The South China Sea Arbitration Alfredo C. Robles, 2019-01-01 The South China Sea Arbitration which marks the first time that the Philippines and China have been parties to a compulsory dispute settlement procedure is a landmark legal case The Tribunal tackled head on critical issues in the interpretation and application of the UN Convention on the Law of the Sea that other international courts have failed to address particularly the compatibility of historic rights with the Convention the identification of maritime features as permanently submerged or above water at high tide and the distinction between features that are fully entitled to maritime zones and those that are not In addition the Tribunal also had to decide on issues as diverse as near collisions at sea illegal fishing of giant clams and sea turtles and the destruction of fragile coral reefs resulting from island building The Tribunals task was rendered arduous by Chinas refusal to appear before it In these circumstances understanding the Tribunals decisions is a challenging undertaking Chinas public relations campaign targeting the proceedings raised issues that the layperson could readily grasp notably African states support for its non appearance the integrity of the judges and the validity of arbitral awards Understanding the Awards and Debating with China aims to facilitate understanding of the South China Sea Arbitration by presenting detailed summaries of the two Arbitral Awards The author rebuts the questionable claims raised by Chinas public relations campaign and highlights Chinas covert actions during the proceedings

Innovation in Africa Fernando dos Santos, 2024-01-03 Technology is key to the development of nations yet is not freely or easily accessible This book aims to contribute to the debate about empowering Africa to play a more meaningful role in the global innovation system It emphasizes the important role of technology transfer in assisting Least Developed Countries LDCs in Africa to expand their technological capabilities The book surveys IP and innovation policies in Africa s past and present providing theoretical policy and legal frameworks as well as specific measures that will help African LDCs It proposes solutions to overcome challenges currently posed by inefficiencies in the flow of technologies to LDCs and by the fragmentation of the international legal framework that regulates technology transfer Notably the book proposes maximal implementation of the TRIPS Agreement provisions related to technology transfer and recommends the adoption of a uniform international legal instrument under the framework of the WTO to be designated as the Agreement on Trade Related Issues of Technology Transfer and Innovation TRITTI The book advocates for proactivity from African LDCs and urges them to cultivate environments that attract and enable technology transfer into their respective states This will facilitate technological learning accelerate absorption and adaptation fit to an African context and will catapult African LDCs down the road of innovation
