Winning Parent Parents Journey Competitive:

The Winning Parent Daniel Massaro, 2015-12-06 Do you find yourself at times arguing with your son or daughter about their sports performance or commitment levels and that they don't listen to your advice Do you ever feel unappreciated by your children or their coaches for all the time money and emotional energy that you invest Do you want to reduce the arguments and stress that derive from their sport and when they are competing Is there a way you can help your child become a WINNER on the field court and in life too Founder of the Winning Parent concept Daniel Massaro has coached a number of elite level international athletes in various sports for 20 years including his wife Laura Massaro who is a World Champion and World Number One Squash Player Daniel is an internationally respected figure and award winning lecturer who has worked in the highly competitive youth sports arena educating players coaches and parents from all corners of the globe Through these experiences Daniel has acquired crucial understanding and knowledge regarding what it takes for parents to become Winning Parents in both sport and life In this book he provides a distinctive insight into how parents can formulate more powerful enduring and effective relationships with their children during their sports journey Based on academic research interviews with Winning Parents and current professional performers these secrets have been packaged into a simple yet innovative 7 stage plan called The Winning Flightpath Danny is inspirational and clearly ahead of the game it is no surprise that he has coached his wife to World Number One While having the pleasure of working with him on this material it became clear why and more importantly HOW parents can become such powerful forces in their child's sporting experiences If you are serious about helping your child unlock their potential and become a WINNER in any sport this is an absolute must read Richard Shaw Time Warner Sports New York Co author of the bestselling book Coaching Outside the Box

Win The Youth Sports Game John Yeigh, 2022-01-11 How to Ensure That Your Children Are Given The Opportunity to Succeed at Sports *Win The Youth Sports Game* objectively narrates how ordinary kids can progress survive and thrive within today's 20 billion youth sports industrial complex The sixteen year developmental trek from toddler to collegiate athlete is chronicled while juxtaposing the real life challenges that athletes in all sports must endure and overcome *Win The Youth Sports Game* is the first title ever to provide an honest reality check for parents a What to Expect When You are Expecting for youth sports Fifty incredibly common adult imposed obstacles are exposed so that parents can help their athletes navigate and overcome these challenges along their own sports journeys Fifty million parents may be hopeful their young athletes are on track to play college sports and win a scholarship but only about 2 percent of elite high school athletes receive even a partial sports scholarship Share this book's table of contents with any sports parent and they'll immediately identify with some of the seemingly outrageous storylines The unfortunate outcome is that more than 75 percent of kids quit sports by age fourteen with over zealous adults being a big contributor The author will donate half of any profits to Project Play's youth sports advocacy programs

Communication and Sport Michael L. Butterworth,2021-07-19 Sport is a universal feature of global popular culture It shapes our identities affects our relationships and defines our communities It also influences our consumption habits represents our cultures and dramatizes our politics In other words sport is among the most prominent vehicles for communication available in daily life Nevertheless only recently has it begun to receive robust attention in the discipline of communication studies The handbook of *Communication and Sport* attends to the recent and rapid growth of

scholarship in communication and media studies that features sport as a central site of inquiry The book attempts to capture a full range of methods theories and topics that have come to define the subfield of communication and sport or sports communication It does so by emphasizing four primary features First it foregrounds communication as central to the study of sport This emphasis helps to distinguish the book from collections in related disciplines such as sociology and also points readers beyond media as the primary or only context for understanding the relationship between communication and sport Thus in addition to studies of media effects mediatization media framing and more readers will also engage with studies in interpersonal intercultural organizational and rhetorical communication Second the handbook presents an array of methods theories and topics in the effort to chart a comprehensive landscape of communication and sport scholarship Thus readers will benefit from empirical interpretive and critical work and they will also see studies drawing on varied texts and sites of inquiry Third the handbook of Communication and Sport includes a broad range of scholars from around the world It is therefore neither European nor North American in its primary focus In addition the book includes contributors from commonly under represented regions in Asia Africa and South America Fourth the handbook aims to account for both historical trajectories and contemporary areas of interest In this way it covers the central topics debates and perspectives from the past and also suggests continued and emerging pathways for the future Collectively the handbook of Communication and Sport aspires to provide scholars and students in communication and media studies with the most comprehensive assessment of the field available

Buddy Parenting A.D Narula,2022-12-30 Connectivity has taken a quantum leap and keeping in touch is easy but relationships have increasing gaps We seem to connect globally and culturally in the virtual world but not connecting inwards and in the physical world This book on Parenting helps you create self awareness about your role of parenting parenting style and what you really want your Dream Child to be With that clarity you can actually design how you want your parenting journey to be using some of the approaches shared in this book and create your own dynamic toolkit for parenting The specialty of the book is the guided introspection and the concept of Buddy Parenting that gets you to cause the best of yourself and your child to emerge making it a joyous relationship
