Living Christ Peter Feldmeier, 2023-04-01 In Living Christ Peter Feldmeier explores the Gospels as the premier revelation of the person ministry and salvation of Jesus Christ Uniting biblical scholarship with a deep spiritual engagement with the Gospels Feldmeier shows how the biblical word can access the prophetic words and saving work of Jesus to make them one s own Each Gospel provides a unique interpretation of Christ and a distinctive expression of Christian discipleship Feldmeier takes the reader slowly through each text so that they may richly engage the truths witnessed by the evangelists and become opportunities for interior transformation Drawing on traditional and modern commentaries as well as his own reflections Feldmeier shows how the Gospels are essential in their own ways in coming to an intimate relationship with Christ and an authentic appropriation of biblical discipleship

We Are Being Transformed M. David Litwa, 2012-02-22 Can Pauline soteriology be categorized as a form of deification This book attempts to answer this question by keen attention to the Greco Roman world It provides the first full scale history of research on the topic It is also the first work to fully treat the basic historical questions relating to deification Namely what is deity in the Greco Roman world What are the types of deification in the Greco Roman world Are there Jewish antecedents to deification Does Paul consider Christ to be a divine being If so according to what logic How is Pauline deification possible in light of ancient Jewish monotheism How is deification possible with a strong notion of creation Although a rigorously historical study no attempt is made to avoid theological issues in their historical context Deification it is argued provides a new historical category of perception with which to deepen our knowledge of the Apostle's religious thought in its own time This book is intended for an academic audience The range of topics discussed here should interest a wide array of scholars in the fields of Hebrew Bible New Testament Classics and Patristics

The Christian Life Witness Lee, The Christian life is mysterious and to know and live the Christian life is not an easy thing In this book Witness Lee presents a deeper understanding of the Christian life He begins by defining the Christian life as both the life in which the believers of Christ live Christ and magnify Christ and also the life in which the Christians live Christ and magnify Him corporately in their locality as a local church to be a local expression of Christ as a part of the universal Body of Christ In the following chapters Lee presents the contents of the Christian life and helps the reader to experience the all inclusive Spirit in order to live the proper Christian life

Rethinking Galatians Peter Oakes, Andrew K. Boakye, 2021-01-14 Oakes and Boakye rethink Galatians by examining the text as a vision for the lives of its hearers They show how in tackling the difficulties that he faces in Galatia Paul offers a vision of what the Galatians are in their relationship with the living Christ This offers a new understanding of the concept of unity in diversity expressed in Gal 3 28 The authors develop their views over six chapters First Oakes maps a route from the letter to a focus on its Galatian hearers and on Paul's vision for their identity and existence In the next chapter Oakes uses the Christology of Galatians as a way to support the idea of pistis as current relationship with the living Christ Boakye then offers three chapters analysing the letter's scriptural quotations and ideas about salvation and law Boakye sees a key dynamic at work in Galatians as being a movement from death to life as prophesied metaphorically by Ezekiel and as made literal for Paul in his encounter with the resurrected Christ trust in whom becomes the route to life Life becomes a key category for evaluating law Boakye also draws Galatians close to Romans 4 in seeing in both texts the promise of the birth of Isaac with Paul closely tying that to the resurrection of Jesus Oakes then argues that the letter has a thematic concern for unity in diversity In the first instance this is between Jews and gentiles but in principle it is between any other socially significant pair of groups

God's New Testament Economy Witness Lee, God

s New Testament Economy is a thorough study of the New Testament It does not provide superficial inspiration nor is it a dry systematic analysis However in this book Witness Lee presents a revelation of the Triune God s plan that will both inform and encourage the reader to pursue a full experience of our wonderful Triune God **Gospel Herald** ,1928 Reforming the Art of Living Rico Vitz,2014-10-20 Descartes s concern with the proper method of belief formation is evident in the titles of his works e g The Search after Truth The Rules for the Direction of the Mind and The Discourse on Method of rightly conducting one s reason and seeking the truth in the sciences It is most apparent however in his famous discussions both in the Meditations and in the Principles of one particularly noteworthy source of our doxastic errors namely the misuse of one s will What is not widely recognized let alone appreciated and understood is the relationship between his concern with belief formation and his concern with virtue In fact few seem to realize that Descartes regards doxastic errors as moral errors and as sins both because such errors are intrinsically vicious and because they entail notably deleterious social consequences Reforming the Art of Living seeks to rectify this rather common oversight in two ways First it aims to elucidate the nature of Descartes s account of virtuous belief formation Second it aims both i to illuminate the social significance of Descartes s philosophical program as it relates to the understanding and practice not of science but of religion and ii to develop a kind of Leibnizian critique of this aspect of his program More specifically it aims to show that Descartes s project is dangerous insofar as it is subversive not only of traditional Christianity but also of other traditional forms of religion both in theory and in practice **The Collected Works of Witness Lee, 1989, volume 4** Witness Lee,2021-05-28 The Collected Works of Witness Lee 1989 volume 4 contains messages given by Brother Witness Lee from May 19 1989 through January 4 1991 In the middle of May 1989 Brother Lee returned to Anaheim California after spending more than two months in the Far East At the end of the third week in May Brother Lee visited Cleveland Ohio and Newton and Cambridge Massachusetts until the end of the first week in June At that time he returned to Anaheim and remained there until the end of 1989 The contents of this volume are divided into eight sections as follows 1 Sixteen messages given in Anaheim California Cleveland Ohio and Newton Massachusetts on May 19 through June 6 1989 These messages were previously published in a ten chapter book entitled The Advance of the Lord s Recovery Today and are included in this volume under the same title 2 Two messages given in Anaheim California on July 8 and 9 1989 These messages were previously published in a three chapter book entitled A Summary of the Study of the New Testament Way of Christian Service and are included in this volume under the same title Chapters 2 and 3 of this section also appear as chapters 10 and 11 in Elders Training Book 9 The Eldership and the God ordained Way 1 which is included in The Collected Works of Witness Lee 1986 volume 3 3 Ten messages given in Anaheim California on September 4 through December 14 1989 These messages were previously published in two volumes entitled Talks concerning the Church Services Part 1 and Part 2 and are included in this volume under the title Talks concerning the Church Services 4 Five messages given in Anaheim California on November 23 through 25 1989 These messages were
