foster,2016-08-29 Adorno and Philosophical Modernism The Inside of Things offers an original interpretation and vigorous defense of Theodor Adorno s idea of philosophy as the practice of what Roger Foster calls philosophical modernism Adorno s philosophical writings from the early 1930s to the mature works of the late 1960s are deeply informed by a distinctively modernist vision of human experience This book seeks to establish that Adorno s unique and lasting contribution to philosophy consists in his sustained and rigorous development of this modernist vision into an encompassing practice of philosophical interpretation The essential features of this vision can be discerned in all of Adorno s major writings in philosophy social theory and aesthetics Its defining element is the idea of a pattern underlying ordinary experience which although not directly accessible can be disclosed by the reconstructive work of philosophical or literary language This vision Foster argues can be discerned in the major works of literary modernism including Woolf Proust and Musil as well as in the interpretive technique of psychoanalysis developed by Sigmund Freud The importance of Adorno s contribution to twentieth century philosophy can only be fully appreciated by understanding how he developed this vision into an overarching practice of philosophical interpretation that furnished a coherent and profound response to the decay of experience afflicting late modern societies In this book Foster expounds that interpretive practice exploring its ramifications and in particular its relation with literary modernism and places it in critical dialogue with alternative philosophical responses *International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences* ,2000 **The Sage Handbook of Intercultural Communication** Shuang Liu,Adam Komisarof,Zhu Hua,Levi Obijiofor,2025-01-16 The SAGE Handbook of Intercultural Communication offers a global interdisciplinary and contextual approach to understanding the complexities of intercultural communication in our diverse and interconnected world The handbook brings together established theories methodologies and practices and provides a comprehensive exploration of intercultural communication in response to the challenges and opportunities presented by our global society Featuring contributions from leading and emerging scholars across multiple disciplines including communication studies psychology applied linguistics sociology education and business this handbook covers research spanning geographical locations across Europe Africa Oceania North America South America and the Asia Pacific It focuses on specific contexts such as the workplace education family media crisis and intergroup interactions Each chapter takes a contextual approach to examine theories and applications providing insights into the dynamic interplay between culture communication and society From managing cultural diversity in the
