great aunt Iris Brockwell is on her deathbed and requires round the clock care Grace volunteers figuring there is nothing left for her in Boston It isn't long after her arrival in Paris that she meets a charming driven lawyer named Conrad Hall who wastes no time sweeping her off her feet and soon proposes marriage Given his promises to love protect and care for her and her great aunt how can Grace refuse Weeks before the wedding an unexpected guest shows up and threatens to throw a wrench in the plans Will Grace go through with her marriage to Conrad Or will an unforeseen turn of events change her mind

The Question of the Aesthetic George Levine,2022-06-16 This book establishes an argument for deeper attention to the aesthetic qualities of literature to the question of the relation between the aesthetic and more immediate practical and urgent social and political matters It attempts to establish the intrinsic value of the aesthetic at the same time as it demonstrates that focus on the aesthetic does not preclude attention of the urgent questions with which works of art consistently engaged It argues that attention to the aesthetic does not diminish attention to these larger issues but in effect increases the power both of art and criticism to engage them fruitfully

Heaven's Stage on 5th and Main MJ Gaylor, 2025-01-30 Our old library in town never held much attraction for me In fact my only solid memory involved my first fistfight which was thankfully uneventful and quickly broken up by the town librarian However I recently had a dream concerning that storied building in Cobleskill It was a stormy day and with little else to do I entered through the tall glass doors and began perusing the bookshelves As I ran my fingers down a roll of hardcovers I spotted a volume with my name as the title I began reading and to my surprise found that it contained the story of my life beginning at birth I quickly turned the pages to see if the author had included everything and to my chagrin discovered nothing had been left out I carefully concealed the book by my side and walked quietly toward the librarian who was seated at a large wooden desk There she lay in wait peering over her horned rim glasses which were eternally hooked to her neck with a gold chain With judgement and a bit of delight in her eyes she informed me that the book could not be checked out as it was not yet complete My heart raced and my breath quickened as I turned to the back of the book to find empty pages I placed the novel back on the shelf only to return a month later Pulling down the volume I discovered it had increased in wordcount Confused I turned to the opening page to see who cared enough to write my life s story in such detail and for all to read To my surprise the author was none other than God himself I awoke and after contemplating the gravity of life decided to write a book *Joy of life march ,1877*
