Tracks of a Fellow Struggler John Rowan Claypool, 1995 **Tracks of a Fellow Struggler** John R. Claypool, 2019-11-17 John Claypool had been a pastor for almost two decades ministering to others who suffered through the loss of loved ones when the loss came home with the death of his eight year old daughter This book is the story of Claypool s own journey through the darkness written through four sermons The first was delivered just eleven days after his daughter s diagnosis of leukemia the second after her first major relapse nine months later and the third weeks after her death The final sermon a reflection on the process of grieving was preached three years later Job who also struggled with God and found him emerged twice the person he had been And so can we Though our journey will be uniquely our own when the time comes and come it will if we love at all Claypool has left tracks Furthermore he has not erased those places where he faltered They are honest tracks The Texas Churchman With more than a million copies sold Tracks of a Fellow Struggler is once again available in a hardcover edition perfect for gift giving or for anyone seeking God s comfort in difficult times to read and cherish *The Living Church* , 2004-07 **Shaped by Suffering** Kenneth Boa, 2020-02-04 Suffering comes to us all But

Christians today are often not prepared to suffer well and have a shortsighted view of pain and trials In this book Ken Boa shows how God uses suffering to shape his children for eternity and to grow them in Christlike character The nature of our affliction is not as important as our response to it and God is at work through our hardships and wants to use them to prepare us for eternal life **A Necessary Grief** Larry J. Michael, 2015-03-27 A handbook to enable ministry leaders to help others through bereavement Grief is a difficult topic that ministry leaders deal with on a regular basis Do they have confidence in helping those who are suffering the loss of a loved one Do they feel equipped to meet the differing needs that occur in the life of a survivor Can they lead someone through a process of grief reconciliation Are they able to plan and implement a bereavement ministry in their church or parish Here is a book that can help leaders in a practical way to minister to those who are grieving In addition they will discover essential tools to deal with grief s difficult questions Drawing upon his thirty years of experience as a pastor and as a professional grief counselor Dr Michael provides a valuable resource for pastors and other grief leaders to use within their churches and organizations and their surrounding communities This work is a practical guide that will bring a greater understanding of the impact that loss has upon individuals and will provide competent counsel for ministering to them In addition it will equip the leader to implement a ministry of grief education and bereavement within a church or organization Facing Tomorrow Phyllis Cadc McElwain, PhD, Phyllis McElwain, 2010-07
