Three Seasons Jamelle E Mckenzie:

Three Seasons Jamelle E. Mckenzie, 2015-11-25 Anita Thompson Arnold Kelley and Dimitri Carter are about as different as three people can be While one was raised in a wealthy African American family another is an experienced preacher in a traditional ministry and a third has spent more than a third of his life behind bars Still these three souls have more in common than meets the eye They are haunted by past struggles jaded by deception and most importantly harbor a deep and unrelenting desire to change Just as the seasons transform and showcase their natural beauty these three individuals must use their courage and determination to overcome a set of unique obstacles traveling their own twisting paths until they eventually intertwine The result is an awe inspiring look at humankind s capacity to change and the transformative journeys we all embark on during the course of our lives Narrated over the course of three seasons from three different points of view Three Seasons will inspire readers from all walks of life to get past their pain set aside all preconceived judgments and get started on becoming the best version of themselves they can be Three Seasons Jamelle McKenzie, 2015-11-14 They re three individuals experiencing three very different walks of life But for Anita Dimitri and Arnold difficult pasts and the desire for change are what tie their fates together
