Three Free Sins Steve Brown, 2012-02-07 Hilarious honest and full of the hard won wisdom At its core is this truth real change only happens when we realize God loves us whether we change or not Susan E Isaacs author of *Angry Conversations With God* From a popular pastor and radio host *Three Free Sins* teaches that the only people who make any progress toward being better are those who know that God will still love them regardless of how good they are This book is about the misguided obsession with the management of sin that cripples too many Christians It s about the view that religion is all about sin about how to hide side sin or how to stop sinning all together In the Introduction the author toys good naturedly with an agitated caller on his radio program teasing him in a segment where he offers three free sins The offer is real Not that Steve has the power to forgive sins but he wants to make the point that Jesus has made the offer to cover all of our sins not just three Chapter one titled *Teaching Frogs to Fly* is even better The gist of this chapter is that you can t teach frogs to fly just like you can t teach people not to sin Steve tells a story about a guy who has a frog and he s convinced he can teach the frog how to fly The man keeps throwing the frog up in the air or up against walls all to the poor frog s demise The message is that even though people can be better they can never not sin just like a frog can never learn to fly no matter how much pressure is put on it Steve continues through the book to show readers that while they can never manage sin they can relax in knowing that they are completely forgiven not just of three but of all [Three Free Sins](#) Steve Brown, 2012-02-07 Hilarious honest and full of the hard won wisdom At its core is this truth real change only happens when we realize God loves us whether we change or not Susan E Isaacs author of *Angry Conversations With God* From a popular pastor and radio host *Three Free Sins* teaches that the only people who make any progress toward being better are those who know that God will still love them regardless of how good they are This book is about the misguided obsession with the management of sin that cripples too many Christians It s about the view that religion is all about sin about how to hide side sin or how to stop sinning all together In the Introduction the author toys good naturedly with an agitated caller on his radio program teasing him in a segment where he offers three free sins The offer is real Not that Steve has the power to forgive sins but he wants to make the point that Jesus has made the offer to cover all of our sins not just three Chapter one titled *Teaching Frogs to Fly* is even better The gist of this chapter is that you can t teach frogs to fly just like you can t teach people not to sin Steve tells a story about a guy who has a frog and he s convinced he can teach the frog how to fly The man keeps throwing the frog up in the air or up against walls all to the poor frog s demise The message is that even though people can be better they can never not sin just like a frog can never learn to fly no matter how much pressure is put on it Steve continues through the book to show readers that while they can never manage sin they can relax in knowing that they are completely forgiven not just of three but of all **He Made the Stars Also** Cole Huffman, 2019-06-05 You probably know that Jesus did miracles but do you know why Reading about Jesus miracles is like pointing at constellations in the sky We look at the stars themselves not the finger

pointing at them This constellation of seven miracles in John s Gospel shows us who Jesus was and why it matters It is the miracle worker we re to see not just the miracles Why was his turning water into wine not a party trick Why did he walk on water instead of staying on shore Why did he cry when raising Lazarus back to life Each miracle in John s narration is a story that had to be told The Jesus you meet in these pages is full of power and compassion glory and approachability grace and truth Whether you ve known Jesus a long time are new to faith or just curious about him He Made the Stars Also draws upon John s seven sign events to show you why Jesus remains so compelling *The Next Verse* Jay Payleitner,2022-09-20 What Comes After John 3 16 You know the familiar verses of John 3 16 Romans 8 28 and Joshua 24 15 But do you know the verses that follow them And does it really matter that you do The Next Verse by best selling author Jay Payleitner is a surprising eye opening devotional that takes 60 familiar and beloved Bible verses and encourages you to read them in their context How can Matthew 11 28 say Come to me all who are weary and carry heavy burdens and I will give you rest and then the very next verse require us to put on a new yoke to carry a new burden Or think about the millions of motivational posters inspiring athletes by quoting Philippians 4 13 I can do all things through him who give me strength Did you know the next verse suggests we all chill out and learn the secret to contentment This unique devotional brings to the surface what many Christians already recognize they hold numerous Bible verses in their hearts but they need to go deeper to truly understand them Written in a casual fun style The Next Verse enables you to absorb the meat of the Scriptures in a nonintimidating way You will enjoy reading familiar Bible passages Some long Some short Both Old and New Testament Then you will see how they correspond to the next previous or surrounding verses passages that explain expand seemingly contradict and surprise they may even make you laugh Your response will be I never saw that before The Next Verse is for avid devotional readers Bible readers seeking fresh perspectives on Scripture believers who want to improve their biblical knowledge pastors and small group leaders looking for a new angle to Bible teaching and anyone who is intrigued by the question What comes after your favorite Scripture verse Each entry includes an introduction to the favorite verse and related passages a Going Deeper section and a concluding thought Join Jay on an adventure to discover what you never knew about 60 of your favorite Bible passages **Wretched Saints** Noel Jesse Heikkinen,2019-02-01 The truth of the gospel of Jesus Heikkinen writes is that I am nothing more than a wretch and so much more than a saint Have you ever wondered if God could really save you Have you ever thought grace might not be enough In Wretched Saints Heikkinen reveals the rough and beautiful side of grace so clearly that readers face up to the scars of sin and have a renewed startling realization that God s incredible gospel is true Wretched Saints shows how grace is the ridiculously unwarranted posture of God that transforms sinners into saints gives freedom to lavish grace on others and stubbornly shapes us all to look like Jesus What If God Wrote Your Bucket List? further study in the back which can help you in a much deeper study of the meaning of grace God's grace is sufficient for everything everywhere and at every time **God Is Not Mad at You** Joyce Meyer, 2013-09-03 When bestselling author Joyce Meyer posted God's not mad at you on Facebook she didn't anticipate that her words would trigger thousands of responses of gratitude and relief Apparently many Christians struggle to reconcile their perception of God as both a loving parent and a stern judge In **GOD IS NOT MAD AT YOU** Joyce will help those who haven't truly received God's love because they are afraid of His anger and disapproval She explores the source of this confusion so His genuine character can be better understood and His love can be experienced on an entirely new level Chapter titles include Perfectionism and Approval The Pain of Rejection Guilt and Shame Developing Your Potential Run to God Not from Him Getting Comfortable with God It is important for us to remember that God's anger is directed toward our sinful behavior rather than toward us If you feel guilty right now and are afraid that God is mad at you then you are miserable But your misery can be immediately changed to peace and joy by simply believing God's Word Believe that God loves you and that He is ready to show you mercy and forgive you completely Believe that God has a good plan for your life Believe that God is not mad at you Joyce Meyer *When Jesus Was a Green-Eyed Brunette* Max Davis, 2016-11-01 When Jesus Was a Green Eyed Brunette weaves heartwarming and miraculous stories of Jesus showing up in ordinary people revealing that He knows us and is fully present in our everyday circumstances especially in our difficulties As best selling author Max Davis puts it When we are born again Jesus lives inside each of us He is very much alive today and still does incredible things sometimes supernatural things through us Davis's own life was dramatically altered when he first came face to face with Jesus living inside a green eyed brunette That encounter started a forty plus year journey where Jesus became his best friend When we see others as God sees us we will love them as God loves us Those hurting and weary from worn out religion are longing for a fresh touch from the living Jesus By letting Jesus live through us we become a conduit of His love Authentic Christianity is not about religion but a relationship with Jesus Davis challenges us to do more than simply receive His grace we need to allow grace to soften change and shape us As you read this book you will laugh cry and come face to face with the living Jesus **The Complete Concordance to**
